INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Intuvie Holdings LLC 401(k) Profit Sharing Plan & Trust
(formerly Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust):

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Intuvie Holdings LLC 401(k) Profit Sharing Plan & Trust (formerly Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024**

1. Description of the Plan

The following description of the Intuvie Holdings LLC 401(k) Profit Sharing Plan & Trust (formerly Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust) (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering substantially all employees of Intuvie Holdings LLC (formerly Care Everywhere, LLC) (the Company, the Plan Sponsor, or the Employer) who have completed six months of service and are 21 years of age or older. Entry dates into the Plan are the first day of each month following satisfaction of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is also the Plan Administrator. As Plan Administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Through January 31, 2025, Mid Atlantic Trust Company (MATC) served as the trustee of the Plan and held and managed Plan investments. Paychex, Inc. served as third-party recordkeeper, at the direction of the Plan Administrator.

Effective February 1, 2025, the Plan Sponsor entered into an agreement with ADP Retirement Trust Services, LLC and ADP, Inc. (collectively, ADP), replacing MATC as the Plan's trustee and Paychex, Inc. as the Plan's third-party recordkeeper, respectively. In conjunction with the change, the Plan was amended and restated effective February 1, 2025. Substantially all Plan assets were transferred from MATC to ADP during February 2025. The former trust remained open through July 17, 2025 to facilitate the transition and transfer of any remaining assets, after which it was closed.

Contributions

Eligible employees may elect to contribute up to 75% of their pre-tax eligible compensation to the Plan, so long as those contributions do not exceed annual limitations set by the Internal Revenue Code (IRC). Participants may designate some or all of their elective deferrals as Roth 401(k) deferrals. Participants who have reached the age of 50 before the end of the Plan year may contribute additional amounts in the form of catch-up contributions. Effective January 1, 2025, the Plan adopted a provision of the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE) Act 2.0 allowing certain eligible participants to make increased catch-up elective deferrals, referred to as "super catch-up" contributions. Under this provision, the maximum catch-up deferral amount for participants between the ages of 60 and 63 increased from \$7,500 to \$11,250. Rollover contributions to the Plan are permitted, subject to the restrictions of the Plan Agreement.

(FORMERLY CARE EVERYWHERE, LLC 401(K) PROFIT SHARING PLAN & TRUST)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024**

The Employer's safe harbor matching contribution is equal to 100% of the participant's contribution, up to 3% of compensation and 50% of the participant's contribution, up to the next 2% of compensation. In addition, the Employer may choose to make discretionary nonelective contributions to participants who were employed on the last day of the Plan year or who have completed at least 501 hours of service in the Plan year. The discretionary nonelective contribution is determined by the Company's Board of Directors. During the year ended December 31, 2025, the Employer made safe harbor contributions of \$507,240. No discretionary nonelective contributions were made during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's and Employer contributions and allocations of Plan earnings (losses) and administrative expenses. Plan earnings (losses) and administrative expenses are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, Employer safe harbor matching contributions and Employer discretionary nonelective contributions, plus any earnings thereon.

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have one loan outstanding at any given time. Through January 31, 2025, the maximum note term was 4.5 years, or up to 10 years for the purchase of a primary residence. Effective February 1, 2025, the Plan was amended to change the maximum note term to 5 years, or up to 30 years for the purchase of a primary residence. The notes are secured by the vested balance in the participants' account and bear interest at the Wall Street Journal published prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) can elect to receive 100% of their account balance, payable in a single lump-sum distribution, a rollover to a qualifying retirement account, or a combination of both. Participants who have reached the age of 59½ may elect to withdraw all or a portion of their account while still employed by the Employer. Terminated participants with vested account balances equal to or less than \$7,000 may be involuntarily removed from the Plan with a lump-sum distribution.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024**

Effective February 1, 2025, the Plan was amended to allow for hardship withdrawals, subject to limitations imposed by the IRC.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants, and any Plan termination would be subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on the terms of the Plan document.

Contributions

Participant elective deferrals and Employer safe harbor matching contributions are recorded bi-weekly when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary nonelective contributions are remitted at the end of the Plan year, if applicable.

(FORMERLY CARE EVERYWHERE, LLC 401(K) PROFIT SHARING PLAN & TRUST)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024**

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid by the Employer, unless the Employer directs that such expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in three mutual funds that accounted for approximately 40% and 36% of total Plan investments at December 31, 2025 and 2024, respectively.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through August 27, 2026, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Money Market Fund: The carrying amount of the money market fund is deemed to be a reasonable estimate of fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2025 and 2024, the Plan's investments are reported at level 1 within the fair value hierarchy.

4. Income Tax Status

The Plan has adopted an ADP non-standardized pre-approved plan. The pre-approved plan obtained its latest opinion letter on October 6, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter in order to comply with the latest applicable tax laws and regulations. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Financial Data Certified by the Trustees

The following is a summary of financial information and data certified by the trustees, MATC as of December 31, 2024 and for the period January 1, 2025 through July 17, 2025 and ADP as of December 31, 2025 and for the period February 1, 2025 through December 31, 2025:

Statements of Net Assets Available for Plan Benefits at December 31, 2025 and 2024, except for participant notes receivable at December 31, 2024;

Investment income on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2025; and

Investment information provided in the supplementary schedule, Schedule of Assets (Held at Year End) at December 31, 2025.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500 and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

7. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held and managed by MATC, the trustee of the Plan and effective February 1, 2025, by ADP. Therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2025, the Plan made direct payments to ADP for recordkeeping services totaling \$1,693 and to the Plan's investment advisor for administrative fees totaling \$7,728. In addition, participant notes receivable qualify as party-in-interest transactions.

8. Non-exempt Transactions

During 2025, the Employer failed to remit participant contributions of \$46,389 and loan repayments of \$1,093 to the Plan on a timely basis as prescribed in the applicable Department of Labor Regulations 29 CFR 2510.3-102. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the Employer. The Employer remitted untimely participant contributions and loan repayments totaling \$47,482 due to the Plan during the year ended December 31, 2025. The Employer is currently working with its third-party administrator to calculate and remit any lost earnings associated with these late remittances.
