(1) Name: **FRED T. NEELY & COMPANY, PLLC**

(2) EIN: **64-0465363**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Plan Administrator and Trustees of
the Wade, Incorporated 401(k) Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wade, Incorporated 401(k) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wade, Incorporated 401(k) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Notes 3 - 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wade, Incorporated 401(k) Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wade, Incorporated 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wade, Incorporated 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wade, Incorporated 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of the Wade, Incorporated 401(k) Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. General. The Plan is a defined contribution plan covering all employees of Wade, Incorporated (the “Company”) who have attained age 21 and completed one Year of Eligibility Service, defined as a 12-month period during which the employee completes at least 1,000 Hours of Service. Eligible employees enter the Plan on the first day of the first month or the seventh month of the Plan year coincident with or next following the date the eligibility requirements are met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance. Certain administrative expenses are paid by the Company and are excluded from these financial statements; other administrative expenses are paid by the Plan or charged directly to participant accounts.

On March 5, 2025, the Company, through Reynolds Farm Equipment, LLC, acquired the operating assets of Reynolds Farm Equipment, Inc. Effective March 5, 2025, the Plan was amended to provide that employees of Reynolds Farm Equipment, LLC are eligible to participate in the Plan and that service with Reynolds Farm Equipment, Inc. is recognized for purposes of eligibility and vesting. See Note 6.

B. Contributions. Each year, participants may contribute up to 100% of pretax annual compensation as defined in the Plan subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Effective January 1, 2025, the Plan was amended to permit participants to designate all or a portion of their elective deferrals as Roth elective deferrals. Roth elective deferrals are included in matched employee contributions for purposes of the employer matching contribution. Participant contributions for the year ended December 31, 2025, include Roth elective deferrals of \$158,301. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and insurance investment contracts as investment options for participants. The Company contributes an employer matching contribution equal to 50% of a participant’s elective deferrals that do not exceed 3% of the participant’s plan compensation. The Company may also make discretionary non-elective contributions in an amount determined by the Company. Such contributions are allocated using an integrated (permitted disparity) formula based on participant compensation above and below the integration level. To share in an allocation, a participant must complete at least 1,000 Hours of Service during the plan year and be employed on the last day of the plan year. The Company made discretionary non-elective contributions of \$123,000 and \$700,000 for the years ended December 31, 2025 and 2024, respectively, which were reduced by forfeitures applied of \$23,003 and \$50,000, respectively, resulting in net discretionary contributions of \$99,997 and \$650,000.

C. Participant Accounts. Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contribution as well as allocations of the Company’s discretionary profit-sharing contribution and, (b) plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 reduced by the participant's highest outstanding loan balance during the preceding 12 months, or (b) 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.50%. The note interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.

E. Payment of Benefits. On termination of service due to death, disability or retirement, a participant whose vested account balance does not exceed \$5,000 will receive a lump-sum distribution of the value of his or her account. Vested balances greater than \$1,000 and not exceeding \$5,000 are automatically rolled over to an individual retirement account if the participant does not elect otherwise. If the vested balance exceeds \$5,000, the participant may elect either a lump-sum payment or an installment payout.

F. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's employer match and discretionary profit-sharing contribution portion of their accounts is based on years of continuous service and a 6-year graded vesting schedule as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

However, within the Plan document there is also a special vesting provision which reads as follows: "Participants formerly employed with Agri Turf, Inc. will be subject to a modified top heavy vesting schedule for employer discretionary and matching contributions on balances transferred from Agri Turf, LLC Retirement Plan: 1 year of service - 20%, 2 years of service - 40%, 3 years of service - 60%, 4 years of service - 80%, 5 years of service - 100%." All participants become 100% vested upon attainment of Normal Retirement Age (age 65) while employed, or upon termination of employment due to death or disability.

G. Forfeited Accounts. At December 31, 2025 and 2024, unallocated forfeited non-vested accounts and other unallocated amounts totaled \$130,654 and \$712,607, respectively. Amounts forfeited during the years ended December 31, 2025 and 2024 were \$16,713 and \$53,334, respectively. During the year ended December 31, 2025, forfeitures of \$23,003 were applied to reduce employer discretionary contributions and \$700,003 was allocated to participants. Forfeited accounts are reallocated to participants in the same manner as employer discretionary profit-sharing contributions.

Note 2 – Summary of Significant Accounting Policies

A. Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

C. Payment of Benefits. Benefits are recorded when paid. Amounts represented by distribution checks that have been issued but have not been negotiated are reported as distributions payable. At December 31, 2025 and 2024, distributions payable of \$4,657 and \$4,590, respectively, consisted of a single distribution check issued to a former participant that had not been negotiated. The plan administrator is following its procedures for locating missing participants with respect to this amount.

D. Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's interest in a common/collective trust is measured at the net asset value per unit reported by the trustee as a practical expedient for fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

E. Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Deemed distributions of notes receivable from participants recorded as benefit payments were \$71,990 and \$2,863 for the years ended December 31, 2025 and 2024, respectively. The 2025 amount includes \$41,581 deemed distributed during the year and \$30,409 relating to loans deemed distributed in prior periods that were removed from notes receivable in the current year. The \$30,409 relates to loans that defaulted in prior years and that remained recorded as notes receivable from participants until the current year. The effect on the financial statements of prior periods is not material, and the amount has been recorded in the year ended December 31, 2025.

F. Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2025 and 2024.

G. Expenses. Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment advisory and investment management fees paid by the Plan are included in administrative expenses. Amounts credited to the Plan's expense account are applied to pay those fees. Expenses charged within the mutual funds are reflected in the net asset values of those funds and are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

H. Date of Management's Review of Subsequent Events. Subsequent events were evaluated through August 5, 2026, which is the date the financial statements were available to be issued.

I. Rollover Contributions. Rollover contributions received from other qualified plans and individual retirement arrangements are recorded when received and are included in contributions in the statement of changes in net assets available for benefits. Participants are fully vested in their rollover accounts. Notes receivable from participants transferred to the Plan from another plan are recorded at their unpaid principal balance plus accrued but unpaid interest on the date of transfer and are presented separately in the statement of changes in net assets available for benefits.

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at the End of the Reporting Period Using:
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2025</u>		
Mutual funds	\$ 34,572,317	\$ 34,572,317
Totals assets at fair value	<u>\$ 34,572,317</u>	<u>\$ 34,572,317</u>
<u>December 31, 2024</u>		
Mutual funds	\$ 23,812,743	\$ 23,812,743
Totals assets at fair value	<u>\$ 23,812,743</u>	<u>\$ 23,812,743</u>

Investments measured at net asset value as a practical expedient are not classified in the fair value hierarchy. The following table reconciles investments measured at fair value in the hierarchy to total investments reported in the statements of net assets available for benefits:

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

	2025	2024
Total assets in the fair value hierarchy	\$ 34,572,317	\$ 23,812,743
Investments measured at net asset value	6,175,064	5,795,432
Total investments, at fair value	<u>\$ 40,747,381</u>	<u>\$ 29,608,175</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

Note 4 – Investment in Common/Collective Trust

The Plan holds an interest in the Key Guaranteed Portfolio Fund, a common/collective trust sponsored by Empower Annuity Insurance Company of America. The Plan's interest in the trust is measured at the net asset value per unit reported by the trustee, which the Plan uses as a practical expedient for fair value. The net asset value is based on the fair value of the underlying investments held by the trust less its liabilities. The Plan's interest in the trust was \$6,175,064 and \$5,795,432 at December 31, 2025 and 2024, respectively.

The trust is a stable value fund whose investment objective is the preservation of principal and the accumulation of interest. The trust credits interest at a rate determined under an agreed-upon formula, which is reset quarterly and may not be less than 0.00%.

The average yield earned by the Plan for the investment contract, derived by averaging the quarterly gross interest rates for the fund over the year, was 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively. The average yield earned by the Plan reflecting the interest rate credited to participants, derived by averaging the Plan's quarterly interest crediting rates, was also 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the trust on a daily basis at net asset value. Plan-initiated withdrawals are subject to the notice and payout provisions of the trust's governing document. There were no unfunded commitments relating to the trust at December 31, 2025 and 2024.

Note 5 – Certified Investments

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, which management determined are qualified institutions within the meaning of ERISA Section 103(a)(3)(C) and 29 CFR 2520.103-5. As permitted by ERISA Section 103(a)(3)(C), the Plan's independent auditor did not perform auditing procedures with respect to the certified investment information beyond those described in the auditor's report, which include obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the related disclosures.

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 6 – Acquisition and Related Rollover Contributions

On March 5, 2025, the Company, through Reynolds Farm Equipment, LLC, acquired the operating assets of Reynolds Farm Equipment, Inc. Effective March 5, 2025, the Plan was amended to provide that employees of Reynolds Farm Equipment, LLC are eligible to participate in the Plan and that service with Reynolds Farm Equipment, Inc. is recognized for purposes of eligibility and vesting.

In connection with the transaction, the Reynolds Farm Equipment, Inc. 401(k) Plan was terminated by its sponsor. During the year ended December 31, 2025, former participants of that plan who became employees of the Company rolled over \$6,286,913 into the Plan, and outstanding notes receivable from those participants of \$67,478 were transferred to the Plan. Rollover contributions are presented within contributions, and the transferred notes receivable are presented separately in the statement of changes in net assets available for benefits.

Note 7 – Related Party Transactions and Party-in-Interest Transactions

The Plan holds an investment contract issued by Empower Annuity Insurance Company of America, which, with Empower Trust Company, LLC, also provides recordkeeping and custodial services to the Plan. Accordingly, transactions in the contract qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions but are exempt from the prohibited transaction rules of ERISA.

The Plan also receives investment advisory services from Magnolia Capital Advisors, LLC and third-party administration services from Azalea Administration, LLC. Each is a party-in-interest as defined by ERISA. For the year ended December 31, 2025, the Plan paid \$7,603 to Empower Advisory Group for investment management services, which is included in administrative expenses. Magnolia Capital Advisors, LLC received \$83,250, funded from revenue sharing credited to the Plan's expense account, and Azalea Administration, LLC received \$10,000 of indirect compensation in connection with services to the Plan. These transactions are exempt from the prohibited transaction rules under ERISA Section 408(b)(2) as reasonable arrangements for necessary services.

Empower provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Empower. The Plan pays an investment advisory fee to Magnolia Capital Advisors, LLC calculated at an annual rate of 0.25% of plan assets. The fee is charged against plan assets monthly, credited to the Plan's expense account and remitted to the adviser. For the year ended December 31, 2025, the fee was \$83,250.

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the MSA, Empower remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During the year ended December 31, 2025, \$83,250 was credited to the Plan's expense account and was applied in full to pay investment advisory fees to Magnolia Capital Advisors, LLC. The expense account had no balance at December 31, 2025 or 2024. No amounts were allocated to the accounts of participants. The Plan or Plan Sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 9 – Tax Status

The Plan uses a pre-approved plan document sponsored by CCH Incorporated. The Internal Revenue Service issued an opinion letter dated June 30, 2020, serial number Q703912a, stating that the form of the pre-approved plan document is acceptable under Section 401 of the Internal Revenue Code. The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC; therefore, the plan administrator believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. At December 31, 2025 and 2024, approximately 15% and 19%, respectively, of the Plan's net assets available for benefits were invested in a single common/collective trust sponsored by one insurance company. The trust's ability to pay amounts due depends on the financial condition of the sponsor and on the terms of the trust's governing document. Amounts held in the trust are not guaranteed by the Plan, the Company or any government agency.

Independent Auditor's Report

To the Plan Administrator and Trustees of
the Wade, Incorporated 401(k) Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wade, Incorporated 401(k) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wade, Incorporated 401(k) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Notes 3 - 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wade, Incorporated 401(k) Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wade, Incorporated 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wade, Incorporated 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wade, Incorporated 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 1 – Description of Plan

The following description of the Wade, Incorporated 401(k) Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. General. The Plan is a defined contribution plan covering all employees of Wade, Incorporated (the “Company”) who have attained age 21 and completed one Year of Eligibility Service, defined as a 12-month period during which the employee completes at least 1,000 Hours of Service. Eligible employees enter the Plan on the first day of the first month or the seventh month of the Plan year coincident with or next following the date the eligibility requirements are met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance. Certain administrative expenses are paid by the Company and are excluded from these financial statements; other administrative expenses are paid by the Plan or charged directly to participant accounts.

On March 5, 2025, the Company, through Reynolds Farm Equipment, LLC, acquired the operating assets of Reynolds Farm Equipment, Inc. Effective March 5, 2025, the Plan was amended to provide that employees of Reynolds Farm Equipment, LLC are eligible to participate in the Plan and that service with Reynolds Farm Equipment, Inc. is recognized for purposes of eligibility and vesting. See Note 6.

B. Contributions. Each year, participants may contribute up to 100% of pretax annual compensation as defined in the Plan subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Effective January 1, 2025, the Plan was amended to permit participants to designate all or a portion of their elective deferrals as Roth elective deferrals. Roth elective deferrals are included in matched employee contributions for purposes of the employer matching contribution. Participant contributions for the year ended December 31, 2025, include Roth elective deferrals of \$158,301. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and insurance investment contracts as investment options for participants. The Company contributes an employer matching contribution equal to 50% of a participant’s elective deferrals that do not exceed 3% of the participant’s plan compensation. The Company may also make discretionary non-elective contributions in an amount determined by the Company. Such contributions are allocated using an integrated (permitted disparity) formula based on participant compensation above and below the integration level. To share in an allocation, a participant must complete at least 1,000 Hours of Service during the plan year and be employed on the last day of the plan year. The Company made discretionary non-elective contributions of \$123,000 and \$700,000 for the years ended December 31, 2025 and 2024, respectively, which were reduced by forfeitures applied of \$23,003 and \$50,000, respectively, resulting in net discretionary contributions of \$99,997 and \$650,000.

C. Participant Accounts. Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contribution as well as allocations of the Company’s discretionary profit-sharing contribution and, (b) plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 reduced by the participant's highest outstanding loan balance during the preceding 12 months, or (b) 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.50%. The note interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.

E. Payment of Benefits. On termination of service due to death, disability or retirement, a participant whose vested account balance does not exceed \$5,000 will receive a lump-sum distribution of the value of his or her account. Vested balances greater than \$1,000 and not exceeding \$5,000 are automatically rolled over to an individual retirement account if the participant does not elect otherwise. If the vested balance exceeds \$5,000, the participant may elect either a lump-sum payment or an installment payout.

F. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's employer match and discretionary profit-sharing contribution portion of their accounts is based on years of continuous service and a 6-year graded vesting schedule as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

However, within the Plan document there is also a special vesting provision which reads as follows: "Participants formerly employed with Agri Turf, Inc. will be subject to a modified top heavy vesting schedule for employer discretionary and matching contributions on balances transferred from Agri Turf, LLC Retirement Plan: 1 year of service - 20%, 2 years of service - 40%, 3 years of service - 60%, 4 years of service - 80%, 5 years of service - 100%." All participants become 100% vested upon attainment of Normal Retirement Age (age 65) while employed, or upon termination of employment due to death or disability.

G. Forfeited Accounts. At December 31, 2025 and 2024, unallocated forfeited non-vested accounts and other unallocated amounts totaled \$130,654 and \$712,607, respectively. Amounts forfeited during the years ended December 31, 2025 and 2024 were \$16,713 and \$53,334, respectively. During the year ended December 31, 2025, forfeitures of \$23,003 were applied to reduce employer discretionary contributions and \$700,003 was allocated to participants. Forfeited accounts are reallocated to participants in the same manner as employer discretionary profit-sharing contributions.

Note 2 – Summary of Significant Accounting Policies

A. Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

C. Payment of Benefits. Benefits are recorded when paid. Amounts represented by distribution checks that have been issued but have not been negotiated are reported as distributions payable. At December 31, 2025 and 2024, distributions payable of \$4,657 and \$4,590, respectively, consisted of a single distribution check issued to a former participant that had not been negotiated. The plan administrator is following its procedures for locating missing participants with respect to this amount.

D. Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's interest in a common/collective trust is measured at the net asset value per unit reported by the trustee as a practical expedient for fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

E. Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Deemed distributions of notes receivable from participants recorded as benefit payments were \$71,990 and \$2,863 for the years ended December 31, 2025 and 2024, respectively. The 2025 amount includes \$41,581 deemed distributed during the year and \$30,409 relating to loans deemed distributed in prior periods that were removed from notes receivable in the current year. The \$30,409 relates to loans that defaulted in prior years and that remained recorded as notes receivable from participants until the current year. The effect on the financial statements of prior periods is not material, and the amount has been recorded in the year ended December 31, 2025.

F. Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2025 and 2024.

G. Expenses. Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment advisory and investment management fees paid by the Plan are included in administrative expenses. Amounts credited to the Plan's expense account are applied to pay those fees. Expenses charged within the mutual funds are reflected in the net asset values of those funds and are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

H. Date of Management's Review of Subsequent Events. Subsequent events were evaluated through August 5, 2026, which is the date the financial statements were available to be issued.

I. Rollover Contributions. Rollover contributions received from other qualified plans and individual retirement arrangements are recorded when received and are included in contributions in the statement of changes in net assets available for benefits. Participants are fully vested in their rollover accounts. Notes receivable from participants transferred to the Plan from another plan are recorded at their unpaid principal balance plus accrued but unpaid interest on the date of transfer and are presented separately in the statement of changes in net assets available for benefits.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at the End of the Reporting Period Using:
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2025</u>		
Mutual funds	\$ 34,572,317	\$ 34,572,317
Totals assets at fair value	<u>\$ 34,572,317</u>	<u>\$ 34,572,317</u>
<u>December 31, 2024</u>		
Mutual funds	\$ 23,812,743	\$ 23,812,743
Totals assets at fair value	<u>\$ 23,812,743</u>	<u>\$ 23,812,743</u>

Investments measured at net asset value as a practical expedient are not classified in the fair value hierarchy. The following table reconciles investments measured at fair value in the hierarchy to total investments reported in the statements of net assets available for benefits:

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

	2025	2024
Total assets in the fair value hierarchy	\$ 34,572,317	\$ 23,812,743
Investments measured at net asset value	6,175,064	5,795,432
Total investments, at fair value	<u>\$ 40,747,381</u>	<u>\$ 29,608,175</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

Note 4 – Investment in Common/Collective Trust

The Plan holds an interest in the Key Guaranteed Portfolio Fund, a common/collective trust sponsored by Empower Annuity Insurance Company of America. The Plan's interest in the trust is measured at the net asset value per unit reported by the trustee, which the Plan uses as a practical expedient for fair value. The net asset value is based on the fair value of the underlying investments held by the trust less its liabilities. The Plan's interest in the trust was \$6,175,064 and \$5,795,432 at December 31, 2025 and 2024, respectively.

The trust is a stable value fund whose investment objective is the preservation of principal and the accumulation of interest. The trust credits interest at a rate determined under an agreed-upon formula, which is reset quarterly and may not be less than 0.00%.

The average yield earned by the Plan for the investment contract, derived by averaging the quarterly gross interest rates for the fund over the year, was 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively. The average yield earned by the Plan reflecting the interest rate credited to participants, derived by averaging the Plan's quarterly interest crediting rates, was also 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the trust on a daily basis at net asset value. Plan-initiated withdrawals are subject to the notice and payout provisions of the trust's governing document. There were no unfunded commitments relating to the trust at December 31, 2025 and 2024.

Note 5 – Certified Investments

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, which management determined are qualified institutions within the meaning of ERISA Section 103(a)(3)(C) and 29 CFR 2520.103-5. As permitted by ERISA Section 103(a)(3)(C), the Plan's independent auditor did not perform auditing procedures with respect to the certified investment information beyond those described in the auditor's report, which include obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the related disclosures.

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 6 – Acquisition and Related Rollover Contributions

On March 5, 2025, the Company, through Reynolds Farm Equipment, LLC, acquired the operating assets of Reynolds Farm Equipment, Inc. Effective March 5, 2025, the Plan was amended to provide that employees of Reynolds Farm Equipment, LLC are eligible to participate in the Plan and that service with Reynolds Farm Equipment, Inc. is recognized for purposes of eligibility and vesting.

In connection with the transaction, the Reynolds Farm Equipment, Inc. 401(k) Plan was terminated by its sponsor. During the year ended December 31, 2025, former participants of that plan who became employees of the Company rolled over \$6,286,913 into the Plan, and outstanding notes receivable from those participants of \$67,478 were transferred to the Plan. Rollover contributions are presented within contributions, and the transferred notes receivable are presented separately in the statement of changes in net assets available for benefits.

Note 7 – Related Party Transactions and Party-in-Interest Transactions

The Plan holds an investment contract issued by Empower Annuity Insurance Company of America, which, with Empower Trust Company, LLC, also provides recordkeeping and custodial services to the Plan. Accordingly, transactions in the contract qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions but are exempt from the prohibited transaction rules of ERISA.

The Plan also receives investment advisory services from Magnolia Capital Advisors, LLC and third-party administration services from Azalea Administration, LLC. Each is a party-in-interest as defined by ERISA. For the year ended December 31, 2025, the Plan paid \$7,603 to Empower Advisory Group for investment management services, which is included in administrative expenses. Magnolia Capital Advisors, LLC received \$83,250, funded from revenue sharing credited to the Plan's expense account, and Azalea Administration, LLC received \$10,000 of indirect compensation in connection with services to the Plan. These transactions are exempt from the prohibited transaction rules under ERISA Section 408(b)(2) as reasonable arrangements for necessary services.

Empower provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Empower. The Plan pays an investment advisory fee to Magnolia Capital Advisors, LLC calculated at an annual rate of 0.25% of plan assets. The fee is charged against plan assets monthly, credited to the Plan's expense account and remitted to the adviser. For the year ended December 31, 2025, the fee was \$83,250.

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the MSA, Empower remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During the year ended December 31, 2025, \$83,250 was credited to the Plan's expense account and was applied in full to pay investment advisory fees to Magnolia Capital Advisors, LLC. The expense account had no balance at December 31, 2025 or 2024. No amounts were allocated to the accounts of participants. The Plan or Plan Sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Wade, Incorporated 401(k) Salary Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024 and for the Year Ended December 31, 2025

Note 9 – Tax Status

The Plan uses a pre-approved plan document sponsored by CCH Incorporated. The Internal Revenue Service issued an opinion letter dated June 30, 2020, serial number Q703912a, stating that the form of the pre-approved plan document is acceptable under Section 401 of the Internal Revenue Code. The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC; therefore, the plan administrator believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. At December 31, 2025 and 2024, approximately 15% and 19%, respectively, of the Plan's net assets available for benefits were invested in a single common/collective trust sponsored by one insurance company. The trust's ability to pay amounts due depends on the financial condition of the sponsor and on the terms of the trust's governing document. Amounts held in the trust are not guaranteed by the Plan, the Company or any government agency.
