Unifund 401(k) Savings Plan

**Financial Statements
With Supplementary Information
Years Ended 2025 and 2024
With Independent Auditors' Report**

Independent Auditors' Report

To the Plan Administrator of the
Unifund 401(k) Savings Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Unifund 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Unifund 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BARNES DENNIG

Independent Auditors' Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Unifund 401(k) Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Unifund 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Unifund 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Unifund 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNIFUND 401(K) SAVINGS PLAN

Notes to Financial Statements

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Unifund 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established on October 1, 2000, is a defined contribution plan covering substantially all employees of Unifund CCR Partners (the "Company"), excluding employees covered by a collective bargaining agreement, nonresident aliens, Co-op students, and interns. Employees become eligible upon reaching age 18 and completing three months of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated on April 1, 2019. The Plan was restated on April 27, 2021.

Contributions

A participant may contribute up to 75% of eligible compensation on either a pre-tax or Roth after-tax basis. The Plan was amended effective April 1, 2019, increasing the deferral limit from 75% to 100%. Contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$23,500 at December 31, 2025). For 2025, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$7,500 for employees aged 50 and over. Additionally, participants who have attained the age 60 to 63 before the end of the plan year are eligible to make catch-up contributions up to \$11,250. The Company makes safe harbor employer matching contributions equal to 100% of the first 4% of eligible compensation a participant contributes to the Plan. Effective April 1, 2019, the Plan added an auto enrollment feature for participants who become eligible on or after the effective date. The auto enrollment is 4%.

The participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds on a pre-tax basis or Roth after-tax basis. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year. A participant may change the amount of his or her elective deferred contributions anytime.

Rollover Contributions

Participants may rollover to the Plan a distribution they receive from an eligible retirement plan if the distribution qualifies as a rollover amount under the Internal Revenue Service.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is calculated daily based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are vested immediately in their rollover contributions, pre-tax contributions, Roth after-tax contributions and employer safe harbor matching contributions, plus actual earnings thereon. As a result, unallocated forfeitures are \$11 and \$19 at both December 31, 2025 and 2024, respectively. For 2025, \$-0- was used to reduce employer contributions.

Payment of Benefits

Upon a participant's retirement, death, disability, termination of employment with the Company, or termination of the Plan, the participant's account is eligible for distribution in a lump sum or periodic installment payments. If a participant's vested interest is \$5,000 or less, distributions are paid in the form of a lump sum and the payment can be involuntarily distributed, payable as soon as administratively feasible.

In-service distributions are permissible from all vested account balances for participants that have attained the age 59 ½, except to the extent a loan is secured thereby.

In conditions of financial hardship, a participant may apply to the Plan administrator for approval to withdraw the portion of their elective deferrals and the vested portion of their match or profit sharing accounts necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

Administrative Expenses

Certain plan expenses are paid by the Company and accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and may not exceed the lesser of \$50,000 reduced by the participant's highest outstanding loan balance during the previous 12 months or one-half of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions or other reasonable means acceptable by the Plan administrator. Participants are permitted to have up to three loans at any time. Original loan terms must be less than five years unless the loan is for the purchase of a primary residence.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value and are valued daily. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. The cost of investments sold is computed on an average cost basis for all realized gains and losses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events

The Company has evaluated subsequent events through August 31, 2026 which is the date these financial statements were available to be issued.

UNIFUND 401(K) SAVINGS PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at the closing price reported on the active market on which the individual securities within the self-directed brokerage accounts are traded.

Common/collective trust fund: Valued based on the NAV of units of a collective trust as published by the trustee. Investments in the common/collective trust funds have immediate redemption frequency and no redemption notice period. Additionally, there are no unfunded commitments in the common/collective trust fund. Certain events may limit the ability of the Plan to transact with participants at fair value of the collective trust, including targeted layoffs, bankruptcy resulting in employee job loss, reorganizations, spin-offs, and plan terminations. The fund believes it is highly unlikely that any even would occur that would limit the fund's ability to transact at contract value with each issuer under these events.

UNIFUND 401(K) SAVINGS PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Description	12/31/2025	Level 1	Level 2	Level 3
Assets				
Mutual funds	\$ 11,464,514	\$ 11,464,514	\$ -	\$ -

Common/collective trust fund	48,295	-	48,295	-
Total investments at fair value	<u>\$ 12,077,016</u>	<u>\$ 12,028,721</u>	<u>\$ 48,295</u>	<u>\$ -</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Description	12/31/2024	Level 1	Level 2	Level 3
Assets				
Mutual funds	\$ 11,924,858	\$ 11,924,858	\$ -	\$ -
Self-directed brokerage accounts	494,165	494,165	-	-
Common/collective trust fund	50,533	-	50,533	-
Total investments at fair value	<u>\$ 12,469,556</u>	<u>\$ 12,419,023</u>	<u>\$ 50,533</u>	<u>\$ -</u>

NOTE 4 TAX STATUS

The Plan has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service ("IRS") dated November 14, 2022. The letter states the providers' prototype, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
