INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Landoll Corporation Employee Health Care Plan
Marysville, Kansas

Opinion

We have audited the financial statements of Landoll Corporation Employee Health Care Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of November 30, 2025 and 2024, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) of the Plan as of November 30, 2025 and 2024, and the changes in net assets available for benefits (modified cash basis) for the years then ended in accordance with the modified cash basis of accounting described in note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

INDEPENDENT AUDITORS' REPORT

(Continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT

(Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplementary Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of assets (held at end of year) as of November 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Landoll Corporation Employee Health Care Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan, established as of December 1, 1994, provides health and other benefits to eligible employees of Landoll Corporation (the Company) and covered dependents. An eligible employee includes any person who is actively at work for the Company and is regularly scheduled to work at least 30 hours per week. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Benefits The Plan provides hospitalization, medical, short and long-term disability, dental benefits, and life insurance to eligible participants and their covered dependents. A participant may also contribute specified amounts determined by the Company to extend coverage to eligible dependents. Participants may also elect additional life insurance for an additional cost to the employee. Terminated employees, or their qualified beneficiaries, may elect to continue hospitalization, medical, and dental coverage under the *Consolidated Omnibus Budget Reconciliation Act of 1985* (COBRA) by paying required timely premiums.

Contributions In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Payment of Benefits The third-party claims processor processes medical, dental, and vision claims for benefits on behalf of the trustees, and disburses claim payments that are determined to be due to the person or assignee entitled thereto in accordance with provisions of the Plan. The Plan pays the third-party claims processor an administrative fee for these services based on the number of enrolled employees. Life insurance and disability benefits are paid completely by United of Omaha Life Insurance Company.

Trustees Three trustees are the fiduciaries of the Plan, with full authority to control and manage the operation and administration of the Plan.

Plan Termination The Company may amend or terminate the Plan at any time subject to the provisions of the Plan and ERISA. No amendment or termination may discontinue or curtail the benefits that have accrued to any participant or beneficiary prior to the adoption of such amendment or termination. Upon termination of the Plan, all funds of the Plan shall be used to pay all benefits accrued under the Plan and to pay additional benefits for participants as determined by the Plan administrator. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Stop-Loss Coverage The Plan has entered into a stop-loss insurance agreement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The accounting records of the Plan are maintained on a modified cash basis of accounting. Under this basis, revenues are recognized when received rather than when earned, and expenses generally are recognized when paid rather than when incurred. However, certain receivables, including Company funding and related employee payroll deductions, are recognized when earned. Accordingly, the accompanying financial statements are not intended to present the financial position and results of operations in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates The preparation of financial statements in conformity with the modified cash basis of accounting, requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits Premiums paid by either the Company or the trust are recorded as premiums paid in the accompanying statements of changes in net assets available for benefits. Claims payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claim administrators in the accompanying statements of net assets available for benefits. There were no amounts due to claims processors at November 30, 2025 and 2024.

Expenses The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan and are excluded from these financial statements.

Stop-Loss Coverage Premiums for stop-loss insurance are included in premiums paid in the accompanying statements of changes in net assets available for benefits. For the years ended November 30, 2025 and 2024, the Plan received no stop-loss reimbursements.

Rebates Rebates are recorded as received by the Plan and are presented as a reduction of premiums paid.

Evaluation of Subsequent Events The Plan has evaluated subsequent events through September 10, 2026, the date the financial statements were available to be issued.

3. BENEFIT OBLIGATIONS

Plan benefit obligations for health claims incurred but not reported are estimated by the Plan's third-party claims processor based on historic claims experience and actual claims reported subsequent to the Plan's year-end.

The Plan's benefit obligations consist of amounts currently payable for health claims incurred but not reported for both active employees and separated employees who are participating through COBRA. The obligations will be funded by future participants, Company contributions, and stop-loss reimbursements.

The following table presents the components of the Plan's benefit obligations:

November 30	2025	2024
Benefit Obligations		
Claims payable	\$ 702,820	\$ 502,368
Claims incurred but not reported	1,116,035	1,300,515
Total Benefit Obligations	\$ 1,818,855	\$ 1,802,883

The following table presents the related changes in the Plan's benefit obligations:

Years Ended November 30	2025	2024
Benefit Obligations - Beginning of Year	\$ 1,802,883	\$ 2,170,423
Claims incurred	9,278,217	8,010,647
Claims paid - net	(9,262,245)	(8,378,187)
Benefit Obligations - End of Year	\$ 1,818,855	\$ 1,802,883

4. PARTY-IN-INTEREST TRANSACTIONS

As described in notes 1 and 2, the Plan has arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

5. TAX STATUS

The trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated August 17, 1995, stating that the trust was tax exempt under the provisions of Section 501(c)(9) of the *Internal Revenue Code* (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 and 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is operating in compliance with the applicable requirements of the IRC. Therefore, they believe that the related trust is tax exempt.

6. RISKS AND UNCERTAINTIES

The benefit obligations are reported based on certain assumptions pertaining to interest rates, health care inflation rates, claims experience, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

7. SUBSEQUENT EVENT

Effective January 1, 2026, the Plan switched from MedImpact to Oread as pharmacy benefit manager.
