INDEPENDENT AUDITOR'S REPORT

The Board of Directors
J.D. Eckman, Inc.
Employee Benefit Welfare Plan and Trust

Opinion

We have audited the financial statements of the J.D. Eckman, Inc. Employee Benefit Welfare Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of benefit obligations for the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter - Supplemental Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information, noted in the table of contents, as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

J.D. ECKMAN, INC.
EMPLOYEE BENEFIT WELFARE PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the J.D. Eckman, Inc. (Plan Sponsor) Employee Benefit Welfare Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

General

The Plan provides health and other benefits to eligible employees of the Plan Sponsor. Salaried employees are eligible to participate in the Plan on the first day of the month following completion of 30 days of service, as defined by the Plan. Hourly employees are eligible to participate in the Plan on the first day of the month after completing a one-month waiting period that follows the first month of full-time employment, as defined by the Plan.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits

The Plan provides health benefits (medical, dental, vision and prescription drugs), life insurance, short-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan fully insures the vision, life insurance, short-term disability benefits, and accidental death and dismemberment benefits. The Plan Sponsor purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits for hourly employees are paid from the assets of the VEBA trust and for salaried employees are paid from the general assets of the Plan Sponsor.

Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-insured Benefits

All other Plan benefits are self-insured. The claims for self-insured benefits (medical, dental, and prescription drugs) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Plan Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

The Plan Sponsor makes contributions to the Plan as needed to fund claims and pay expenses in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor on a pay-as-you-go basis.

Participant contributions to the Plan are limited to COBRA benefits and wellness benefit charges. The Plan Sponsor makes contributions to the Plan for hourly employees based on a rate per hour worked from prevailing wage fringe benefits. The Plan Sponsor pays the full cost of benefits for salaried employees. Copayments and deductibles are paid directly by the Plan participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement

date. The Benefits Committee determines the Plan's valuation policies and procedures and reports to the Plan Sponsor's Board of Directors. See note 4 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

Payment of Benefits

Premiums paid by either the Plan Sponsor or the VEBA trust are recorded as insurance premiums paid in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Stop Loss

Premiums for stop loss insurance are included in insurance premiums paid in the accompanying statements of changes in net assets available for benefits. Stop loss refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Stop loss refunds totaling $947,342 and $599,062 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Pharmacy rebates due as of the financial statement date have been reported as a receivable with the offset being netted against claims paid. Pharmacy rebates totaling $888,134 and $515,573 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

Subsequent Events

Management has evaluated subsequent events through September 9, 2026, the date the financial statements were available to be issued.

3. CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31, 2025 and 2024, for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles, and the Plan Sponsor based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interest-bearing cash – Valued at cost, which approximates fair value, and classified within Level 1 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

Investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 1,488,281	$ -	$ -	$ 1,488,281
Investments at fair value	$ 1,488,281	$ -	$ -	$ 1,488,281

Investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 2,203,293	$ -	$ -	$ 2,203,293
Investments at fair value	$ 2,203,293	$ -	$ -	$ 2,203,293

5. ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, legal counsel, and its broker. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses.

6. TAX STATUS

The VEBA trust, funding certain benefits of the Plan, received an exemption letter from the Internal Revenue Service (IRS) dated July 17, 2017, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 or 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to modify the benefits provided to participants, the right to modify the contributions required of participants, the right to discontinue its contributions, and the right to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

8. PARTY IN INTEREST TRANSACTIONS

The Plan has several arrangements with service providers as described in Notes 1 and 5. During the years ended December 31, 2025 and 2024, the Plan's interest-bearing cash was held by M&T Bank, the custodian of the Plan. These transactions are party in interest transactions under ERISA.

9. RISKS AND UNCERTAINTIES

The Plan maintains cash balances at financial institutions. The cash balances are secured by the Federal Deposit Insurance Corporation (FDIC) up to applicable FDIC limits. At times, the Plan's deposits may exceed insured limits.

The Plan Sponsor's estimate of benefit obligations is subject to certain assumptions that are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Schedule H of the Form 5500:
