## Report of Independent Auditors

Senior Vice President, Global Total Rewards, Walmart Inc. and  
Walmart Inc. Associates' Health and Welfare Plan

### **Opinion**

We have audited the financial statements of Walmart Inc. Associates' Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

**Shape the future  
with confidence**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Shape the future  
with confidence**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of reportable transactions for the year ended December 31, 2025 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**Walmart Inc.**  
**Associates' Health and Welfare Plan**  
**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**1. Description of the Plan**

Walmart Inc. ("Walmart" or the "Company") sponsors the Walmart Inc. Associates' Health and Welfare Plan (the "Plan"). The following description provides only general information. Participants should refer to the Walmart Associate Benefits Book for a more complete description of the Plan's provisions.

**General**

The Plan provides health and other benefits covering qualified full-time and part-time associates of the Company, as well as former associates under the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). The Plan provides that qualifying associates may elect to extend certain benefits to their spouse, domestic partner and eligible dependents. The Plan does not provide benefits to retirees.

All assets of the Plan are held by the Walmart Inc. Associates' Health and Welfare Trust (the "Trust"). The Plan and Trust are administered by the Senior Vice President, Global Total Rewards or successor title. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

**Cash**

The Plan maintains bank deposits in a commercial bank account with a financial institution, which at times was in excess of the Federal Deposit Insurance Corporation's insured limits. This bank account held noninterest bearing cash. Plan management periodically reviewed the soundness of the financial institution and believed that these deposits were not exposed to any significant credit risk.

**Contributions**

Associates electing participation in the Plan are required to contribute specified amounts to the Plan for most benefits. Those amounts are determined annually by the Company. Associates may be able to extend coverage to their spouse, domestic partner and eligible dependents by making additional contributions as specified by the Plan. The Company makes contributions to the Plan as payments in excess of participants' contributions for its self-insured benefits, which are medical, dental and short-term disability. The Company contributes specified amounts at a pre-determined rate per participant for other fully-insured benefits. The Plan expects any excess of benefit obligations over net assets available for benefits to be funded by future Company and participant contributions.

**Associates' Health and Welfare Plan**  
**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**1. Description of the Plan (continued)**

**Benefits and Insurance**

The Plan primarily provides health benefits (hospital, surgical, major medical, prescription and accident), dental benefits, basic and enhanced short-term disability benefits and employee assistance and wellness benefits to eligible associates. The Company purchases annual insured benefit contracts for long-term disability benefits, accidental death and dismemberment benefits, supplemental (critical illness and accident) insurance benefits, vision insurance, basic company paid life insurance, spouse, dependent, associate optional life insurance and business travel accident insurance benefits.

**Healthcare Reimbursement Accounts**

The Plan's self-insured medical coverage includes a Healthcare Reimbursement Account ("HRA") benefit. HRA balances are credited based on the participation level of eligible associates in the Plan. These benefits are funded solely through Company contributions at the time claims are paid for eligible medical expenses. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specific ceiling. Accordingly, this balance is not included in the Plan's net assets available for benefits or the Plan's benefit obligation. The accumulated balance of unused HRA amounts was approximately \$9 million and \$11 million as of December 31, 2025 and 2024, respectively. The Company is not permitted to refund any part of the balance to the associate; the account cannot be used for anything other than reimbursements for qualified medical expenses.

**Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits to active associates, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a termination, the Company shall direct the disposition of the Plan's assets, which may include transfer of such assets to another associate benefit plan or trust maintained by the Company.

**2. Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting. Benefits and premiums paid to insurance companies are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**2. Significant Accounting Policies (continued)**

**Deposits and Prepaids**

Deposits consist of deposits held by third-party administrators. Prepaids consist of a surplus claim reserve that is expected to be returned to the Plan at the end of a contract.

Funding of claims for certain insurance contracts is based on an experience rating. This allows for surplus experience rating balances to be returned to the Plan periodically, or to offset future premiums. Increases to or reductions in the surplus are recorded as a reduction to or an increase in premiums paid to insurance companies.

The Plan is required to maintain deposit balances with certain claims administrators and Health Maintenance Organizations ("HMOs"). Upon termination of the service agreement with claims administrators or HMOs, the deposits will be returned to the Plan and will be used to reimburse the claims administrators for the final claims paid, or to pay the HMOs for the final periodic insurance premiums.

**Contributions**

Participant contributions are recorded in the year the related associate compensation is earned, or in the case of associates on an unpaid leave of absence and former associates, when payments are due to the Plan. The Plan is funded as needed by the Company.

**Benefit Obligations**

Health, dental and short-term disability claims incurred but not yet reported are estimated by the Plan based on the most current historical claims experience and are supported by actuarial estimates. The claims incurred but not yet reported obligation has not been discounted due to the short-term nature of the obligation. Benefits payable represent claims that have been processed and approved for payment, but not yet paid at year-end. Premiums payable to insurance companies represent payments due as of December 31, but not paid at year-end; coverage is not interrupted due to unpaid premiums at year-end.

Accumulated post-employment benefits represent estimated future benefits attributed to terminated plan participants' services rendered as of December 31, who have elected COBRA, less the estimated amount of expected contributions based on the most current historical claims experience and are supported by actuarial estimates. The benefit obligation has not been discounted due to the short-term nature of the obligation.

**Benefit Payments and Premiums**

The Plan is self-insured for health, dental and short-term disability benefits. Benefits paid for the

self-insured portion are reflected in the statement of changes in net assets available for benefits as benefits paid. The benefit payments related to health and dental are paid to claims administrators and short-term disability payments are paid directly to participants. Certain Plan benefits, including some health benefits, are provided by insurance companies. The premiums for these insurance policies are reflected in the statement of changes in net assets available for benefits as premiums paid to insurance companies.

**Rebates**

Rebates from prescription drug programs, administered by the Plan's Pharmacy Benefits Manager, are recorded when earned from the provider and netted with benefit payments made to claims administrators. Rebates that have been earned but not yet received have been reported as a receivable as of December 31, 2025 and 2024.

**Administrative Expenses**

The Plan pays administrative expenses, which consist primarily of administrative fees paid for regulatory compliance, to third-party administrators for claims processing. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan and are reported on the statement of changes in net assets available for benefits as administrative expenses.

Accrued administrative expenses include claims processing fees invoiced but not paid to claims service administrators at year-end under an administrative service contract or applicable amendment and transitional reinsurance contributions for the Affordable Care Act.

**Risks and Uncertainties**

Plan contributions are made, and benefit obligations are reported, based on certain assumptions, all of which are subject to change. Due to uncertainties inherent in the estimation and assumptions processes, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported and disclosed in the financial statements.

**3. Investments and Fair Value Measurements**

The Plan records and discloses financial assets and liabilities at their fair value. The balances of non-financial assets and liabilities approximate fair value. The fair value of an asset is the price at which the asset could be sold in an ordinary transaction between unrelated, knowledgeable and willing parties able to engage in the transaction. A liability's fair value is defined as the amount that

**3. Investments and Fair Value Measurements (continued)**

would be paid to transfer the liability to a new obligor in a transaction between such parties, not the amount that would be paid to settle the liability with the creditor. Assets and liabilities recorded at fair value are measured using the fair value hierarchy, which prioritizes the inputs used in measuring fair value.

The levels of the fair value hierarchy are:

- a. Level 1: observable inputs such as quoted prices in active markets;
- b. Level 2: inputs other than quoted prices in active markets that are either directly or indirectly observable; and
- c. Level 3: unobservable inputs for which little or no market data exists, therefore requiring the Plan to develop its own assumptions.

During the years ended December 31, 2025 and 2024, the Plan held short-term investments consisting of time deposits. Purchases and sales are recorded on a trade-date basis. These deposits were held with one financial institution. The Plan monitors credit risk through established approval procedures and an annual review of the financial institution's credit rating. There were no investments held as of December 31, 2025 or 2024.

**4. Benefit Obligations**

The Plan benefit obligations are summarized in the following table as of December 31:

|                                                                                                | 2025                  | 2024                  |

**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**5. Related Party and Party-in-Interest Transactions**

For the year ended December 31, 2025, the Company did not charge the Plan for enrollment and claims processing services provided by the Company. There are no accrued amounts for Company administrative expenses included in accrued administrative expenses. The Plan has several arrangements with service providers. The transactions with these service providers qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

**6. Income Taxes**

The Trust funding the Plan has received an exemption letter from the Internal Revenue Service (the "IRS") dated September 29, 1983, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (the "Code") as a Voluntary Employee Beneficiary Association. However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income. The Plan and Trust are required to operate in conformity with the Code to maintain the tax-exempt status of the Trust. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related Trust is tax-exempt.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Plan management and the Plan administrator have analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:
