Independent Auditors' Report

To the Participants and Plan Administrator
Penton Media, Inc. Retirement Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Penton Media, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 30, 2025 (in liquidation) and 2024, and the related statements of changes in net assets available for benefits for the years ended November 30, 2025 (in liquidation) and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of November 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, in March 2025, Informa Media LLC, the plan sponsor, finalized its intent to terminate the Plan effective November 30, 2024, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of November 30, 2025 and the supplemental schedules of reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PENTON MEDIA, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Penton Media, Inc. Retirement Plan (the "Plan") is provided for general information only. Information about the Plan agreement, the vesting, and benefit provisions are contained in the Plan document. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined benefit plan administered by Informa Media LLC ("Informa" or the "Company"), that covers certain employees of the Company, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In December 2003, the Plan was amended to cease the accrual of any benefits under the Plan after December 31, 2003. Accordingly, any employee hired after that date was not eligible to participate in the Plan. After December 31, 2003, any earnings, covered compensation, and annualized covered compensation earned or paid was not taken into account for purposes of determining the amount of a participant's benefit payable under the Plan. However, after December 31, 2003, subsequent years of service were considered in order to determine a participant's vesting status or eligibility for early retirement. The benefit accruals in the frozen plan were payable to participants when they qualified for retirement. In May 2024, the termination of the Plan was approved by Informa to be effective November 30, 2024. Management noted that liquidation was not considered imminent until March 2025 when the Company notified the Pension Benefit Guaranty Corporation ("PBGC") of its intentions to terminate and liquidate. The Company's expectation is that the Plan will be fully liquidated in 2026.

Benefits and Vesting

The Plan provides for a career average pension which is payable to vested participants upon retirement, death, or disability or, in a reduced amount, upon early retirement.

Employees are considered vested in the Plan if they have five years of vesting service (working a minimum of 1,000 hours per year) or reach age 65 while working for Informa. The normal retirement age under the Plan is age 65. The Plan permits early retirement at ages 55-64 with ten years of service.

Vested participants can elect to receive benefits under an annuity arrangement or elect to receive such benefits in a lump-sum.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

As a result of the Plan termination described in Note 1, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements in accordance with the accounting principles generally accepted in the United States of America. Certain accruals relating to the income to be received by the Plan through the date of liquidation have not been recorded, as such amounts are not reasonably determinable at this time. Benefits to participants are recorded when paid. Employer contributions required through the date of liquidation to fully fund benefit obligations and plan expenses have been estimated to be \$1,721,717. These contributions are included in employer contributions receivable on the statement of net assets available for benefits as of November 30, 2025 (liquidation), and are included in employer contributions on the statement of changes in net assets available for benefits for the year ended November 30, 2025 (liquidation). Expenses to be incurred through the date of liquidation have been estimated to be \$173,970. These expenses are included in accrued expenses on the statement of net assets available for benefits as of November 30, 2025 (liquidation), and are included in administrative expenses on the statement of changes in net assets available for benefits for the year ended November 30, 2025 (liquidation).

Subsequent Events

The Company has evaluated subsequent events through September 9, 2026, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 6). The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the reporting period.

Benefit Payments

Benefit payments are recorded when paid to participants.

Note 2. Summary of Significant Accounting Policies (Continued)

Expenses of the Plan

All administrative expenses relating to the operations of the Plan are paid by the Plan or the Company at the Company's discretion.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 3. Actuarial Value of Accumulated Plan Benefits

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to the services rendered by employees prior to January 1, 2004. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who are deceased, and (c) present employees or their beneficiaries. Benefits payable under all circumstances are included to the extent that they are deemed attributable to employee services rendered up to December 31, 2003.

The actuarial present value of accumulated plan benefits was determined by the independent actuary, Aon, at December 1, 2025. The present value amount was determined by applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as death, disability, withdrawal, or retirements) between the valuation date and the expected date of payment. Through 2024, the Plan reported on an ongoing basis. The Plan is now reporting on a liquidation basis as a result of the termination of the Plan on November 30, 2024.

Actuarial Assumptions

Significant assumptions used by the actuary in determining the actuarial present value of accumulated plan benefits as of December 1, 2024 are as follows:

Actuarial cost method	Standard unit credit cost method
Mortality rate	Pri-2012 Mortality Table (Scale MP-2021)
Retirement	Rates varying by age (100% at age 65)
Interest rates	5.35% - Annuity
	4.66%/5.25%/5.57% - Lump-sum

Distributions are assumed to be paid in a lump-sum to participants who retire from active status. For participants who retire from terminated vested status, 75% are assumed to elect a lump-sum and 25% are assumed to elect an annuity.

Note 3. Actuarial Value of Accumulated Plan Benefits (Continued)

Actuarial Assumptions (Continued)

Due to the Plan termination, the financial statements now present the liability using the liquidation basis as of December 1, 2025. The actuarial present value as of December 1, 2025 is equal to the remaining liabilities that were settled after December 1, 2025. An interest rate of 0.00% was used to report as of December 1, 2025.

Accumulated Plan Benefits

The accumulated plan benefit information as of December 1, is as follows:

	(Liquidation) <u>2025</u>	(Ongoing) <u>2024</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Funding Policy

Contributions are made by Informa in amounts not less than the minimum amounts required under the applicable sections of ERISA and in accordance with the Internal Revenue Code ("IRC"). The determination of such amounts by the independent actuary is based on certain assumptions as described in Note 3. The Plan has met the minimum funding requirements of ERISA for the 2024 plan year.

Note 5. Information Certified by the Plan Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the plan administrator received certifications from The Bank of New York Mellon ("BNY"), the Trustee of the Plan, acknowledging the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at November 30, 2025 (liquidation) and 2024, the schedule of assets (held at end of year) at November 30, 2025, the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended November 30, 2025 (liquidation) and 2024, the schedules of reportable transactions for the year ended November 30, 2025, and investment related information in the accompanying notes to the financial statements. This information has not been audited by independent accountants.

Note 6. Fair Value of Financial Instruments

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodology used for plan assets measured at fair value:

- The common/collective trust investments are held by BNY and managed by Aon Investments USA, Inc. The fair value of the investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodology used from 2024 to 2025. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PENTON MEDIA, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Fair Value of Financial Instruments (Continued)

The following tables set forth by level the Plan's assets at fair value as of November 30, 2025 and 2024:

	Assets at Fair Value as of November 30, 2025			
	Level 1	Level 2	Level 3	Total
Common/collective trust funds	\$ -	\$ 35,055	\$ -	\$ 35,055

	Assets at Fair Value as of November 30, 2024			
	Level 1	Level 2	Level 3	Total
Common/collective trust funds	\$ -	\$28,560,196	\$ -	\$28,560,196

Note 7. Transactions With Parties-in-Interest

The Plan's Trustee is BNY. While Trustee, the Company appointed BNY or an affiliate to serve as the third party administrator of the Plan. The Company also appointed Aon to serve as actuary and the investment manager of the Plan. BNY and Aon receive administrative fees from the Plan.

Note 8. Income Tax Status

In connection with the termination of the Plan, the Internal Revenue Service has determined and informed the Plan by a letter dated July 22, 2025, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes the Plan is currently being operated in compliance with the requirements of the IRC and, therefore believes that the Plan is qualified and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of November 30, 2025, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.
