Prince Manufacturing Corporation 401(k) Plan
Sioux City, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Prince Manufacturing Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits, as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025, and 2024, stating that the certified investment information, as described in note, "Information Prepared and Certified by the Plan's Custodian," to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the verified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF THE PLAN

The following description of the Prince Manufacturing Corporation 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Prince Manufacturing Corporation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible for participation one year following the employee's employment commencement date. An employee becomes a participant on the plan entry date immediately following the date the employee completes the eligibility condition. Plan entry dates are January 1, April 1, July 1, and October 1 of every plan year. The plan was restated on January 1, 2022, to comply with the Cycle 3 regulatory restatement, which is required by the IRS every six years.

Contributions

Employees may elect in writing to have a percentage of their compensation contributed to the Plan. Prince Manufacturing Corporation contributed 6% of pay for the years ending December 31, 2025, and 2024. Contributions are subject to limitations by the Internal Revenue Code.

Participant Accounts

Participant contributions are invested into a collective trust. The participant directs the investment of their account.

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of Plan earnings. Forfeitures of terminated participants' nonvested accounts are used to reduce employer's contributions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100 percent vested after three years of service.

Payments of Benefits

On termination of service, a participant may elect to receive their benefits in a lump-sum amount equal to the value of their account, in a partial lump sum of at least \$100, or in installment payments. The plan also allows participants to take hardship withdrawals of all or a portion of their vested account balance in the event of undue hardship.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan, as summarized below, are in conformity with generally accepted accounting principles.

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America and, necessarily, include amounts that are based on judgments and estimates made by management. Actual results could vary from these estimates.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value, defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of both realized and unrealized gains or losses for these investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date.

BENEFITS PAID

Benefits are recorded when paid.

FORFEITED ACCOUNTS

Forfeitures of nonvested employer contributions are used to reduce future employer contributions. During 2025, forfeitures of \$21,242 were used to reduce employer contributions to the Plan. For the years ending December 31, 2025, and 2024, forfeited nonvested accounts totaled \$6,159 and \$15,748, respectively.

INCOME TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the Plan is qualified under Section 401 of the Internal Revenue Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

PLAN TERMINATION

Prince Manufacturing Corporation expects to continue the Plan indefinitely but reserves the right to change or terminate it. In the event of Plan termination, participants will become 100 percent vested in their accounts.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in connection with the general administration of the Plan are being absorbed by the employer sponsoring the Plan; therefore, they are not reflected in the accompanying financial statements.

INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Security National Bank, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying financial statements and the ERISA-required supplemental schedules related to investments held as of the date of the financial statements under audit and covered by the certification, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025 was obtained by management and agreed to or derived from the information certified as complete and accurate by a qualified institution.

INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE (Continued)

The following information certified by the trustees has been used in the preparation of the accompanying financial statements as of December 31, 2025, and 2024. This information is unaudited.

	<u>\$ 7,905,969</u>	<u>\$ 4,936,341</u>

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

SUBSEQUENT EVENTS

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), and IRS Notice 2019-64, as applicable, per the required effective dates. Management is working with the plan custodian, but the Plan has not been formally amended at this time, as more regulatory guidance is needed.

Subsequent events have been evaluated through September 10, 2026, the date the statements are available to be issued.

FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the net asset value of shares held by the Plan at year-end, using quoted prices in active markets.

Cash and Cash Equivalents - Valued at cost plus accrued interest reflected on periodic statements which approximates fair value.

FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025, and 2024:

RELATED-PARTY TRANSACTIONS

Plan investments are shares of mutual funds managed by Security National Bank, the custodian of the Plan and therefore, a party-in-interest. Fees paid by the Plan for services totaled \$32,865 for the year ended December 31, 2025.

Indirect fees paid to others with expense offsetting arrangements, whereby expenses are netted against income, totaled an estimated \$6,384 for the year ended December 31, 2025. Indirect fees are paid for investment provider services, including certain management, administrative and recordkeeping services. The indirect fees are based on average balance of plan assets in that investment.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
