INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the Plan
Protective Life Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Protective Life Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

1. DESCRIPTION OF PLAN

The following description of the Protective Life Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's legal document and/or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Protective Life Corporation (the Employer or the Company) is the sponsor of the Plan.

Plan Administration

Fidelity Management Trust Company (Fidelity) serves as trustee and custodian of the Plan. Fidelity Workplace Services, LLC serves as the recordkeeper of the Plan. The Retirement Committee, whose members are appointed by the President of the Company, has overall responsibility for the operation and administration of the Plan. CAPTRUST Financial Advisors serves as investment manager fiduciary as defined by ERISA 3(38) for the Plan, and therefore, determines the appropriateness of the Plan's investment options and monitors investment performance.

Eligibility

In general, all employees of the Company and its participating subsidiaries are eligible to participate in the Plan, except for independent contractors, leased employees, nonresident aliens with no income from a U.S. source, insurance agents who provide services pursuant to an employee/producer agreement or similar contract, union members (unless the collective bargaining agreement provides for participation in the Plan), and employees who are classified by the Employer as a liaison or a seconded worker (unless otherwise determined by the Retirement Committee or provided pursuant to a written agreement).

Contributions

Eligible employees may contribute up to 75% of their eligible compensation to the Plan, subject to certain limitations under the Internal Revenue Code (IRC). The Plan allows participants to contribute to the Plan through pre-tax elective deferrals or post-tax Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employees may roll over eligible amounts from other qualified plans.

The Company matches employees' pre-tax, Roth, and catch-up contributions dollar-for-dollar on the first 4% of eligible pay contributed to the Plan. The Employer provides cash-matching for participant contributions to the Plan. These cash matching contributions are invested according to the participants' investment elections for their pre-tax and/or Roth contributions.

Participants' Accounts/Benefits

An account is maintained for each participant in the Plan. The accounts are credited with the participants' pre-tax, Roth, catch-up and rollover contributions, Employer matching contributions, and investment earnings. Distributions, withdrawals, investment losses and allocated expenses are subtracted from the account balances. Participants' vested account balances represent the

PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

benefits available to the participants upon retirement, disability, death, termination of service or upon reaching age 59½.

Subsequent to the benefit eligibility date, a participant may elect to receive a taxable distribution equal to the vested balance of his or her account or may leave it in the Plan if the vested balance is \$1,000 or more. Terminated participants can also take a partial withdrawal. However, benefit payments must commence no later than April 1 following the year the participant reaches age 73 if the participant is not actively employed.

Investment of Assets

Participants direct their contributions, the Company's contributions and any related earnings to one or more investment options provided by the Plan in 1% increments. Participant accounts are segregated for the purpose of determining the gains or losses on investments.

Vesting

Participants are immediately vested in salary deferral amounts, Company contributions and balances rolled over into the Plan from other qualified plans.

Notes Receivable from Participants

Provisions of the Plan allow participants to obtain loans based on their vested account balance. Loans may be made only from the employee-contributed portion of a participant's individual account balance, including earnings thereon. Personal loans are made for terms of one to 60 months at a fixed rate of interest equal to the prime rate plus 1% at the time the loan is made. Loans to acquire a principal residence are made for terms up to 15 years. In addition, the Plan acquired some rollover loans as part of an acquisition that were made for terms up to 25 years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions which affect the reported amounts in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Payment of Benefits

Benefits are recorded as paid. As of December 31, 2025 and 2024, there were no benefit payments requested and not yet disbursed.

Administrative Expenses

As permitted by the Plan document, fees related to the administration and maintenance of notes receivable from participants and processing distributions are charged directly to the participant's account and included in administrative expenses. Plan administrative expenses for recordkeeping, trustee and investment advisory services are paid by the Plan or offset by a revenue sharing credit.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under this standard are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by

PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds – The common collective trust funds are valued using the daily NAV provided by the administrator of the respective fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. There are no significant restrictions such as redemption terms, or holding periods, which would limit the ability of the Plan or the participants to transact at the NAV. Participant transactions may occur daily.

These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

2025	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 324,949,367	\$ -	\$ -	\$ 324,949,367

Total investments, at fair value	<u>\$ 324,949,367</u>	<u>\$ 432,497,855</u>	<u>\$ -</u>	<u>\$ 757,447,222</u>

2024	Level 1	Level 2	Level 3	Total

Collective trust funds	-	437,354,348	-	437,354,348
Total investments, at fair value	<u>\$ 246,007,942</u>	<u>\$ 437,354,348</u>	<u>\$ -</u>	<u>\$ 683,362,290</u>

4. INVESTMENTS AND FINANCIAL DATA CERTIFIED BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity.

5. INCOME TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated September 28, 2017, related to the Plan document. The Plan has been amended since receiving the determination letter; however, the Plan's administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, the Plan, including amendments, continues to qualify under Section 401(a), and the related trust continues to be tax-exempt. Accordingly, the accompanying financial statements do not include a provision for income taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

PROTECTIVE LIFE CORPORATION
401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in shares of mutual funds and units of a common collective trust fund managed by Fidelity. Fidelity is the Plan trustee and custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Administrative fees paid by the Plan for the 2025 Plan year totaled \$578,714. These fees were paid to the investment advisor as well as the trustee and recordkeeper. As such, these expenses qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. Administrative expenses are paid through the Plan's suspense account, and as of December 31, 2025 and 2024, the unallocated balance in the suspense account totaled \$54,872 and \$128,112, respectively. The suspense account earned \$8,895 in net investment income and had net disbursements of \$82,135 for the year ending December 31, 2025.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts remain 100% vested.

8. SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended to increase the Employer matching contribution. Under the amended provisions, the Company will match 5% of eligible pay contributed to the Plan, an increase from the prior matching formula of up to 4%.

Management has evaluated subsequent events through August 26, 2026, which is the date the financial statements were available to be issued and has determined that no other events have occurred that require disclosure under FASB ASC Topic 855, Subsequent Events.
