INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Compass Strategy Solutions 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Compass Strategy Solutions 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Compass Strategy Solutions 401(k) Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compass Strategy Solutions 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Strategy Solutions 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Compass Strategy Solutions 401(k) Plan's internal control. Accordingly no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Strategy Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that were identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations of Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Rollovers into the Plan from another qualified plan may be permitted with the consent of the administrator. All Company contributions have met the minimum funding standards set forth by ERISA for the years ended December 31, 2025 and 2024, respectively. Profit sharing contributions for the years ended December 31, 2025 and 2024 were \$465,999 and \$137,106, respectively.
- (3) Participant Accounts -- Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

YEARS ENDED DECEMBER 31, 2025 AND 2024

A. Description of the Plan (continued):

- (4) Vesting -- Participants are immediately vested in their voluntary contributions and the profit sharing contributions.
- (5) Investment Options -- Upon enrollment in the Plan, participants may direct their contributions to be invested in a range of mutual funds and related investments approved by the Trustees. The Plan's assets are invested in these funds through a contract with ADP Retirement Services, which provides record keeping services to the Plan.

ADP Retirement Services maintains the participants' balances in separate pooled accounts and credits each account with earnings on the selected investment options. Participants may change the investment option of their current contributions and account balances at the beginning of each pay period. If allocation percentages are not changed, ADP Retirement Services allocates contribution amounts according to the latest previously filed allocation election.

- (6) Payment of Benefits -- On termination of service due to retirement, death or disability, the participant's entire balance will become fully vested and may be received in a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- (7) Participant Loans -- Participants may borrow from their vested account balances in accordance with the Plan document and the Plan's participant loan policy. Notes receivable from participants are collateralized by the participant's vested account balance and bear interest at rates determined under the Plan's loan policy. Note repayments, including principal and interest, are generally made through payroll deductions and are credited to the borrowing participant's account.

YEARS ENDED DECEMBER 31, 2025 AND 2024

A. Description of the Plan (continued):

- (7) Participant Loans (continued) -- The maximum amount a participant may borrow is the lesser of \$50,000, reduced by the participant's highest outstanding note balance during the preceding 12 months or 50% of the participant's vested account balance. Loan terms generally may not exceed five years.
- (8) Forfeitures -- Forfeitures of nonvested employer contribution are used to pay plan administrative expenses in accordance with the Plan document. During the year ended December 31, 2025, forfeitures of \$0 were noted. At December 31, 2025 and 2024 forfeited nonvested accounts available for use by the Plan totaled \$0 and \$0, respectively.

B. Summary of Significant Accounting Policies:

- (1) Basis of Accounting -- The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. Generally Accepted Accounting Principles applicable to defined contribution employee benefit plans.
- (2) Use of Estimates -- The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

YEARS ENDED DECEMBER 31, 2025 AND 2024

B. Summary of Significant Accounting Policies (continued):

- (3) Investment Valuation and Income Recognition -- Investments are reported at fair value in accordance with ASC 820, except for investments, if any, that are required to be reported at contract value. The Plan's accounting policy disclosures include a description of the valuation techniques and inputs used to measure the fair value of investments in accordance with ASC 962-325-50-1 and ASC 820-10-50. Investments measured using net assets value per share, or its equivalent, as a practical expedient under ASC 820-10-35-59 are not categorized within the fair value hierarchy in accordance with ASC 820-10-35-54B.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation on investments held at year-end.

- (4) Payment of Benefits -- Benefits are recorded when paid to participants. Amounts allocated to participants who have elected to withdraw from the Plan but have not yet been paid, if any, are not reported as liabilities in the Statement of Net Assets Available for Benefits in accordance with U.S. GAAP applicable to defined contribution plans. Such amounts, if material and required for Form 5500 reporting, are disclosed in the reconciliation between the financial statements and Form 5500 in accordance with ASC 962-205-50-1.
- (5) Administrative Expenses -- Certain administrative expenses of the Plan are paid by the Company and are excluded from the financial statements. Administrative expenses paid directly by the Plan are recorded when incurred. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Disclosure of significant administrative costs absorbed by the employer is made in accordance with ASC 962-205-50-1.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

B. Summary of Significant Accounting Policies (continued):

- (6) Notes Receivable from Participants -- Notes receivable from participants represent participant loans and are classified separately from investment in the statement of Net Assets Available for Benefits in accordance with ASC 962-310-45-2. Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest in accordance with ASC 962-310-35-2. Interest income on notes receivable from participants is recorded on the accrual basis. Related loan fees, if any are recorded as administrative expenses when incurred.

No allowance for credit losses has been recorded for notes receivable from participants because participant loans of a defined contribution employee benefit plan are measured under ASC 962-310-35-2 and are excluded from the credit loss allowance requirements applicable to financial assets measured at amortized cost. Fair value disclosures otherwise required for financial instruments are not required for participant loans under ASC 962-310-50-1.

Delinquent participant loans are recorded as deemed distributions or distributions in accordance with the terms of the Plan document and applicable Internal Revenue Code requirements. When a participant loan is deemed distributed and a distributable event has occurred, the unpaid principal balance and related accrued interest are removed from notes receivable from participants and recorded as a benefit payment or deemed distribution in the Statement of Changes in Net Assets Available for Benefits. For active participants who have not incurred a distributable event, delinquent loans remain recorded as notes receivable from participants until a distributable event occurs, unless the Plan document requires different treatment under U.S. GAAP.

YEARS ENDED DECEMBER 31, 2025 AND 2024

C. Investment Contract with Investment Company:

In 2020, the Plan entered into an investment contract with ADP Retirement Services. ADP Retirement Services maintains all contributions in separate, self-directed accounts. The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals as outlined in the contract. ADP Retirement Services invests the account balances in set mutual funds chosen by the Plan Trustee, Administrator, and Custodian. Each participant may direct his or her own investment mix of the allowed mutual funds and may change the mix at the beginning of any pay cycle via either written paperwork submitted to ADP Retirement Services or electronically via ADP Retirement Services' online, password-protected account services.

D. Fair Value Measurements:

The Plan's investments are reported at fair value, except for investments, if any, that are required by U.S. GAAP to be reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan measures fair value in accordance with ASC 820, and the Plan's accounting policy disclosures include the valuation techniques and inputs used to measure investment fair value in accordance with ASC 962-325-50-1 and ASC 820-10-50.

The fair value hierarchy prioritizes the inputs used to measure fair value into three levels. Level 1 inputs are quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date. Level 2 inputs are observable inputs other than quoted prices included within Level 1. Level 3 inputs are unobservable inputs for the asset and are used when observable inputs are not available.

Mutual funds are valued at quoted market prices, when available, representing the net asset value of shares held by the Plan at year-end. Mutual funds with quoted prices in active markets are classified as Level 1 investments.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

D. Fair Value Measurements (continued):

The common collective trust fund is categorized within the fair value hierarchy based on the observability of inputs used to measure fair value. The Plan does not use the NAV practical expedient under ASC 820-10-35-59 for investments that have readily determinable fair values. Such investments are disclosed within the applicable level of the fair value hierarchy in accordance with ASC 820-10-50 and ASC 962-325-50-1.

The Plan's policy is to recognize transfers between level of the fair value hierarchy as of the end of the reporting period. There were no transfers between levels of the fair value hierarchy during the year ended December 31, 2025.

The following table presents the Plan's investments by fair value hierarchy level as of December 31, 2025.

Assets at Fair Value as of December 31, 2025

E. Tax Status:

The Plan was effective on January 1, 2020. The Plan is a standardized plan which as designed, is in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

E. Tax Status (continued):

Accounting policies generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination:

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan may determine.

G. Risks and Uncertainties:

The Plan's assets held by ADP Retirement Services are invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by ADP, which serves as the custodian of the Plan. Transactions involving the Plan sponsor, trustee, custodian, recordkeeper, or other parties in interest are permitted by the Plan and are exempt from the prohibited transaction provisions of ERISA when the transactions qualify for statutory or administrative exemptions. Material related-party transactions are disclosed in accordance with ASC 850.

During the year ended December 31, 2025, no material related-party transactions requiring disclosure under ASC 850 were identified beyond those disclosed elsewhere in the financial statements.

I. Subsequent Events:

The Plan has evaluated subsequent events through August 18, 2026, the date the financial statements were available to be issued. No subsequent events requiring recognition or disclosure in the financial statements were identified, except as disclosed herein.
