INDEPENDENT AUDITOR'S REPORT

Holland, Michigan
August 11, 2026

To the Plan Administrator and Audit Committee of
Creative Dining Services, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Creative Dining Services, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C) by ERISA section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United State of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1: DESCRIPTION OF THE PLAN

The following description of Creative Dining Services, Inc. Retirement Savings Plan (the "Plan") provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Creative Dining Services, Inc. (the "Company") who have met the age and service requirements of the plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions – Each year, participants may contribute up to 90% of the participant's pre-tax annual compensation during the pay period, as defined in the Plan, not to exceed the maximum allowed by ERISA and IRS regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, participants have the option to elect after-tax salary deferrals to a Roth 401(k). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. In order to be eligible to participate in the plan, employees must be at least 21 years of age, have 3 months of service, and complete at least 1,000 hours of service each year. All participants are eligible for the company match. During the years ended December 31, 2024 and 2023, the Company contributed 50% and 42%, respectively, of the first 6% of base compensation that a participant contributed to the Plan. Contribution maximums are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants – Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest rates that range from 4.0 percent to 9.5 percent. Participants pay their loans through payroll deductions.

Termination of the Plan – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to certain provisions set forth in the Plan. In the event of Plan termination, participants will become fully vested in their accounts.

Payment of Benefits – Generally the Plan does not permit the payment of any benefits, unless the participant has terminated employment with the Company, attained the age of 59½ or in the event of death or disability. Participants who terminate may generally receive their vested benefits in a lump sum payment or in equal annual installments. Additionally, hardship withdrawals are available to current employees who qualify.

NOTE 1: DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts – The Plan provides that the nonvested portion of a participant's account is forfeited upon the participant's termination of employment in accordance with the Plan's vesting provisions. Forfeitures are used to reduce employer contributions. Forfeiture activity was as follows for the years ended December 31, 2024 and December 31, 2023:

	<u>2024</u>	<u>2023</u>
Forfeiture balance, beginning of year	\$ 10	\$ 10
Current-year forfeitures	42,216	17,038
Forfeitures used to reduce employer contributions	(42,120)	(17,032)
Investment earnings	18	7
Forfeiture balance, end of year	<u>\$ 124</u>	<u>\$ 10</u>

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on credited years of service. The Company uses a 3-year cliff schedule using the Elapsed Time method of service, in which years are measured on the elapsed time from an employee's anniversary date.

<u>Years of Service</u>	<u>Vested Percentage</u>
1 Year of service	0%
2 Years of service	0%
3 Years of service	100%

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING AND REPORTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value, except for stable value funds and fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Common collective trusts do not have readily determinable fair values and are measured using net asset value as a practical expedient, as reported by the trustee or fund manager. The net asset value is based on the fair value of the underlying investments held by the trust, less its liabilities. Participant transactions in common collective trusts are executed at the fund's reported net asset value per unit.

CREATIVE DINING SERVICES, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING AND REPORTING POLICIES (CONTINUED)

Stable value funds and fully benefit-responsive investment contracts are reported at contract value. Contract value is equal to the principal balance of the investment contract, plus accrued interest or credited earnings, less participant withdrawals, transfers, and applicable fees. Contract value is the amount participants would receive for permitted transactions under the terms of the Plan and is the basis for measuring the Plan's investment in fully benefit-responsive investment contracts in the Statement of Net Assets Available for Benefits. The Plan's stable value investments generally provide for a stated crediting rate and preservation of principal, subject to the terms of the underlying investment contract or fund agreement. These funds are intended to provide participants with a stable return and principal preservation. The investment contract is fully benefit-responsive because it permits participant-initiated withdrawals at contract value for eligible transactions under the terms of the Plan.

Certain events may limit the ability of the Plan to transact at contract value or may permit the issuer to terminate the contract at an amount different from contract value. Such events may include, but are not limited to, a material amendment to the Plan, complete or partial plan termination, failure of the Plan or trust to qualify for exemption from federal income taxes, employer-initiated events that significantly affect the Plan's normal operations, or other events specified in the investment contract. Management believes the occurrence of events that would limit the Plan's ability to transact at contract value is not probable as of December 31, 2024.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation on investments held at year-end.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the participant loan is considered to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the following year. For the plan years ended December 31, 2024 and 2023, there were \$33,355 and \$25,709, respectively, of excess contributions.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Except for the allocation of certain participant investment fees and loan origination fees associated with notes receivable from participants, substantially all administrative expenses of maintaining the Plan are paid by the Company.

DECEMBER 31, 2024 AND 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING AND REPORTING POLICIES (CONTINUED)

Certified Investments – Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of certain assets and VALIC, the trustee of certain assets of the Plan.

Subsequent Events – The Plan has evaluated subsequent events through August 11, 2026, the date the financial statements were available to be issued. On January 1, 2025, the Plan was amended to add safe harbor provisions effective January 1, 2025. No adjustment has been made to the current-year financial statements because the amendment is effective after year-end.

NOTE 3: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**CREATIVE DINING SERVICES, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023**

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023, as described in Note 2, *Investment Valuation and Income Recognition*. Certain investments are reported at contract value and are excluded from the fair value hierarchy disclosures.

Reliance Trust (Mutual Funds): Investments in the funds are valued at quoted market prices using the net asset value (NAV) per share at the close of each business day as reported by each mutual fund. The mutual funds held by the plan are deemed to be actively traded.

Reliance Trust (Common Collective Trust): Investments in the CCT are valued at the net asset value (NAV) per share, calculated daily by the fund manager based on the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Plan Assets at Fair Value as of December 31, 2024					
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Net Asset Value</i>	<i>Total</i>

NOTE 5: RELATED PARTY TRANSACTIONS

Certain parties that provide services to the Plan are parties in interest as defined by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). ADP, Inc. serves as the Plan's recordkeeper. Accordingly, transactions with ADP, Inc. qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping services to ADP, Inc. for the years ended December 31, 2024 and 2023 amounted to \$58,302 and \$53,949, respectively.

This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

NOTE 6: TAX STATUS

The Plan is based on the Prototype Standardized Profit Sharing Plan with CODA. ADP Retirement Services and AIG have received determination letters from the IRS stating that the Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, including amendments made to comply with recent law changes. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 7: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of certain assets of the plan, and VALIC, the trustee of certain assets of the Plan, except for comparing such information certified by these parties with information included in the Plan's financial statements and supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year). Plan assets are as follows:

	<u>2024</u>	<u>2023</u>
Investments – Reliance Trust	\$ 18,395,507	\$ 15,723,988
Investments – VALIC	8,922	8,675
