Independent Auditor's Report

**The Plan Administrator
Jarrett Builders, Inc. 401(k) Plan:**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the financial statements of the Jarrett Builders, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report, Continued

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Independent Auditor's Report, Continued

In performing an audit in accordance with GAAS, I:

- **Exercise professional judgment and maintain professional skepticism throughout the audits.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.**

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditor's Report, Continued

Other Matter - Supplemental Schedules Required by ERISA, continued

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JARRETT BUILDERS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of the plan

The following brief description of the Jarrett Builders, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Jarrett Builders, Inc. (the “Plan Sponsor”) who are eighteen or older and have three months of service (“participants”). The Plan, which was adopted by action of the Plan Sponsor’s Board of Directors on January 1, 2022 (date of Plan’s inception), is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective December 15, 2024, the Plan elected to move its assets to Principal Life Insurance Company and the assets were held in a non-interest bearing holding account until early 2025, which is presented as cash on the statement of net assets available for benefits as of December 31, 2024. Additionally during 2024, the Plan was amended and transitioned from a single-employer plan to a multiple-employer plan.

A participating employer ceased its participation in the Plan effective September 4, 2024 and established its own 401(k) plan. In connection with this cessation of participation, the Plan transferred assets out of the Plan in 2025 totaling \$714,203 to the Guardian Fire Services 401(k) Plan.

(b) Contributions

Each year, participants may defer a percentage of their pretax annual compensation as defined in the plan agreement, not to exceed the maximum annual amount as determined by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollovers”) and make after-tax Roth contributions. Eligible participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The rate increases 1% each year until a deferral rate of 8% is achieved.

The Plan Sponsor makes a safe-harbor matching contribution of 100% of a participant’s deferral up to 1% of compensation, plus 50% of deferrals that exceed 1% of compensation but do not exceed 6% a participant’s compensation. At its discretion, may contribute additional amounts to the Plan as determined by the Board of Directors. Any profit sharing contribution will be allocated according to the plan document to participants eligible to share in the contribution.

JARRETT BUILDERS, INC. 401(K) PLAN

Notes to Financial Statements, Continued

December 31, 2025 and 2024

(1) Description of the plan, continued

(c) Participant accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, as well as allocations of plan earnings or losses. Participant accounts may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Vesting

The Plan is a safe-harbor plan and therefore, all participants are immediately vested in their voluntary contributions and all Plan Sponsor safe-harbor matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor discretionary contribution portion of their account plus actual earnings (losses) thereon is based on years of continuous service. A participant becomes 20% vested after two years of service and vesting increases 20% each year until the participant is 100% vested after six years of credited service.

(e) Payment of benefits

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum distribution equal to the value of his or her entire account. On termination of service due to other reasons, a participant will receive a lump-sum distribution equal to the value of his or her vested account.

(f) Forfeitures

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor discretionary contribution portion of their accounts and may be used to pay plan expenses or reduce future Plan Sponsor contributions. Ineligible contributions from a prior year were transferred to the forfeiture account and used to reduce Plan Sponsor contributions during 2025, which amounted to \$171,798 for the plan year ended December 31, 2025. There were no other forfeitures available for future use at December 31, 2025 or 2024.

(g) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½, unless certain exceptions apply.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

JARRETT BUILDERS, INC. 401(K) PLAN

Notes to Financial Statements, Continued

December 31, 2025 and 2024

(2) Summary of significant accounting policies, continued

(b) Payment of benefits

Benefits are recorded when paid.

(c) Use of estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles ("GAAP") requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(d) Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

(e) Contributions

Contributions from plan participants and any respective matching contributions from the Plan Sponsor, if applicable, are recorded in the year in which the employee contributions are withheld from compensation.

(f) Events occurring after the reporting date

The Plan has performed an analysis of the activities and transactions subsequent to December 31, 2025, to determine the need for any adjustments or disclosures for the year then ended. The Plan has evaluated subsequent events through July 21, 2026, the date the financial statements were available to be issued.

(g) Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to distributions are charged directly to the participant's account and are included in administrative expenses. The Plan holds assets in an expense balance account which receives deposits as a result of a revenue sharing agreement with a party-in-interest to the Plan. During 2025 and 2024, deposits to the account were netted with administrative expenses and used to pay qualified plan expenses. See Note 5 for further disclosure.

(3) Summary of information certified by the custodians

Information related to investments and investment income or loss disclosed in the accompanying financial statements and supplemental schedule, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Principal Life Insurance Company, the custodian of the Plan as of December 31, 2025 and 2024 and for the period from December 15, 2024 to December 31, 2024 and Transamerica Financial Life Insurance Company Inc. and Reliance Trust Company, the custodians of the plan, for the period from January 1, 2024 to December 14, 2024.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- (a) Quoted prices for similar assets or liabilities in active markets;**
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;**
- (c) Inputs other than quoted prices that are observable for the asset or liability; and**
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the assets or liability.

Following is a description of the valuation methodologies used for assets measured at fair value.

***Mutual funds* are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.**

(4) Fair value measurements, continued

Pooled separate accounts and common collective trusts, while not reported on exchanges or other public means, are similar to mutual funds and considered as being published because the value is available via investor online reporting. Therefore, these accounts are determined to have a readily determinable fair value and net asset value is not used as a practical expedient.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2025

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 168,067	\$ -	\$ -	\$ 168,067

Pooled separate accounts	<u>88,670</u>	<u>-</u>	<u>-</u>	<u>88,670</u>
Total investments	<u>\$ 2,664,820</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,664,820</u>

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 568	\$ -	\$ -	\$ 568
Common collective trusts	32,514	-	-	32,514
Stable value account	<u>398</u>	<u>-</u>	<u>-</u>	<u>398</u>
Total investments	<u>\$ 33,480</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 33,480</u>

(5) Related party and party-in-interest transactions

Certain plan investments are managed by Principal, the custodian of the Plan at December 31, 2025 and 2024 and, therefore, these transactions qualify as party-in-interest transactions. The custodians provide certain administrative services to the Plan pursuant to an agreement whereby the service provider receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed for administrative services to the Plan.

If the revenue received by custodians from such mutual fund service providers exceeds the amount owed under the agreement, the custodian remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay the Plan's administrative expenses or allocated to the accounts of the participants. During the plan year, there were no excess amounts. The Plan or Plan Sponsor may make a payment to third-party service providers for administrative expenses not covered by revenue sharing. Certain administrative functions are performed by officers or employees of the Plan Sponsor and no such officer or employee receives compensation from the Plan.

(5) Related party and party-in-interest transactions, continued

Administrative expenses paid to parties-in-interest amounted to \$37,725 and \$47,267 for 2025 and 2024, respectively. The Plan Sponsor also pays for certain plan expenses for which it is not reimbursed by the Plan.

(6) Income tax status

The Plan Sponsor has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(8) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

(9) Untimely remittances

During the plan year ended December 31, 2025 certain amounts totaling \$2,662 withheld from employee pay were not remitted to the Plan timely in accordance with DOL regulation. This amount was self-corrected, remitted to the Plan and allocated to participant accounts in 2025.

(10) Investment contract with insurance company

The Plan has entered into an investment contract with Principal Life Insurance Company, who maintains the Plan's contributions in guaranteed interest accounts, which have been determined to be fully benefit responsive. The accounts are credited with earnings of on the underlying investments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the guaranteed interest accounts, which approximates fair value, was \$14,992 and \$68 as of December 31, 2025 and 2024, respectively. The average yield and crediting interest rates are reviewed on an annual basis for resetting.
