Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **DOEREN MAYHEW ASSURANCE, PC**

(2) EIN: **38-2492570**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		8000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Southwest Airlines Federal Credit Union Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Southwest Airlines Federal Credit Union Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the statement of accumulated plan benefits as of December 31, 2024, and the related statement of changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Southwest Airlines Federal Credit Union Pension Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Southwest Airlines Federal Credit Union Pension Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Southwest Airlines Federal Credit Union Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Southwest Airlines Federal Credit Union Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 1 – Description of the Plan

General

The Plan was established by Southwest Airlines Federal Credit Union. The Plan provides for retirement, disability, and survivor death benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Southwest Airlines Federal Credit Union Pension Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Administration

The Plan Sponsor is Southwest Airlines Federal Credit Union (Plan Administrator). The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed a committee made up of Credit Union officers and members of the human resources department that determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Investment Custodian is Standard Insurance Company. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. Standard Retirement Services, Inc. provides actuarial services to the Plan. Standard Insurance Company also performs participant recordkeeping services. The Plan's Trustees are also officers of the Credit Union.

Eligibility

The Plan covers any eligible employee of Southwest Airlines Federal Credit Union (the Credit Union) who has completed 6 consecutive months of service, or one year of service (1,000 hours in a twelve-month period). Participants enter the Plan on the first day of the plan year. Effective May 1, 2025, employees hired or rehired on or after that date are not eligible to participate. Existing participants continue to accrue benefits.

Pension Benefits and Vesting

Plan participants are subject to five-year cliff vesting. Employees with five or more years of service and who are at least the normal retirement age (65 with 5 years of participation or 60 with 30 years of vesting service) are entitled to a retirement benefit determined based on a benefit formula equal to 50% of the employee's average monthly compensation. For participants who have earned less than 25 years of service as of the end of the plan year in which they attain normal retirement age, the percentage above shall be reduced by 1/25th for each such year of service less than 25. The Plan provides that if a participant terminates employment with 5 years of vested service and the participant's vested interest in the Plan does not exceed \$5,000, the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the Plan Administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the Plan Administrator.

Participants who terminate for reasons other than death or disability without five years of vested service will forfeit their benefits. Benefits are paid in the form of an annuity. Participants are 100% vested upon completion of five years of service for vesting purposes. The Plan permits early retirement for participants after age 55 and ten or more years of service. A reduced retirement benefit will result from early retirement. The early retirement is equal to the employee's vested accrued benefit payable in the normal form but reduced by 0.25% for each month the early retirement date precedes the normal retirement date.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

During 2025, the Plan was amended to permit lump sum distributions during a special window from May 5, 2025 to June 20, 2025, limited to participants who terminated employment on or before December 31, 2024 with a lump sum value of \$100,000 or less as of July 1, 2025.

Death and Disability Benefits

If a Participant dies before retirement benefit payments begin, the participant's beneficiary will receive a death benefit equal to the actuarial equivalent of the participant's vested accrued benefit, subject to the Plan's Qualified Pre-Retirement Survivor Annuity provisions. If the participant dies after benefit payments begin, any continuing death benefit will be determined under the form of payment in effect. A participant does not become fully vested solely because of death.

If a participant incurs a total and permanent disability while employed before normal retirement age, the participant will be treated as continuing employment under the Plan at the same regular rate of compensation and with the same regular hours of service during the disability until the earliest of normal retirement age, a benefit distribution, or death. If the disability ends before one of these events and the participant does not immediately resume employment, the participant will be treated as having terminated employment on the date the disability ended. Upon reaching normal retirement age, the participant will be entitled to a retirement benefit under the same conditions applicable to other participants.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Contributions are recorded when authorized and in the period to which they pertain. Expenses are recorded in the accounting period in which they are incurred.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Investment Custodian and Investment Advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Fees and Expenses

Professional fees incurred to operate the Plan, such as attorney and audit fees are paid directly by the Plan Sponsor. Other fees and expenses relating to the day-to-day plan operations are paid by the Plan. These fees are recorded as incurred. Direct fees for custodian and actuarial services are paid by the Plan and are also included in administration expenses. Investment related expenses are included in the net appreciation or depreciation in fair value of investments.

Payment of Benefits

Benefit payments to participants and beneficiaries are recorded at the time of distribution.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions to services rendered by the employees to the valuation date. Accumulated plan benefits include benefits to be paid to retired or terminated employees or their beneficiaries, and current employees or their beneficiaries.

Actuaries from Standard Retirement Services, Inc. estimated the actuarial present value of accumulated plan benefits. The significant actuarial assumptions used in the valuations as of January 1, 2025 and 2024 included: (a) participant life expectancy based on the IRS 2025 and 2024 Small Plan Combined Static Mortality Tables, respectively; (b) an assumed average retirement age of 65; and (c) a discount rate of 6.50% for both valuation dates. Assumptions regarding future increases in participants' compensation are not used in this determination. The valuation assumes annual increases of 3.00% in the applicable IRS §401(a)(17) compensation limit and \$415 benefit limit. These actuarial assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might apply in determining the actuarial present value of accumulated plan benefits.

Interest rates used in the actuarial calculations to measure the funding target are based on a three-tier funding target segment rate structure. Benefit obligations expected to be paid in years 0 through 5, years 6 through 20, and years 21 and thereafter are discounted using the first-, second-, and third-segment rates, respectively. For the January 1, 2025 valuation, the applicable segment rates were 5.07%, 5.31%, and 5.50%, respectively. For the January 1, 2024 valuation, the applicable segment rates were 4.75%, 4.87%, and 5.59%, respectively.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including August 25, 2026, which is the date the financial statements were available to be issued.

Reclassifications

Certain reclassifications were made to prior year's financial statements to conform with current year's presentation.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 3 – Unaudited Investment Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Standard Insurance Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of net assets available for plan benefits as of December 31, 2025 and 2024;
2. All investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended December 31, 2025 and 2024; and
3. All investment related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. The pooled separate accounts were excluded from the fair value table in the prior year and disclosed at net asset value (NAV). This was changed for the year ended December 31, 2025 based on industry guidance.

Pooled Separate Accounts: Group annuity investment vehicles established and maintained by an insurance company. Valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly. The market price of the fund and the unitized pricing model are both used, and the inputs for both are readily available to the Plan.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan's investments, at fair value:

	As of December 31, 2025			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Level 3 Fair Value Measurements

The Stable Asset Fund is an insurance contract whose fair value represents contributions made plus accrued interest income less amounts withdrawn to pay benefits and expenses. The Plan's Stable Asset Fund is a general liability against Standard Insurance Company. The Stable Asset Fund is classified as Level 3. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 5 – Investment Contract With Standard

The Plan has entered into an investment contract with Standard Insurance Company (Standard) with regard to the Stable Asset Fund. Standard maintains the contributions in a general account. The issuer is contractually obligated to repay the principal less charges for withdrawals and administrative expenses plus a specified interest rate that is guaranteed to the Plan.

Because the Stable Asset Fund is an investment contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The Stable Asset Fund is presented on the face of the statements of net assets available for benefits at fair value (which approximates its contract value). The Stable Asset Fund value as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals, and administration expenses.

There are no reserves against the Stable Asset Fund for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2025 and 2024 was \$7,151,883 and \$6,810,802, respectively. The fair value is the amount which is payable on demand on the reporting date. The investment contract is a general liability of Standard Insurance Company and there are no separate identifiable assets.

Certain events may limit the ability of the Plan to transact at contract value with Standard. Such events include termination of the contract, spinoffs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value are remote. No events are probable of occurring that might limit the ability of the Plan and participants to transact at contract value with the issuer.

In the event that the full value of the account could not be paid upon demand, such as amounts subject to the Stable Asset Fund market value adjustment, the "fair value" estimates are based upon "demand value" for the contract. The "demand value" is the amount due to the contract holder under the surrender provisions of the contract. The Plan Administrator has determined that the occurrence of circumstances resulting in a fair value adjustment are remote.

The average yield credited to the Plan was approximately 2.35% and 1.61% for 2025 and 2024, respectively.

Note 6 – Related Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Standard Insurance Company, who is the Plan's Custodian. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 7 – Funding Policy and Administrative Fees

The Plan Administrator's funding policy is to make annual contributions to the Plan that meet the minimum funding requirement. Pursuant to actuarial computations, there was no contribution required to be remitted to the Plan for both of the years ended December 31, 2025 and 2024.

In order for Standard Insurance Company to provide administrative services to the Plan, it charges an amount necessary to cover certain expenses. Administrative expenses are paid from plan assets. Certain administrative functions are performed by officers and employees of the Credit Union. Administrative expenses, including salaries and overhead, are paid directly by the Credit Union. Expenses that are paid directly by the Credit Union are excluded from these financial statements. In addition, certain investment related expenses are included in net appreciation or depreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Note 8 – Income Tax Status

The Plan is utilizing a non-standardized pre-approved plan document, which has been filed with the IRS and has received a determination letter dated February 28, 2023, that the Plan and the related trust are designed with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan was restated effective January 1, 2024 and most recently amended May 1, 2025 to close participation to new participants and permit a lump sum distribution for a limited period to certain participants.

The Plan permitted provisions of SECURE Act 2.0 during the years ended December 31, 2025 and 2024. Written amendments to the plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SOUTHWEST AIRLINES FEDERAL CREDIT UNION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 9 – Plan Termination

In the event the Plan terminates, the rights of all participants to benefits accrued to the date of such termination or discontinuance, to the extent funded, shall be nonforfeitable. Accordingly, the net assets of the Plan will be allocated in accordance with the plan document and as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- a. Benefits to former participants who have retired under the Plan prior to its termination.
- b. Benefits to participants who have reached the Plan's normal retirement date but have not retired on the date of termination.
- c. Benefits to participants who have not reached normal retirement date, in order that each participant will attain the normal retirement date. The benefit will be based on the accrued benefit at the time of termination.
- d. Any excess of funds will revert to the Credit Union.

Benefits to be provided via annuity contracts purchased prior to the termination date would be excluded for allocation purposes. Certain benefits under the Plan are insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide for the accumulated benefit obligation and may also depend on the financial condition of the Credit Union and the level of benefit guaranteed by the PBGC.

Note 10 – Risks and Uncertainties

The Plan invests in various investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

*For attachment to 2025 Schedule SB, Part V – Summary of Plan Provisions
EIN 75-1486899 / PN 003*

Original Effective Date:	January 1, 2004.
Last Restatement:	January 1, 2024.
Subsequent Amendments:	None.
Employee:	Any person who is employed by the employer, other than a person whose terms of employment are established by a collective bargaining agreement and the agreement does not provide for participation in the Plan. An individual who performs services for the employer pursuant to an agreement between the employer and an employee leasing organization or a non-resident alien shall not be considered to be an employee.
Participation:	Employees are eligible after completing six months of preliminary service. Plan entry is each January 1 upon completion of the eligibility requirement.
Benefit & Vesting Service:	Participating employees accrue benefits if they work at least 1,000 hours per year, after January 1, 1989. Non-HCEs who are actively employed on November 1, 2008 accrue benefit service prior to January 1, 1989.
Normal Retirement Date:	The first day of the calendar month coincident with or next following the later of age 65 and five years of participation or following the attainment of age 60 and 30 Years of Vesting Service.
Early Retirement Date:	Any participant who has attained age 55 and completed 10 years of vesting service may elect early retirement on the first day of any calendar month following the termination of service.
Compensation:	Total W-2 pay plus elective deferrals and Section 125 compensation, excluding reward pay/gift cards and any contributions to the 457(f) Supplemental Executive Bonus Plan.
Average Annual Earnings:	The five-consecutive-calendar-years in the most recent ten which produces the highest average, provided that the participant has at least 1,000 hours of service in each of the years. Compensation earned during the year of termination is excluded unless termination occurs on the last business day of the year.
Benefit Amount:	50% of 1/12th of average annual earnings prorated for less than 25 years of service.

Appendix B – Summary of Actuarial Assumptions and Methods

For attachment to 2025 Schedule SB, Part V – Actuarial Assumptions and Methods
EIN 75-1486899 / PN 003

Funding method:

Liabilities presented in this report are computed in accordance with the Unit Credit Cost Method. The target normal cost is the present value of all benefits that are expected to accrue during the upcoming plan year. The benefits expected to be accrued include any increase in benefits during the plan year that is a result of any actual or projected increase in compensation even if that increase in benefits is with respect to benefits attributable to service performed in a preceding plan year. The funding target as of the valuation date is the present value of all benefits that have been accrued or earned under the plan as of the valuation date. The benefits considered in determining the funding target and target normal cost are all benefits earned or accrued under the plan, including retirement-type and ancillary benefits.

The determination of the funding target and target normal cost is based on plan provisions that are adopted no later than the valuation date for the plan year and that become effective during the plan year.

Actuarial value of assets:

Market value.

Changes since prior year:

None.

Statement by Enrolled Actuary
To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
