INDEPENDENT AUDITOR'S REPORT

July 20, 2026

To the Board of Trustees
Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan
Mt. Pleasant, Michigan

Scope and Nature of the ERISA Section 103(a) (3) (C) Audit

We have performed an audit of the accompanying financial statements of Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and 2024 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held At Year End) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Board of Trustees

Mt. Pleasant Abstract & Title, Inc. 401(K) Profit Sharing Plan

Page Four

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1-Description of Plan

The following description of the Mt. Pleasant Abstract & Title, Inc. 401(k) Profit-Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Mt. Pleasant Abstract & Title, Inc. (Company). The Plan covers all employees or employees of Security Search, LTD who are 18 years of age. Security Search LTD is a professional employer organization (PEO) leasing employees to Mt. Pleasant Abstract and other related entities. Mt. Pleasant Abstract & Title, Inc. and Security Search, LTD are owned 100% by Paul Alexander. Plan entry dates are January 1 and July 1 following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

This plan is administered by Mt. Pleasant Abstract and Title, Inc. The Plan's trustee, Paul Alexander, is responsible for the custody and management of the Plan's assets.

Contributions

Employee Contributions - Participants may elect to contribute up to the IRS maximum of \$24,500 of pre-tax annual compensation in 2025, which is the permissible limit established by the Internal Revenue Code. Participants who will attain the age 50 by the end of the plan year are entitled to contribute an additional "catch-up contribution" up to \$7,500 for 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan currently offers several different mutual funds as investment opportunities which are directed by participants.

Employer Match Contributions - In 2025 and 2024, the Company elected to forgo a matching contribution of each participant's deferral contribution. The Company may choose to adjust the percentage of employer match contributions at its discretion each plan year.

Profit Sharing Contributions - The Company may choose to make profit-sharing contributions at its discretion, as determined annually by the participating employers in the Plan's management. Contributions are subject to certain limitations. Effective January 1, 2025, an employee must be employed on the last day of the plan year to be eligible for a profit-sharing contribution.

MT. PLEASANT ABSTRACT & TITLE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participants share of the Plan's income, and any related administrative expenses. Allocations of income and expense are based on the proportion that each participant's account balance bears to the total of all participant account balances.

Vesting

Participants begin vesting in employer match and profit-sharing contributions at year 2 and participants are fully vested after six years. Participants are always 100% vested in their contributions and related earnings.

Forfeited Accounts

If a participant terminates employment and is less than 100% vested in their Company contributions, the participant will forfeit the non-vested portion of their account. The Plan uses forfeited non-vested amounts to pay Plan expenses or reduce Company contributions. Forfeiture amounts, reported as cash for the years ended December 31, 2025 and 2024 were \$12,108 and \$7,648, respectively. In both years, the forfeiture amounts were used to reduce the profit sharing contribution paid in the next year.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan terms cannot exceed 60 months except in the case of a primary residence purchase. The loans are secured by the balance in the participant's account and bear a fixed rate of interest ranging from 7.75% to 9.50% for the life of the loan. The interest rate is based on Prime +2%. Loans are repaid by means of payroll deduction. A fee related to administering a loan under the Plan may be deducted from the participant's account.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant (or the participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Only if a participant is subject to lifetime Required Minimum Distributions, the participant may receive installments payable in monthly, quarterly, or annual installments equal to or exceeding the annual RMD amount. The Plan provides for a normal retirement at age 65.

NOTE 2-Summary of Significant Accounting Policies

Date Of Management's Review

Subsequent events were evaluated through July 20, 2026, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

MT. PLEASANT ABSTRACT & TITLE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Company paid administrative expenses of \$4,911 and \$4,041 related to the Plan for 2025 and 2024, respectively.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions paid to participants totaled \$30,076 and \$29,145 for the years ended December 31, 2025 and 2024, respectively. The Plan is required to distribute the excess contributions to the participants by March 15th of the following year or follow additional corrective measures to maintain the Plan's tax-exempt qualification.

NOTE 3-Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available.

MT. PLEASANT ABSTRACT & TITLE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2025, and 2024, the Plan had no assets which were required to be measured using Level 2 or Level 3 inputs.

The following table set forth, by level within the fair hierarchy, the Plans' investments fair value at December 31, 2025 and 2024:

Fair Value Measurements at Reporting Date Using:				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Inputs Unobservable (Level 3)
	Fair Value			
December 31, 2025				
Pooled separate accounts	\$ 7,135,931	\$ 7,135,931	\$ -	\$ -
Fair Value Measurements at Reporting Date Using:				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Inputs Unobservable (Level 3)
	Fair Value			
December 31, 2024				
Pooled separate accounts	\$ 6,329,681	\$ 6,329,681		\$ -

Note 4-Party-In-Interest Transactions

Certain plan investments are shares of mutual funds managed by John Hancock Life Insurance Company who is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$1,790 and \$1,491 for the years ended December 31, 2025 and 2024, respectively.

Note 5-Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive the balance in the participant account /participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 6-Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel/the Company believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The Company adopted a Prototype Non-Standardized 401(k) Profit Sharing Plan which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and therefore the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2025 and 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or Department of Labor.

Note 7-Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE Act 2.0. This act contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provision to elect and amend the Plan document accordingly.
