INDEPENDENT AUDITORS' REPORT

To the Plan Trustee and Plan Committee of the
GLP Attorneys, P.S., Inc. 401(k) Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of GLP Attorneys, P.S., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the GLP Attorneys P.S., Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GLP Attorneys, P.S., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GLP Attorneys, P.S., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GLP Attorneys, P.S., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GLP Attorneys, P.S., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

GLP ATTORNEYS, P.S., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A.--DESCRIPTION OF PLAN

The following description of GLP Attorneys, P.S., Inc (Company or Sponsor) 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) profit sharing plan originally effective January 1, 1992. The Plan was restated January 1, 2022 for a Cycle 3 restatement and to change the definition of compensation. The plan was restated on September 1, 2022 to implement non-elective safe harbor contributions. The plan was restated on January 1, 2023 and amended on April 1, 2023 to change the definition of compensation, the entry dates, and service requirements. The Plan also adopted the Secure Act provision to increase maximum mandatory distributions from \$5,000 to \$7,000 effective April 1, 2024. The plan was amended effective January 1, 2025 to change the vesting schedule of the QACA non-elective safe harbor match. Effective February 1, 2025, the Plan amended the definition of compensation. See also Note L. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An eligible employee is any person employed by the Company excluding union employees, nonresident aliens, leased employees, interns, of-counsel attorneys, contract employees, and residents of Puerto Rico. Employees are eligible to participate in the Plan upon reaching age 21. The entry date is the first day of the first month and of the seventh month of the Plan year following completion of eligibility requirements.

Contributions: The Plan is funded by eligible participant elective deferrals up to the maximum amount allowed by law, QACA safe harbor non-elective contributions, discretionary matching contributions, and profit sharing non-elective contributions. Eligible participants are automatically enrolled in the Plan with a deferral amount of 6% of their eligible compensation with an automatic increase of 1% on the first day of each Plan year, thereafter, up to a maximum of 10%. The Plan makes QACA safe harbor non-elective contributions of 3% of participant's compensation which is included in employer contributions receivable at December 31, 2025 and 2024. Discretionary match contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no discretionary match contributions in 2025. The Company may make non-elective profit sharing contributions based on a cross tested grouping method. The Company made a 6% profit sharing contribution to a specific class of participants for 2025, which is included in employer contributions receivable at December 31, 2025 and 2024.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Also, all participants who are eligible to make elective deferral contributions may designate all or any portion of their deferrals as Roth elective deferral contributions. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A.--DESCRIPTION OF PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions, an allocation of plan earnings (losses), and are charged with an allocation of certain administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as applicable, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting: Participants are immediately 100% vested in their elective deferrals, rollover contributions plus actual earnings thereon. Vesting in non-elective and discretionary employer contributions is based on a six-year graded schedule. A participant is 20% vested after two years of credited service, 40% vested after three years, 60% after four years, 80% after five years with full vesting at six years, or upon death or disability. Vesting in QACA safe harbor non-elective contributions is on a 2 year cliff.

Notes Receivable from Participants: Participant may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participants' account. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan fund. A participant may have up to two loans outstanding at a time. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable amount of time. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest, further defined as prime plus 1%. Principal and interest are paid through payroll deductions.

Retirement: The normal retirement date is the date a participant attains age 65. There is no early retirement.

Payment of Benefits: Upon termination due to death, disability or retirement, a participant may elect to receive the value of the vested interest in his or her account in a lump sum or partial withdrawals as soon as administratively feasible.

For termination of services due to other reasons, if the balance of the vested accounts is \$1,000 or less, payment may be made in a lump-sum without the participant's consent. If such balance is less than \$5,000 (prior to April 1, 2024) and \$7,000 (subsequent April 1, 2024) but greater than \$1,000, it will automatically be rolled over into an IRA established by the Company. In-service distributions are allowed at age 59½ or upon disability from accounts that are 100% vested. In-service distributions may be taken from contributed rollover amounts at any time. Hardship distributions are allowed in accordance with the provisions of the Plan. Qualified reservist distributions are also allowed.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE A.--DESCRIPTION OF PLAN (Continued)

Forfeitures: Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and can be used to pay Plan administrative expenses or reduce Company contributions. The balance of unused non-vested account balances forfeited into the Plan as of December 31, 2025 and 2024 was \$1,907 and \$2,216, respectively. During 2025, the Plan used \$8,013 of forfeitures for expenses.

Investment Options: Participants are allowed to direct their contributions and account balances in investment options among the investments offered under the Plan. The Plan Sponsor periodically reviews the investment fund options available to participants and changes them as warranted. Participants may change their investments at any time.

Plan Expenses: Expenses of maintaining the Plan may be paid by the Company or the Plan. Certain expenses of maintaining the Plan are paid for directly by the Company and are not included in these financial statements. Fees relating to administration of notes receivable from participants and for certain withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses including 12b-1 fees and revenue sharing fees are deducted from each funds' earnings and included in net appreciation (depreciation) in fair value of investments.

NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the financial statements and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation utilizing information provided by investment advisors and the trustee and custodian. See Note D for discussion of fair value measurements.

**GLP ATTORNEYS, P.S., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued): Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from Plan participants and the matching contributions from employer are recorded in the year in which the employee contributions are withheld from compensation or participant compensation is earned, as applicable.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are recorded as benefit payments based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

NOTE C.--CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value and contract value of investments, dividends, and interest income from notes receivable from participants for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee and custodian of the Plan, Empower Trust Company, LLC, and by Empower Annuity Insurance Company of America ("EAIC"), an affiliate of Empower.

NOTE D.--FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

**GLP ATTORNEYS, P.S., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE D.--FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D.--FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 22,327,851	\$ -	\$ -	\$ 22,327,851
Total investments at fair value	<u>\$ 22,327,851</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,327,851</u>

Assets at Fair Value as of December 31, 2024				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 17,725,104	\$ -	\$ -	\$ 17,725,104
Total investments at fair value	<u>\$ 17,725,104</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,725,104</u>

NOTE E.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a guaranteed investment contract ("contract"). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. At December 31, 2025 and 2024, guaranteed investment contracts totaled \$1,418,912 and \$1,205,441, respectively.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on a formula agreed upon with the issuers, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

**GLP ATTORNEYS, P.S., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE E.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Standard may terminate the contract with 30 days' advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time.

Upon termination by The Standard, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly if applicable, so that participants' contract values are not affected.

NOTE F.--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in funds managed by the trustee and custodian of the Plan, Empower Trust Company, LLC; therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE G.--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan, including employer contributions, shall become fully vested and non-forfeitable.

NOTE H.--TAX STATUS

The Plan was amended and restated effective April 1, 2023, and adopted a non-standardized pre-approved profit sharing/money purchase plan with a cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS) on November 14, 2022, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The Plan has been amended since the date of this determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**GLP ATTORNEYS, P.S., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE H.--TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I.--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE J.--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The financial statements are prepared on an accrual basis whereas the Form 5500 is prepared on a modified cash basis.

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>

(Continued)**

The following is a reconciliation of the net change in assets available for benefits for the year ended December 31, 2025, per the financial statements to net income per the Form 5500:

Net change in assets available for benefits per the financial statements	\$ 4,965,999
Change in employee contribution receivable not reflected on Form 5500	(86,297)
Change in employer contribution receivable not reflected on Form 5500	<u>(68,597)</u>
Net income per Form 5500	<u>\$ 4,811,105</u>

NOTE K.--OPERATIONAL ERRORS

During 2025, the Plan Sponsor identified an administrative error involving certain bonus payments. The bonus payments were intended to be included in compensation for purposes of the Plan; however, they were correctly coded as eligible compensation for determining certain employer contributions but were not correctly coded for employee deferrals. As a result, certain employees deferrals were not correctly withheld on the bonus payments.

The error was identified and corrected in accordance with applicable IRS correction guidance within the permitted correction period. Required participant communications were provided to the affected participants, and management believes that all necessary corrective actions have been completed.

NOTE L.--SUBSEQUENT EVENTS

Effective January 1, 2026, the plan was amended for a definition of compensation change. The amendment added rewards categories (RWRDS AND RWRDT) as excluded compensation.

The Plan has evaluated subsequent events through August 11, 2026, the date the financial statements were available to be issued.
