REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Participants and Plan Administrator
MedStar Health, Inc. Retirement Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of MedStar Health, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees are eligible to participate for salary reduction purposes and rollover contribution purposes on their date of hire with a participating employer. For purposes of the employer discretionary matching contribution and employer discretionary contribution, an employee becomes eligible on the first day of the month coincident with or next following attainment of age 21 and completion of one year of service. Employees who are covered under a collective bargaining agreement are not eligible employees unless the collective bargaining agreement or the Plan provides for participation in the Plan.

Contributions

Participants may contribute up to 75% of their pretax annual eligible compensation, subject to amounts permitted under the Internal Revenue Code (IRC).

Under the Plan's employer discretionary match, the Plan Sponsor's Retirement Committee determines each year whether or not to make a contribution. An employee who makes salary reduction contributions is eligible to receive an employer discretionary match equal to 50% of his/her salary reduction contributions, up to a maximum of 6% of eligible compensation. The employee must have completed 1,000 hours of service during the plan year and must be employed on the last day of the plan year to be eligible for the employer discretionary match. There was an employer discretionary match for the 2025 plan year. On January 1, 2025, the Plan sponsor amended the Plan with respect to the Plan's catch-up provisions pursuant to SECURE 2.0 Act of 2022.

**Medstar Health, Inc.
Retirement Savings Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

Under the Plan's employer discretionary contribution, the Plan Sponsor's Finance Committee determines each year whether or not to make a contribution. An employer discretionary contribution shall not be more than 2% of each participant's eligible compensation for each participant who is credited with at least 1,000 hours of service during the plan year and is employed on the last day of the plan year. For those participants with 11 or more years of credited service, the employer discretionary contribution shall not be more than 3%. There were no employer discretionary contributions for the 2025 plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) employer's contributions and (b) plan earnings based on each employee's investments, and it is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested portion of the participant's account. Participants are immediately vested in their contributions and actual earnings thereon. Participants become 100% vested in all employer contributions and earnings thereon after three years of service or upon death, disability or retirement at or after normal retirement age (age 65).

Forfeitures

Non-vested accounts for terminated participants are forfeited according to the Plan provisions. Forfeitures under the Plan may be used to pay plan expenses or used to reduce future employer contributions. At December 31, 2025 and 2024, there was \$318,578 and \$434,716, respectively, in the forfeiture account. In 2025, employer contributions were reduced by \$2,350,000 from Plan forfeitures.

Benefit Payments

Participants or their beneficiaries are eligible for distributions upon retirement, termination, disability, or death. Forms of distribution include lump sum, annuity, or monthly installments over a fixed period of 5, 10, or 15 years. Participants may also make in-service withdrawals if she/he has attained age 59½ or if she/he requests a hardship withdrawal. Terminated participants may also defer payment of Required Minimum Distributions until age 73.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested participant account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the vested participant account balance and bear interest at a rate commensurate with current rates charged by local commercial lenders. Loan repayments are made through payroll deductions and are applied to participant accounts. A participant may only have one outstanding loan at a time.

Self-Directed Brokerage Account Fees

The Self-Directed Brokerage account option allows a participant to establish a brokerage account, which provides the opportunity to select from various mutual funds. There is an annual account fee charged to participants for any open Self-Directed Brokerage accounts, deducted from the participant's core account balance. The investment options available through Brokerage account have associated fees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Plan Management, Investment Valuation and Income Recognition

Empower Retirement, LLC (Empower) is the Plan's recordkeeper. Empower Trust Company, LLC serves as both the custodian and trustee of the Plan.

The Plan's investments are stated at fair value, except for fully benefit responsive investment contracts (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in mutual funds are based on quoted market information. Securities traded on national securities exchanges are valued at the last reported sales price on the last business day of the plan year. Investments traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the average of the last reported bid and asked prices.

Net appreciation in fair value of investments is reflected in the statements of changes in net assets available for benefits and includes gains and losses on investments bought and sold as well as held during the period. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable From Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contribution Refund

As of December 31, 2025, participant contributions of \$9,106 were pending distribution and are included in contribution refund payable. These amounts relate primarily to excess contributions identified during the Plan's compliance testing. There were no contribution refunds payable as of December 31, 2024.

Administrative Expenses

Administrative expenses associated with the Plan are allocated to and paid by the plan participants. The allocation is based on each participating employer's number of plan participants at the time of the quarterly allocation.

Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the Plan Administrator has obtained certification from Empower Trust Company, LLC that all information relating to the Plan's investments and related investment income is complete and accurate.

Information related to the investments at fair and contract value in the trust managed by the trustee, net investment income, notes receivable from participants and related interest income, and all information in the supplemental schedule is presented in reliance solely upon the certifications. The Plan's investments are summarized in Note 4.

NOTE 4 - FAIR VALUE MEASUREMENT OF INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes methods used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Observable inputs other than quoted prices for the asset, either directly or indirectly observable, that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan.

Level 3 - Unobservable inputs that reflect the Plan's own assumptions about the assumptions market participants would use to price an asset based on the best information available in the circumstances.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Investments whose fair value has been estimated using NAV, or equivalent, as a practical expedient are stated separately, if applicable.

The following table presents the Plan's assets at fair value, which are classified as Level 1, as of December 31, 2025 and 2024.

	<u>2025</u>	<u>2024</u>
Mutual funds	\$3,798,612,416	\$3,134,011,398
Self-directed brokerage account	<u>73,078,857</u>	<u>62,785,808</u>
Total	<u>\$3,871,691,273</u>	<u>\$3,196,797,206</u>

For the years ended December 31, 2025 and 2024, there were no transfers into or out of Levels 1, 2 or 3.

Investments in cash and cash equivalents, mutual funds and Self-directed brokerage account are valued at fair value based on quoted prices in active markets.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan has a traditional fully benefit-responsive investment contract (FBRIC) issued by Prudential. The FBRIC issued by Principal at December 31, 2024 was transitioned to Prudential during 2025. Investments, at contract value, at December 31, 2025 and 2024 were as follows:

	2025	2024
Principal	\$ -	\$ 37,569,468
Prudential	175,901,731	126,301,828
Total	<u>\$ 175,901,731</u>	<u>\$ 163,871,296</u>

Prudential maintains the Plan contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fully benefit-responsive investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The issuers provide a fixed return on principal over a specified period of time backed by assets in the issuers' general accounts. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuers' ability to meet its financial obligations. The issuers' ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuers. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of any of the investment contracts. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events might allow the issuers to terminate the investment contracts with the Plan and settle at amounts different from respective contract values. Such events include (1) a breach of material obligation under the investment contracts and (2) a material misrepresentation.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC has been the custodian of the Plan since October 2023. Notes receivable qualify as party-in-interest transactions. In addition, the Plan pays certain fees to the custodian, which qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated November 29, 2024, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken by the Plan.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the participants will become 100% vested in their accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 4, 2026, the date the financial statements were available to be issued and determined that there were no items to disclose, other than what is described below.

Effective January 9, 2026, the recordkeeping and custodial services for the Plan transitioned from Empower to Fidelity Investments, and Fidelity Management Trust Company became the Plan's trustee.
