INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Staff Electric Co, Inc. Employees'
Profit Sharing Retirement Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Staff Electric Co, Inc. Employees' Profit Sharing Retirement Plan and Trust ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company as of and for the year ended November 30, 2025 and as of November 30, 2024 and for the period from February 15, 2024 through November 30, 2024 and Johnson Bank for the period from December 1, 2023 through February 14, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of November 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Staff Electric Co, Inc. Employees' Profit Sharing Retirement Plan and Trust

Notes to Financial Statements
November 30, 2025 and 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Staff Electric Co, Inc. Employees' Profit Sharing Retirement Plan and Trust ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to November 30, 2025 through September 9, 2026, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - Staff Electric Co., Inc. is the plan sponsor, employer and the plan administrator. Prior to February 15, 2024, Johnson Bank was the trustee that held custody of plan assets, third party administrator that maintained participant records, tax counsel that performed various compliance tests, and was the plan's investment advisor. Johnson Bank engaged Mid Atlantic Trust Company as a sub-custodian for the plan to hold and safeguard the plan's investment assets. American Trust Retirement was the plan's record keeper. Effective February 15, 2024, MAP Retirement, Inc. assumed the role of the third party administrator that maintains participant records and tax counsel that performs various compliance tests, Strategic Retirement Partners assumed the role of the plan's investment advisor, two officers of the plan sponsor assumed the role of the plan trustees and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal") assumed the role of the plan's recordkeeper and custodian of the plan's investment assets.

Investments - The plan administrator determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. The net appreciation (depreciation) in fair value of investments bought, sold and held during the years is reflected in the statements of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Valued at the daily quoted market prices as reported by the funds. The funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

**Staff Electric Co, Inc. Employees'
Profit Sharing Retirement Plan and Trust**

Notes to Financial Statements
November 30, 2025 and 2024

Common/collective trusts - Valued at the NAV based on units of the common/collective trusts and are direct filing entities. The NAV is generally based on the fair value of the underlying investments held by the common/collective trusts less their liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the common/collective trusts would sell the investment for an amount different than the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as summarized below.

Investments at fair value as of November 30, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	\$8,719,740	\$ -	\$ -	\$ 8,719,740
Total investments in the fair value hierarchy	\$8,719,740	\$ -	\$ -	8,719,740
Investments measured at NAV (a)				16,247,235
Total investments at fair value				\$24,966,975

Investments at fair value as of November 30, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$6,986,106	\$ -	\$ -	\$ 6,986,106
Total investments in the fair value hierarchy	\$6,986,106	\$ -	\$ -	6,986,106
Investments measured at NAV (a)				14,195,703
Total investments at fair value				\$21,181,809

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments for which fair value is measured using NAV. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

November 30, 2025	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trusts	\$16,247,235	n/a	Daily	n/a
November 30, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General - The plan was established on November 30, 1959 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Non-union employees are eligible to participate in the plan and receive employer safe harbor matching contributions once they have reached age twenty-one. For purposes of employee elective deferrals and employer safe harbor matching contributions, an employee can enter the plan on the first day of the month coinciding with or following meeting eligibility requirements.

To be eligible to receive employer discretionary non-elective contributions, non-union employees must be twenty-one and complete one year of service with 1,000 hours. For purposes of employer discretionary non-elective contributions, an employee can enter the plan immediately following meeting the eligibility requirements. To receive employer discretionary non-elective contributions, non-union employees must have 1,000 hours of service during the plan year and be employed on the last day of the plan year to which the contribution relates. These requirements are waived upon death, disability, termination or attainment of normal retirement age (defined as age 65) in the year to which the contribution relates.

Contributions - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions.
- b. Employee rollover contributions are accepted by the plan from other qualified plans.
- c. Employer safe harbor matching contributions are paid weekly coinciding with the employer's payroll, with an annual true-up contribution. The employer safe harbor matching contributions are equal to 100% of the first 4% of compensation that a participant contributes to the plan.
- d. Non-elective contributions may be made at the employer's discretion. Employer discretionary non-elective contributions of 11% of eligible compensation were contributed to the plan in 2025 and 2024. Such contributions are remitted to the plan annually subsequent to year end.

Participant accounts - Earnings, including fair value appreciation or depreciation, are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral contributions, rollover contributions and employer contributions. Participants are allowed to transfer funds between the various investment options daily and change their deferral percentage each pay period.

Vesting - Participants are always 100% vested in their elective deferral, rollovers and employer safe harbor matching contributions and related earnings. Participants begin vesting in employer discretionary non-elective contributions and related earnings upon two full years of service, at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Upon death, disability or attainment of normal retirement age while employed, participants become 100% vested.

Payment of benefits - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attainment of normal retirement age. Participants may receive their distribution in the form of a single lump sum, partial payments or installment payments. In-service withdrawals can commence upon attaining the age of 59½. Hardship withdrawals are permitted under certain circumstances.

Notes to Financial Statements
November 30, 2025 and 2024

Administrative expenses - Certain administrative fees of the plan are paid by the employer. Certain other administrative fees are paid by the plan from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution fees and nonparticipant directed charges for service, advisory and administrative fees. The nonparticipant directed charges are allocated to participants on an account value basis.

Forfeitures - Forfeitures may be used to pay administrative expenses or reduce employer contributions. Forfeitures used to reduce employer contributions were \$22,000 in 2025 and \$52,000 in 2024. Unapplied forfeitures were \$112,000 and \$13,000 as of November 30, 2025 and 2024.

Notes receivable from participants - Participant loans are not permitted under the plan.

3. PARTY-IN-INTEREST TRANSACTIONS

The plan has administrative service agreements with the custodians (for the periods of time as defined in Note 1) in which the custodians provide certain administrative services to the plan. The custodians receive revenue from the mutual fund service providers for services the custodians provide to the funds. This revenue is used to offset certain amounts owed to the custodians for their administrative services to the plan. The plan paid the custodians for certain other service fees that were not covered by the revenue sharing provisions per the administrative services agreement. Direct fees paid by the plan to the custodians were \$56,000 in 2025 and \$76,000 in 2024. All of the party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in any employer discretionary non-elective contributions and related earnings.

5. INCOME TAX STATUS

Effective February 1, 2024, the plan adopted a CCH Incorporated non-standardized pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenues Code. Prior to February 1, 2024, the plan was operating under an AT Retirement Services LLC non-standardized pre-approved profit sharing/money purchase plan that received a favorable opinion letter on June 30, 2020. There were no functional changes to the plan as a result of this adoption. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan. However, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of November 30, 2025 and 2024. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY THE CUSTODIANS

Management has obtained certifications from the custodians (as described in Note 1), which are qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held for the plan and the fair values of such as of November 30, 2025 and 2024;
- b. Dividends from investments and net appreciation (depreciation) in fair values of investments during the years ended November 30, 2025 and 2024; and
- c. Contributions to, investment income (loss) credited to, benefits paid from, administrative expenses and transfers between investment accounts during the years ended November 30, 2025 and 2024.
