Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

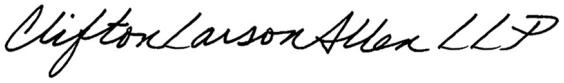

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the University of Maryland Medical Center Midtown Campus 401(k) Profit Sharing Plan for Union Employees (the Plan) provides general information about the Plan's provisions. Maryland General Hospital Inc. dba: University of Maryland Medical Center Midtown Campus, (the Hospital) is the plan sponsor. Participants should refer to the summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan established on July 1, 1989 and covers substantially all employees of the Hospital that are included in the collective bargaining agreement for members of Local 1199SEIU United Healthcare Workers East. Participants are eligible to contribute to the Plan immediately upon hire. Participants are eligible to participate in the Hospital contribution feature of the Plan after they reach age 21 and are credited with one year of service. Leased employees are excluded from participation in the Plan.

Contributions

Participants may elect to contribute to the Plan an amount up to 100% of pre-tax annual compensation, as defined by the Plan, not to exceed annual limitations set by the Internal Revenue Service (IRS). Participants may also make Roth contributions to the Plan. Newly eligible participants are automatically enrolled at a rate of 2% of compensation, unless they elect otherwise. In July of each subsequent year, automatically enrolled participants will have their contribution rates increased by 1% until the participant's contribution rate reaches 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions up to annual limits set by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Hospital makes a contribution of 5% of a participant's eligible compensation, as defined by the Plan, for employees who have completed at least 1 year and 1,000 hours of services and attained 21 years of age, effective on the first day of the month subsequent to attaining the eligibility criteria. In addition, upon a participant's retirement, the Hospital shall contribute 5% to the Plan for all accrued sick hours paid in excess of 100 hours to the Plan.

The Hospital remitted a QNEC for corrective contributions for employees who became eligible for the Hospital contribution from 2022 to 2024 but did not begin to receive the contribution timely.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Hospital's contribution, and an allocation of Plan (losses) earnings and administrative expenses. Plan earnings are allocated based on the participant's share of net losses and earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All accounts are participant directed.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become vested in the Hospital's contributions and earnings thereon at a rate of 25% after two years, 50% after three years, 75% after four years, and 100% after five years of service. In the event of a participant's termination of employment due to death or disability, or in the event the participant remains employed until reaching normal or early retirement, the participant obtains an immediate 100% vested interest in the Hospital's contributions and Plan earnings under the terms set forth in the Plan.

Payment of Benefits

Participants or their beneficiaries are eligible to receive (i) a lump sum equal to one-half of the vested account with the remaining one-half to be paid in ten installments; (ii) a lump sum equal to the value of the entire vested account (which is available only if certain requirements are met); (iii) a life annuity; (iv) a joint and 50% survivor spouse annuity, or (v) a joint and 75% survivor annuity. Payments generally may begin upon retirement or other termination of employment, or if elected by a participant, in the calendar year in which the participant reaches age 73 even if the participant is still employed. A participant may also elect to receive a distribution from his or her salary reduction account under the Plan upon a financial hardship in accordance with IRS guidelines or if the participant is called to active military duty for a period of more than 30 days. The amount that is paid is equal to the value of the participant's vested interest in his or her account. If a participant terminates employment and the participant's account balance does not exceed $1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between $1,000 and $7,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. If the participant is under age 65 at termination of service, the participant may defer distribution until a later date.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Upon termination of employment, participants forfeit their non-vested balances. Subject to certain exceptions, if a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts are used to pay expenses of the Trust for the Plan Year or to reduce Hospital contributions for the Plan Year. The amount of forfeitures available were $25,463 and $1,499 at December 31, 2025 and 2024, respectively. The Hospital used $34,310 and $26,104 of forfeitures to fund Hospital contributions during the years ended December 31, 2025 and 2024, respectively. No forfeitures were used to fund Plan expenses during the years ended December 31, 2025 and 2024.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with generally accepted accounting principles require the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants and the Hospital are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Administrative expenses of the Plan are paid from the forfeitures account, through charging participants' accounts, and from excess revenue sharing. Participant administration fees have been included in administrative expense. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. The Plan received $46,634 and $34,898 of ERISA spending account revenue for which $30,994 and $25,739 was used to pay Plan expenses during the years ended December 31, 2025 and 2024, respectively. No ERISA spending account revenue was reallocated to participant accounts during the years ended December 31, 2025 and 2024. The net of this activity has been recorded as Other Income on the statements of changes in net assets available for benefits. As of December 31, 2025 and 2024, the ERISA spending account totaled $30,133 and $13,488, respectively.

Subsequent Events

The Plan has evaluated subsequent events through August 27, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

Empower Trust Company, LLC, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of investments as of December 31, 2025 and 2024, and investment income for the years then ended, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the assets or liabilities. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g. interest rate and yield curve quotes at commonly quoted intervals);
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Unobservable inputs for the asset or liability (i.e. supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety. Following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued and traded on an active market typically at a stable $1.00 NAV.

Collective Trust funds: Valued at NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchase and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 2,663,446	$ -	$ -	$ 2,663,446
Money Market Fund	57,345	-	-	57,345
Collective Trust Funds	-	6,101,661	-	6,101,661
Total Investments at Fair Value	$ 2,720,791	$ 6,101,661	$ -	$ 8,822,452

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 7,697,005	$ -	$ -	$ 7,697,005
Money Market Fund	16,394	-	-	16,394
Total Investments at Fair Value	$ 7,713,399	$ -	$ -	$ 7,713,399

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire accounts and will receive distributions of their vested accounts in accordance with Plan terms and IRS requirements.

NOTE 6 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan is invested in shares of a money market fund managed by Empower Trust Company, LLC, the qualified institution as of December 31, 2025 and 2024. This investment, including any interest and dividends, qualify as party-in-interest investments/transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Hospital by a letter dated May 1, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving this determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISK AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
