Independent Auditors' Report

Plan Administrator and Participants
LawnPro Partners 401(k) Savings Plan
Washington DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of LawnPro Partners 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (modified cash basis).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in

Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the

benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

LAWNPRO PARTNERS 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2025

NOTE 1 Description of plan

The following description of LawnPRO Partners 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions. The Plan was effective beginning on January 1, 2025.

General

The Plan is a defined contribution plan covering substantially all employees of DV Turf Supply and Service, Inc., Lawn Rx, Inc., Highest Quality Lawn Care, Inc., Ritenour Custom Lawn Care, Inc., Fairway Lawn & Tree Service, Inc., Grasshopper Lawns, LLC, Brookside Lawn Services, Inc., Henderson Services, Inc., Meehan Lawn Service, Green Image Lawn Care, Concord Custom Lawn Care, Gro-Masters, Seacoast Tree Care, LLC, Seacoast Turf Care, LLC, Green Machine Lawn Service, Inc., Native Grasses, LLC, and TLC Total Lawn Care (the "Companies") who are age eighteen and have completed two consecutive months of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan, and determines the appropriateness of the Plan's investments and monitors investment performance.

The following plans merged into this Plan during 2025 in the total amount of \$3,134,498:

- Brookside Lawn Services 401(k) Retirement Plan;
- Fairway Lawn & Tree Service, Inc. 401(k) Profit Sharing Plan and Trust;
- Ritenour Custom Lawn Care, Inc. Profit Sharing Plan;
- Native Grasses, LLC 401(k) Retirement Plan;
- Seacoast Tree Care, LLC Retirement Savings Plan

Contributions

Each year, participants may contribute up to 90% of their annual compensation, as defined in the Plan, but not more than the statutory maximum. Participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision for all newly hired participants unless they elect otherwise. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a qualified default investment alternative until changed by the participant. The Companies make matching contributions equal to 100% of eligible deferrals up to 4% of compensation. The Companies will not match eligible deferrals that exceed 4%. Plan contributions are subject to certain IRS limitations.

Setting Every Community Up for Retirement Enhancement Act (SECURE) 2.0 Act

President Biden signed the Consolidated Appropriations Act (CAA) --including SECURE 2.0 Act of 2022--into law on December 29, 2022. SECURE 2.0 builds on changes made by the SECURE Act of 2019, and the Plan document has been amended for provisions required to be effective in 2025 and will be amended in accordance with the required timeline of the act to meet the applicable provisions effective after December 31, 2025.

LAWNPRO PARTNERS 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2025

Participant Accounts

Each participant's account is credited with the participant's contribution and Companies' matching contributions and an allocation of plan earnings (losses) and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and company contributions plus actual earnings thereon.

Payment of benefits

Withdrawals are allowed under the following circumstances: (a) termination of employment, (b) retirement, (c) attainment of age 59 ½, (d) disability, and (e) death. Distributions under the Plan are payable at the election of participants (or their beneficiaries in the case of death during active employment) in one lump-sum payment, installments over a period of not more than your assumed life expectancy (or the assumed life expectancy of you and your beneficiary), or partial withdrawals.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus one percent when the borrowing was made. Principal and interest are paid ratably through payroll deductions. A participant may only have one loan outstanding at any one time.

NOTE 2 Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles in the United States. The modified cash basis of accounting utilizes the cash basis of accounting, while carrying investments at fair value. Certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Use of estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Executive Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and recordkeeper. See Note 3 for a discussion of fair value measurements.

LAWNPRO PARTNERS 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2025

Purchases and sales of securities are recorded when paid or received. Interest income is recorded on the modified cash basis as described above. Dividends are recorded on the date of payment. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid balance. Interest income is recorded as received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when paid. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Contributions

Contributions from the Plan participants and any matching contributions from the Companies are recorded in the year in which the contributions are received by the Plan.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs used in determining valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

LAWNPRO PARTNERS 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2025

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Registered investment companies ("mutual funds") are valued at the daily closing price as reported by the fund. They are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price and are deemed to be actively traded.

The stable value collective trust funds are composed primarily of fully benefit-responsive investment contracts that are valued at net asset value of units of the bank collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trusts, the issuer currently reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,970,372	\$ -	\$ -	\$ 3,970,372
Total assets in the fair value hierarchy	3,970,372	-	-	3,970,372
Investments measured at net asset value (1)	-	-	-	616,174
Investments at fair value	\$ 3,970,372	\$ -	\$ -	\$ 4,586,546

(1) Investments measured at fair value using the net asset value per share practical expedient

have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no transfers of investments into or out of Level 3. There are no Plan assets requiring the use of level 3 inputs for the period presented.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025:

<u>Name</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Federated Cap Pres Fund R6	\$502,195	N/A	Daily	12 months
Invesco Stable Asset Fund - ADPZ Class	\$113,979	N/A	Daily	12 months

NOTE 4 Related party and party-in-interest transactions

Certain Plan investments were managed by ADP Retirement Trust Services, LLC ("ADPRTS"). ADPRTS is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan also issues notes receivable to participants, which are secured by the balances in the participant's accounts. These transactions qualify as party in interest transactions.

The aforementioned trustee provided certain administrative services to the Plan pursuant to service agreements between the Companies and the trustee and the trustee's respective agents. The trustee received revenue from mutual fund service providers for services the trustee provided to the funds. This revenue was used to offset certain amounts owed to the trustee for its administrative services to the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 Plan termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 Net assets available for benefits

Net assets available for benefits at December 31, 2025 include \$744,076 allocated to accounts of participants who are no longer employed by the Companies and their balances remain in the Plan at December 31, 2025.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2025

NOTE 7 Tax status

The Plan operates under a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA with a cash or deferral arrangement, which received an opinion letter dated October 6, 2020 from the Internal Revenue Service ("IRS") indicating this Plan was an acceptable plan under applicable sections of the Internal Revenue Code ("IRC") for use of employers for the benefit of their employees. An employer who adopts this plan will be considered to have a plan qualified under Code Sections 401(a) and 501(a), providing all the terms of the Plan are followed and the eligibility requirements and contribution or benefit provisions are not more favorable to officers, owners or highly compensated employees than for other employees. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

NOTE 8 Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 Information certified by the trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by ADPRTS (the trustee of the Plan).

NOTE 10 Subsequent events

The Plan has evaluated subsequent events through July 31, 2026, the date on which the financial statements were available to be issued.
