## Report of Independent Auditor

To the Retirement Committee  
Kimley-Horn and Associates, Inc.  
Retirement Savings and Pension Plan  
Raleigh, North Carolina

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kimley-Horn and Associates, Inc. Retirement Savings and Pension Plan (the “Plan”), employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investments information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule of Delinquent Contributions – Form 5500, Schedule H, Part IV, Line 4a, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*DECEMBER 31, 2025 AND 2024*

**Note 1—Description of the Plan**

The following description of the Kimley-Horn and Associates, Inc. Retirement Savings and Pension Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

*General* – The Plan is a defined contribution plan covering substantially all employees of Kimley-Horn and Associates, Inc. (the “Sponsor”). The Plan was established May 1, 1968, and was most recently amended effective May 19, 2023, to add prior service credit for employees under Kimley-Horn of Puerto Rico, LLC and include employees of Kimley-Horn of Puerto Rico, LLC as an eligible class of employees for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). There is no age requirement to be eligible for the Plan. Eligible employees may enter the Plan after 30 days of employment. Participants are eligible for the discretionary Sponsor match and profit sharing contributions following one year of employment. Generally, participants must have also completed 1,000 hours of service, as defined by the Plan, and be employed on the last day of the Plan year in order to receive the discretionary Sponsor match and profit sharing contributions. However, participants who retired, died, or became disabled while in service during the Plan year would be eligible for the Sponsor match and profit sharing contributions through their last day of service with the Plan. The Retirement Committee is responsible for oversight of the Plan. The Plan’s Retirement Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Retirement Committee.

*Contributions* – Each year, participants may contribute up to 75% of pretax annual compensation, subject to regulatory guidelines. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For the year ended December 31, 2025, the maximum catch-up contributions permitted by Internal Revenue Service (“IRS”) regulations for participants that have attained age 50 before the end of the Plan year was \$7,500, however for employees that were ages 60 to 63 during the Plan year, the maximum catch-up contribution was \$11,250 instead of \$7,500. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants are automatically enrolled at 4% deferral rate. For the year ended December 31, 2025, the discretionary Sponsor matching contribution was 200% of the first 4% of eligible compensation that a participant contributes to the Plan. Discretionary Sponsor matching contributions were approximately \$95,559,000. In addition to the discretionary Sponsor matching contribution, the Sponsor may make an annual discretionary profit sharing contribution to the Plan, as authorized by the Sponsor. Discretionary Sponsor profit sharing contributions were approximately \$93,874,000, net of forfeitures, for the year ended December 31, 2025. Contributions are subject to certain IRS limitations.

*Participant Accounts* – Each participant’s account is credited with the participant’s contribution including any rollover amounts from qualified plans and allocations of: (a) the discretionary Sponsor matching contribution, (b) the Sponsor discretionary profit sharing contribution, (c) Plan earnings (losses), and (d) forfeitures, and charged with the participant’s distributions and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Investment Options* – Participants may direct contributions to selected investments as made available and determined by the Plan administrator. Participants may change their investment options at any time throughout the year via direct phone and internet access to the third party administrator.

**Note 1—Description of the Plan (continued)**

*Vesting* – Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the discretionary Sponsor matching contribution and Sponsor's discretionary profit sharing contribution portion of their accounts is based on years of continuous service as follows:

This table applies to matching contributions and profit sharing contributions:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2 years       | 0%                        |
| 2 years                 | 20%                       |
| 3 years                 | 40%                       |
| 4 years                 | 60%                       |
| 5 years                 | 80%                       |
| 6 or more years         | 100%                      |

*Notes Receivable from Participants* – Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their non-forfeitable account balance, whichever is less. Loan terms may not exceed five years. Participants are limited to one outstanding loan. The loans are secured by the balance in the participant's account and bear interest rates that range from 4.25% to 9.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid through payroll deductions for employees.

*Payment of Benefits* – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a terminated participant's vested balance is less than or equal to \$7,000, the amount may be automatically distributed in the form of lump sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

*Forfeited Accounts* – As of December 31, 2025 and 2024, there were \$5,308,788 and \$4,836,307 forfeited nonvested accounts, respectively. Forfeitures are used to reduce Sponsor contributions, pay administrative expenses of the Plan, and to restore a participant's account if the participant resumes service prior to experiencing a forfeiture break in service. During the year ended December 31, 2025, forfeited nonvested accounts of \$4,781,195 and \$165,032 were used to reduce Sponsor contributions and pay administrative expenses of the Plan, respectively.

**Note 2—Summary of significant accounting policies**

*Basis of Accounting* – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") under the accrual method of accounting.

*Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Payment of Benefits* – Benefits are recorded when paid.

**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2025 AND 2024

---

**Note 2—Summary of significant accounting policies (continued)**

*Investment Valuation and Income Recognition* – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 – *Fair value measurements* for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Risks and Uncertainties* – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant note receivable balance is reduced and a benefit payment is recorded as defaulted distribution based upon terms of the Plan document.

*Administration Expenses* – As provided by the Plan document, certain administrative expenses of the Plan are paid by the Plan and allocated to the participants and the remainder is paid by the Sponsor. Certain expenses associated with the administration of the Plan are paid through offsets and/or payments which may be attributable to the annual operating expenses of one or more of the Plan's designated investment options. Certain of these payments are credited to the Plan and are available to pay future Plan administrative expenses. The Sponsor paid \$96,290 and \$91,475 in Plan administrative expenses for the years ended December 31, 2025 and 2024, respectively, which were reimbursed by the Plan subsequent to each year-end.

**Note 3—Fair value measurements**

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

*Level 1* – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

*Level 2* – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

*Level 3* – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

**RETIREMENT SAVINGS AND PENSION PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2025 AND 2024

**Note 3—Fair value measurements (continued)**

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methods used at December 31, 2025 and 2024.

*Mutual Funds* – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

*Common/Collective Trusts* – These investments are public investment vehicles valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments are valued at NAV as a practical expedient, the common/collective trusts are not classified within the fair value hierarchy.

The investment objectives of the common/collective trusts are to maximize current income consistent with the maintenance of principal. The common/collective trusts attempt to achieve these objectives by investing primarily in guaranteed investment contracts issued by insurance companies; investment contracts issued by banks; structured or synthetic investment contracts issued by banks, insurance companies, and other issuers, as well as the securities supporting such synthetic investment contracts (underlying assets); separate account contracts; and other similar instruments that are intended to maintain a constant net asset value.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize investments measured at fair value as of December 31:

| As of December 31, 2025                                    |                |         |         |                        |

**Note 4—Information certified by the Plan's qualified institution**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, the "Trustee" and "qualified institution" of the Plan has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025.

**Note 5—Party-in-interest transactions**

Certain Plan investments are shares of mutual funds and common collective trusts managed by the Trustee. CAPTRUST Financial Advisors is the investment advisor and co-fiduciary. Cherry Bekaert LLP provided independent audit services to the Plan. These transactions qualify as party-in-interest transactions. Fees paid to the Trustee, CAPTRUST Financial Advisors, and Cherry Bekaert LLP by the Plan totaled \$641,408 the year ended December 31, 2025. In addition, there were recordkeeping expenses incurred of \$4,351,618 for the year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

**Note 6—Plan termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2025 AND 2024*

**Note 7—Income tax status**

The IRS has determined and informed the Sponsor by a letter dated August 19, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's management believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8—Delinquent participant contributions**

For the year ended December 31, 2025, the Sponsor did not remit certain participant contributions to the Plan on a timely basis as defined by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Contributions totaled \$5,738,827 for the year ended December 31, 2025. The Sponsor remitted the withholdings and lost earnings to the Plan in 2026.
