INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Imerys 401(k) Plan for Bargaining Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Imerys 401(k) Plan for Bargaining Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOR BARGAINING EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

1. DESCRIPTION OF PLAN

The following description of the Imerys 401(k) Plan for Bargaining Employees (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Imerys USA, Inc. (Imerys) and companies affiliated with Imerys that adopt the Plan (collectively, the Company). The Plan covers hourly employees of the Company and eligible employees of adopting employers of the Plan, with the exception of nonresident alien employees; leased employees; any employees who are not hourly or who are hourly but are not covered by a collectively bargained agreement providing for their participation in the Plan; any employees not receiving compensation other than a pension, severance pay, retainer or fee under contract; expatriates; employees of Hecla Mining Company or MWCA, Inc.; and employees determined to participate in a retirement, deferred compensation or comparable plan in a jurisdiction other than the United States.

The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Employees of Imerys Marble, Inc. covered by a collective bargaining agreement with the LIUNA Construction Journeymen Stone Cutters Local 752 and/or with The United Steelworkers of America, Local 2401, who are at least 21 years of age, become eligible to participate in the Plan upon completion of six months of service. Employees of NYCO Minerals, Inc. covered by a collective bargaining agreement, become eligible to participate in the Plan upon completion of six months of service. All other employees are immediately eligible to participate in the Plan. Upon satisfaction of the requirements, eligible employees may enroll in the Plan as of the first day of any month.

Plan Administration

Charles Schwab Trust Bank (the Trustee) is the appointed trustee of the Plan and Schwab Retirement Plan Services Company is the recordkeeper for the Plan. The Plan is administered by a retirement committee appointed by the Board of Directors (the Board) of the Company.

Contributions

Participants may elect to contribute from 1% to 75% of their eligible compensation, subject to Internal Revenue Code (IRC) limitations. Any eligible employees hired or rehired on or after April 30, 2010, will automatically be enrolled in the Plan and will be treated as having elected a 3% contribution to the Plan beginning with the first pay date after 60 days from their eligibility date in the Plan. At any time, the participant may elect to override the automatic contribution and elect to change their deferral percentage.

On April 1 of each calendar year, any eligible employee that has elected to contribute less than 3% of their compensation to the Plan or has elected not to contribute to the Plan will be treated as having elected a 3% contribution to the Plan, commencing as soon as administratively

**IMERYS 401(k) PLAN
FOR BARGAINING EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

possible. At any time, the participant may elect to override the automatic contribution and elect to change their deferral percentage.

In 2020, the Plan was amended to add automatic deferral increases for participants eligible to participate, with annual 1% increases of eligible compensation until the employee's contribution deferral percentage reaches 10%. Participants may decline to participate in the Plan or change their deferral percentage in 1% increments at any time.

Depending on the terms of the participant's employment agreement, the Company may match a portion of the participant's pretax contribution up to a percentage of their compensation as outlined by the Plan, subject to IRC limitations. Rollovers are accepted from other tax-qualified plans.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions and an allocation of Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their contributions to the Plan. Based upon the terms of the participant's employment agreement, Company contributions vest as outlined by the Plan. Forfeitures of nonvested amounts are used to pay administrative expenses. As of December 31, 2025 and 2024, forfeited accounts were approximately \$6,530 and \$32,100, respectively. During 2025, forfeitures of \$24,493 were used to pay Plan expenses and are included on the statement of changes in net assets available for benefits.

Notes Receivable from Participants

Participants may borrow from their vested account amounts not to exceed the lesser of 50% of the participant's balance or \$50,000. The interest rate is determined by the Plan administrator based on the prevailing market conditions and is fixed over the life of the loan. Loan repayments are generally made through payroll deductions and normally must be repaid within a five-year term unless the loan was used to purchase a primary residence, which could extend the term to 25 years. Loans become due and payable in full once a participant terminates employment.

Investment Options

Contributions to the Plan are invested pursuant to the investment options elected by the Plan participants. Investment option elections can be changed by the participants at any time. Investment options available generally include mutual funds and a common collective trust (CCT) fund, some of which are managed by affiliates of the Trustee.

**IMERYS 401(k) PLAN
FOR BARGAINING EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Payment of Benefits

A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account upon termination of service. In-service withdrawals are permitted after the age of 59½ or due to financial hardship. The form of payment is a lump-sum distribution.

Administrative Expenses

A majority of administrative expenses of the Plan are paid by the Company. If the Company elects not to pay such expenses, these shall be paid by the Plan, in accordance with Plan provisions. For the year ended December 31, 2025, a majority of the expenses paid by the Plan were paid for recordkeeping services, as well as audit and investment advisor fees.

Net Transfers to Affiliated Plan

Net transfers represent the transfer of participant balances from this Plan to an affiliated plan of the Company, or vice versa, due to the participant no longer meeting the Plan's eligibility requirements as the participant's employment status has changed (e.g., from union to nonunion).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options, including mutual funds and a CCT fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**IMERYS 401(k) PLAN
FOR BARGAINING EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The valuation methodologies are as follows:

Mutual funds (held in self-directed account): Valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted market prices.

CCT fund: Valued at the NAV of units held by the Plan at year end. The NAV of units in the CCT fund is determined by the custodian of the fund based on the fair market value of the underlying assets. There are no redemption restrictions or unfunded commitments relative to the CCT fund. The CCT fund transacts on a daily basis.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses of the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

3. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities inputs (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**IMERY'S 401(k) PLAN
FOR BARGAINING EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. There were no Level 2 or 3 investments as of December 31, 2025 and 2024.

Fair Value Measurements as of December 31, 2025

	Level 1	Total
Self brokerage account	\$ 43,262	\$ 43,262
Total investments, in fair value hierarchy	\$ 43,262	
Investments valued at NAV (CCT fund) ⁽¹⁾⁽²⁾		47,569,177
Total investments, at fair value		\$ 47,612,439

Fair Value Measurements as of December 31, 2024

	Level 1	Total
Self brokerage account	\$ 168,046	\$ 168,046
Total investments, in fair value hierarchy	\$ 168,046	
Investments valued at NAV (CCT fund) ⁽¹⁾⁽²⁾		47,135,659
Total investments, at fair value		\$ 47,303,705

⁽¹⁾ In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

⁽²⁾ In accordance with the adoption of FASB Accounting Standards Update (ASU) 2015-12, *Plan Accounting (Topics 960, 962, 965)*, if an investment is measured using the NAV per unit (or its equivalent) as the practical expedient in ASC 820 and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required.

4. INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee of the Plan.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any participant who is not fully vested will become 100% vested in their account.

6. INCOME TAX STATUS

The Company received a determination letter from the Internal Revenue Service (IRS) dated September 7, 2011, indicating that the Plan is acceptable in form in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2025 and 2024, and for the year ended December 31, 2025, there were certain Plan investments held by the Plan which were managed by affiliates of the Trustee. Therefore, transactions in these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services and recordkeeping fees were paid by the Plan and reflected in administrative expenses for the year ended December 31, 2025.

The following is a reconciliation between the amounts reported within the financial statements and Form 5500 for the year ended December 31, 2025.

Net increase prior to Plan transfer per financial statements	\$ 805,316
Certain deemed distributions of participant loans	<u>7,855</u>
Net income per Schedule H of Form 5500	<u><u>\$ 813,171</u></u>

9. SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events through September 2, 2026, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under FASB ASC Topic 855, *Subsequent Events*.
