REPORT OF INDEPENDENT AUDITORS

Plan Administrator and Plan Trustees
The AME Group Employee Stock Ownership Plan
Vincennes, Indiana

Opinion

We have audited the accompanying financial statements of The AME Group Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets in liquidation available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets in liquidation available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets in liquidation available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Plan was terminated effective December 2, 2024, and management concluded that liquidation was imminent. Accordingly, the Plan adopted the liquidation basis of accounting for the preparation of its financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

REPORT OF INDEPENDENT AUDITORS - CONTINUED

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been

REPORT OF INDEPENDENT AUDITORS - CONTINUED

subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE AME GROUP EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following brief description of The AME Group Employee Stock Ownership Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for complete information.

General

The Plan, established by The AME Group (the Company) effective January 1, 1998, operates, in relevant part, as an employee stock ownership plan (ESOP). It is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code (IRC) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by the Company's Board of Directors.

The Board of Directors of the Company approved the termination of the Plan effective December 2, 2024. Upon termination, all participants became 100% vested in their account balances. No additional participants entered the Plan, and no employer contributions or benefit accruals were made, after the termination date. In connection with the Plan's termination, employees who were employed by the Company on the termination date and completed at least 921 hours of service (a prorated portion of the 1,000-hour requirement for the partial plan year beginning January 1, 2024) became eligible to participate in the Plan and receive a final allocation.

During the year ended December 31, 2024, the Plan filed for an updated determination letter from the Internal Revenue Service (IRS) to confirm the Plan's continued tax-qualified status upon termination. As of the date of these financial statements, the Plan has not received a response from the IRS. In anticipation of receiving the determination letter, participants were issued a partial distribution equal to 80% of their account balances.

Management determined that liquidation of the Plan was imminent as of the termination date. Accordingly, the Plan adopted the liquidation basis of accounting for the preparation of these financial statements. Under this basis, assets are stated at their estimated net realizable values and remaining amounts are expected to be used principally for participant distributions, upon receipt of a favorable IRS determination letter and for liquidation-related expenses.

Payment of Benefits

Effective December 2, 2024, upon termination of the Plan, participants with a nonforfeitable account balance exceeding \$1,000 but not exceeding \$7,000 were subject to a mandatory distribution. These distributions are made in the form of an automatic rollover to an eligible retirement plan or to an individual retirement account or annuity.

THE AME GROUP EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1, management determined that liquidation was imminent and, accordingly, changed to the liquidation basis during 2024.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Income Recognition

Net appreciation in estimated fair value of common stock includes the Plan's gains and losses on the Company's common stock. As of December 2, 2024, the Company approved termination of the Plan (Note 1) and liquidated the common stock of the AME Group during the year ended December 31, 2024. During 2025, the Plan recorded additional net appreciation in estimated fair value of common stock related to sale proceeds received in 2025 related to the 2024 transaction, which were not accrued in the 2024 financial statements. Management evaluated the omission and concluded the additional proceeds were not material to the previously issued 2024 financial statements.

Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Unless paid by the Company, all reasonable expenses of maintaining the Plan shall be paid by the Plan. The Company may in its discretion pay certain expenses on behalf of the Plan.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is September 1, 2026.

THE AME GROUP EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

3. ADMINISTRATION OF PLAN ASSETS

Prior to plan termination, the Plan's assets, consisting exclusively of The AME Group common stock, were held by the trustee. Company contributions were also held and managed by the trustee. Menke & Associates, Inc. currently serves as the recordkeeper for participant records.

Certain administrative functions are performed by officers or employees of the Company, none of whom receive compensation from the Plan. Administrative expenses, including the trustee's fees, are paid directly by the Plan.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Prior to termination, the Plan invested in the Company's common stock. These are related party and party-in-interest transactions. As described in Note 3, the Plan has a number of service providers. Such parties are parties-in-interest under ERISA.

5. TAX STATUS

The IRS has determined and informed the Plan by a letter dated October 13, 2015, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
