Independent Auditors' Report

To the Participants and Plan Administrator of
Encompass Medical Group, P.A. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the financial statements of the Encompass Medical Group, P.A. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter — 2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 16, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan

The following description of the Encompass Medical Group, P.A. 401(k) Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Encompass Medical Group, P.A. ("the Company"). Employees (excluding non-resident aliens and leased employees) who are age twenty-one and have completed one year of service are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective December 31, 2024, ADP Retirement Trust Services, LLC became the trustee of the Plan ("the Trustee").

Prior to December 31, 2024, Reliance Trust Company was the trustee of the Plan ("the former Trustee").

Effective November 21, 2025, the Company delegated its oversight responsibilities as plan administrator, except with respect to plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator"). The Company delegated its rights and responsibilities for investment authority and oversight of the Plan's assets to the UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee"). The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allows participants to contribute up to 100% of their eligible pay. Participant contributions include pretax deferrals, Roth deferrals, and rollover contributions. Eligible employees may enter the Plan starting January 1st or July 1st of the plan year after satisfying eligibility requirements. Participants who have attained age 50 before the end of the plan year may make catch-up contributions, with additional catch-up limits available for participants age 60-63. All catch-up contributions are subject to limitations imposed by the Code.

The Company makes a safe harbor matching contribution equal to 100% of deferral contributions made by the participant provided that the match does not exceed 3% of eligible compensation, plus 50% of the next 2% of eligible compensation for a maximum contribution of 4% each pay period as defined in the Plan document. All participants are eligible to receive safe harbor matching contributions to the Plan. The Company may also make a discretionary profit-sharing contribution to be distributed among participants pro rata based upon eligible compensation within limitations as determined by the Code. There were no discretionary profit-sharing contributions made for the year ended December 31, 2025.

Subsequent to December 31, 2025, the Company made employer matching true-up contributions of \$47,015 for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, rollover contributions, the Company's safe harbor matching contributions, discretionary profit-sharing contributions, if any, and plan earnings or losses (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, employer safe harbor matching contributions and earnings thereon. Employer discretionary profit-sharing contributions, if any, and earnings thereon, vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1	25%
2	50%
3	75%
4 or more	100%

Notwithstanding the vesting schedule above, employer discretionary profit-sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 59 ½), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions, a termination from employment as a result of certain corporate transactions or an acceleration date, as defined in the Plan document.

Forfeited Accounts

As of December 31, 2025 and 2024, there were no forfeitures. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2025, there were no forfeitures used.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum. However, if a participant's account balance is valued at or less than \$1,000, it is distributed as soon as administratively practicable, without an application for distribution, in cash as a direct distribution to the participant. If the vested account balance exceeds \$1,000 but is less than \$7,000, the balance will be rolled over into an Individual Retirement Account ("IRA") designated by the Plan, unless the participant requests that the amount be rolled over into another IRA or retirement plan. With Plan Administrator approval, participants may withdraw all or part of their employee contributions in the event of financial hardship.

There are no amounts owed to participants who had elected to withdraw from the Plan but had not been paid as of December 31, 2025 and 2024.

Encompass Medical Group, P.A. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$750 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. These loans are secured by the balance in the participant's account. The loans bear interest based on the prime interest rate, plus two (2) percentage points. The maximum term for a loan is 60 months, except if the loan is used to acquire the participant's principal residence, in which case the term of the loan may not exceed 72 months. Principal and interest are paid ratably through payroll deductions or payment by check. Participants are permitted to have one outstanding loan at a time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from plan participants and the employer contributions are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Encompass Medical Group, P.A. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

The Plan has a revenue sharing agreement with the Trustee. If the Trustee receives fund compensation above a certain amount, the excess compensation was made available to the Plan to offset administrative expenses. If the excess compensation is greater than administrative expenses the excess is allocated to participants. For the year ended December 31, 2025, revenue sharing funds in the amount of \$57,969 was used to pay administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through August 31, 2026, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Trustee and Former Trustee

Certain information related to investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by the Trustee and former Trustee.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Common collective trusts: Valued at the net asset value ("NAV") of units held. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - Fair Value of Financial Instruments (cont.)

Investments Measured Using the NAV Per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024.

Investment	Fair Value ⁽¹⁾	Unfunded Commitment	Redemption Frequency ⁽²⁾	Redemption Notice Period ⁽³⁾
December 31, 2025				
Common collective trust	\$ 1,742,934	\$ -	Immediate	3 days
Investment	Fair Value ⁽¹⁾	Unfunded Commitment	Redemption Frequency ⁽²⁾	Redemption Notice Period ⁽³⁾
December 31, 2024				
Common collective trust	\$ 1,635,108	\$ -	Immediate	3 days

(1) The fair value of investments is based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common collective trusts to be deferred, including, but not limited to, the following:

- (i) Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
- (ii) An emergency situation in which the disposition of assets would be seriously prejudicial to participants.
- (iii) Breakdown in the means of communication normally employed to determine fair market value of an investment.
- (iv) Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2025 or 2024.

(3) Certain common collective trusts require redemption notice periods for plan or participant withdrawals at the discretion of the investment advisor.

Encompass Medical Group, P.A. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 5 - Related Party and Party-in-interest Transactions

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7 - Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored by ADP, LLC. The pre-approved plan sponsor received an opinion letter from the Internal Revenue Service (IRS), dated October 6, 2020, which states the pre-approved document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and Plan's tax counsel believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2025 and 2024, the Plan had investments of \$3,322,984 and \$2,624,644 concentrated in one investment, respectively, that each accounted for more than 10% of plan investments.
