INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Georgetown College Defined Contribution Retirement Plan
Georgetown, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We were engaged to perform an audit of the financial statements of Georgetown College Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2024 Financial Statements

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan does not have sufficient accounting records and supporting documents relating to certain participant accounts and annuity contracts and custodian accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter—2024 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to, and we do not express an opinion on the supplemental schedules referred to above.

Auditor's Report on the 2023 Financial Statements

The 2023 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2024, indicated that a) We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. b) Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

GEORGETOWN COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Georgetown College Defined Contribution Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General – The Plan is a defined contribution 403(b) retirement plan originally established August 1, 1962, by Georgetown College (the College or Plan Sponsor), subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by Teachers Insurance and Annuity Association (TIAA), the trustee. The Plan has been amended and restated from time to time, since its original effective date August 1, 1962.

Eligibility – The Plan covers substantially all employees of the College, except for those who normally work less than 20 hours per week. All full-time employees, including salary and hourly employees, are eligible immediately upon date of hire and are automatically enrolled. Part-time hourly employees are immediately eligible upon date of hire and are automatically enrolled in employee contributions, but must work a minimum of 1,000 hours per year, on an on-going basis, to be eligible to receive employer matching contribution.

Contributions – Each year, participants may contribute up to the maximum allowable contribution, as defined by the Internal Revenue Code (IRC). The College may contribute matching and nonelective contributions. A matching contribution is a contribution the College makes based on participant elective deferrals. If a participant does not make any elective deferrals, they will not receive any matching contributions. The College's matching contributions consist of a fixed amount equal to 2% of the participant's compensation per payroll period. The total contribution to a participant's account for the Plan year cannot exceed the maximum limit determined by Internal Revenue Service (IRS) regulations.

Participants' Accounts – Each participants' account is credited with the participants' contribution, the College's matching contribution, the College's nonelective contributions and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which the participant is entitled is the benefit that can be provided from the participant's account.

Vesting – Participants are immediately vested in their voluntary contributions and related earnings thereon. Participants are 50% vested in the College's matching and nonelective contributions, and related earnings thereon after two years of service and 100% vested after three years of service.

Forfeited Accounts – All forfeitures are applied to fixed employer matching contributions or allocated as additional discretionary employer matching contributions. At December 31, 2024 and 2023, unused participant forfeited accounts totaled \$7,845 and \$22,349, respectively. During 2024 and 2023, \$28,589 and \$108,939 in forfeitures were used to reduce employer contributions, respectively. Forfeited participant balances during 2024 and 2023 totaled \$13,879 and \$72,645, respectively. During 2024 and 2023, forfeited participant balances earned \$206 and \$1,531 of investment income, respectively.

Payment of Benefits – Upon termination of service, a participant may elect to receive his or her vested account by lump sum or in the form of an annuity contract.

Risk and Uncertainties – The Plan provides for various participant-directed investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

GEORGETOWN COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN - continued

Notes Receivables from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may not have more than two loans outstanding at any point in time. The loans are secured by the balance in the participant's account. The interest rate will vary based on how the balance is invested. Principal and interest are paid ratably through payroll deductions.

Plan Loans – Plan loans are issued directly from funds owned by TIAA and not directly from a participant's account. Adequate security is required and a portion of the participant's account is reserved, or held in collateral, to cover 110% of the outstanding loan in case of default. The collateral is held in the TIAA Traditional Annuity as either part of a Group Supplemental Retirement Annuity (GSRA) contract or as a separate Retirement Loan contract.

The loan interest rate for these plan loans may be fixed or variable and the initial rate is determined by the terms of the controlling contract as is the rate adjustment details and frequency. For loans having collateral held in a GSRA contract, principal repayments increase the amount of TIAA Traditional funds available for the participant's use. For Retirement Loan contracts, principal repayments are transferred to the TIAA Money Market investment option in the participant's Retirement Annuity (RA) or Group Retirement Annuity (GRA) contract. For all plan loans, interest is paid directly to TIAA.

There were no plan loans outstanding as of December 31, 2024 and 2023.

Administrative Expenses – Other than fees paid to TIAA (Note 6), administrative expenses related to the Plan were paid by the College.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect the certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for fully benefit responsive investment contracts. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Contract value is the relevant measurement for fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan Document.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Date of Management's Review

The Plan has evaluated subsequent events for transactions through August 21, 2026, the date through which the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedules were prepared by or derived from information provided by TIAA, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the investments and fully benefit responsive insurance contracts which appear throughout the financial statements and the supplemental schedules.

The following table presents the fair value of assets (except for fully benefit responsive investment contract, which is reported at contract value) in the Plan that were certified by TIAA.

	<u>2024</u>	<u>2023</u>
Mutual funds	\$40,788,828	\$37,301,997
Money market account	297,330	508,176
Variable annuity	908,210	973,318
Non benefit responsive insurance contracts	16,162,998	16,118,572
Fully benefit responsive insurance contracts	760,668	916,112
Total investments	<u>\$58,918,034</u>	<u>\$55,818,175</u>
Notes receivable from participants	<u>\$ 22,765</u>	<u>\$ 10,104</u>

TIAA also certified to the completeness and accuracy of \$5,711,348 and \$6,559,100 of net realized and unrealized appreciation in the fair value of investments and \$902,194 and \$695,611 of interest and dividends related to the investments, and \$1,462 and \$602 of interest on notes receivable from participants for the years ended December 31, 2024 and 2023, respectively.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

GEORGETOWN COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS - continued

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market account: Valued at amortized cost, which approximates fair value.

Variable annuity: Value based on the market value of underlying real estate holdings which are valued using external appraisals.

Non benefit responsive insurance contracts: These are TIAA Traditional Annuity accounts valued at contract value which equals the accumulated cash contributions and interest credited to the Plan's contracts less any withdrawals. Contract value approximates fair value.

These valuation methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2024</u>				
Mutual funds	40,788,828	-	-	40,788,828
Money market account	297,330	-	-	297,330
Term annuity	908,210	-	-	908,210
Non benefit responsive				
Insurance contract	-	-	16,162,998	16,162,998
Total investments	<u>41,994,368</u>	<u>-</u>	<u>16,162,998</u>	<u>58,157,366</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Mutual funds	37,301,997	-	-	37,301,997
Money market account	508,176	-	-	508,176
Term annuity	973,318	-	-	973,318
Non benefit responsive				
Insurance contract	-	-	16,118,572	16,118,572
Total investments	<u>38,783,491</u>	<u>-</u>	<u>16,118,572</u>	<u>54,902,063</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

There were a total of \$23,191 and \$47,140 in purchases, \$784,385 and \$1,146,697 in sales, \$733,230 and \$787,814 of investment income and \$72,390 and \$7,523 in net transfers within the Plan's Level 3 assets for the years ended December 31, 2024 and 2023, respectively.

GEORGETOWN COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – INVESTMENT CONTRACTS WITH INSURANCE COMPANY

Participants may choose to invest in TIAA Traditional Annuity accounts. The TIAA Traditional Annuity is a fixed annuity contract that is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America (TIAA), a New York domiciled non-profit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year,” which begins each March 1. Additional interest is not guaranteed for future years. When the accumulation in TIAA Traditional is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation. The guaranteed annual interest rate is generally 3.00%. The interest rate was 6.50% and 6.50% for the years ended December 31, 2024 and 2023, respectively.

The TIAA Traditional Annuity is reported at contract value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the plan’s contracts, less any withdrawals. TIAA issues various types of contracts as funding vehicles for retirement plans. Certain contract types contain liquidity restrictions on the redemption of TIAA Traditional Annuity accumulations, which could impact the value realized upon exiting the contract.

NOTE 6 – PARTY IN INTEREST TRANSACTIONS

The Plan's investments include mutual funds, fully benefit responsive insurance contracts and non-benefit responsive insurance contracts with or managed by TIAA. TIAA is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest. For the years ended December 31, 2024 and 2023, administrative fees paid to TIAA amounted to \$49,741 and \$61,122, respectively.

Additionally, indirect fees are paid to TIAA based on investment account values. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 7 – INCOME TAX STATUS OF THE PLAN

The Plan has adopted a non-standardized form of a prototype plan sponsored by TIAA. As announced in Revenue Procedure 2013-22, the IRS opened up the application process for 403(b) pre-approved plans on June 28, 2013. Prototype plan sponsors had until April 30, 2014, to submit their plans to the IRS for approval. The Plan received an IRS approved 403(b) prototype plan document in 2017 and an opinion letter from the IRS, dated August 7, 2017, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.
