INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Community Auto Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Auto Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Auto Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Auto Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Auto Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Auto Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY AUTO GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the Community Auto Group 401(K) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General – The Community Auto Group 401(K) Plan (the "Plan") is a defined contribution plan which includes all employees of Community Auto Group (the "Company"). The Plan is intended to comply with the Internal Revenue Code and the regulations hereunder, as amended, and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The financial statements of the Plan are presented on the accrual basis of accounting.

Contributions – An employee who has attained the age of 18 and completed six (6) months of service becomes eligible to participate in the plan. Voluntary pre-tax elective deferral contributions are withheld for each pay period. However, the total of the participant's contributions may not exceed \$23,500, which is the dollar limit set by law for 2025. If the participant is 50 years or older, they may elect to contribute additional amounts, called catch-up contributions, to the plan. The maximum catch-up contribution that a participant can contribute is \$7,500 for the year ended December 31, 2025. Roth elective deferrals are also permitted.

The Company may contribute a discretionary matching contribution each year to all eligible employees equal to a uniform percentage or dollar amount of the employees' elective deferrals for each pay period. During the plan years ended December 31, 2025 and 2024, the Company contributed matching employer contributions of \$94,900 and \$126,377, respectively.

Eligible employees are also permitted to deposit into the plan distributions received from other plans and certain IRA's. These rollover contributions will enter the plan 100% vested and be affected by any investment gains or losses.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately 100% vested in their elective deferral contributions and any rollover contributions imported to the Plan. In the event of employer contributions, vesting of participants' accounts is based on years of continuous service. A participant is 100 percent vested in employer contributions after six years of credited service. The following table represents the vesting schedule for the Plan.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%

COMMUNITY AUTO GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN (continued)

Investment Options – The plan offers several investment options and participants instruct the trustees how they would like to invest funds in their individual accounts which may include rollover, employer matching, and voluntary deferral amounts. The plan administrator may establish rules for investment of participants' accounts. Participants may direct the investment of their account balance. Participants have the right to change their investment elections at any time and as often as they like. The trustee cannot be held liable for any losses participants incur due to the investment choices they make.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested balance in his or her account or annual installments over a period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts – As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$6,728 and \$28,722, respectively.

Notes Receivable from Participants – Each participant may borrow from his or her fund account a minimum of \$1,000 up to a maximum of the lesser of one-half of his or her vested account balance or \$50,000 reduced by the highest outstanding loan balance in his or her account during the prior twelve-month period. The notes receivable is secured by the balance in the participant's account and bears interest at rates commensurate with prevailing rates as determined by the plan administrator. Interest rates on notes receivable from participants at December 31, 2025 ranged from 4.75% to 8.50%. All notes must be repaid within a specific period, not to exceed five years, except those that are used for the purchase of a principal residence in which case the note can be extended for up to 30 years. In most cases, repayment of the note will be made through after-tax payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the plan are prepared using the accrual method of accounting.

Subsequent Events – Subsequent events were evaluated through September 15, 2026, which is the date the financial statements were available to be issued. The plan is not aware of any subsequent events which require recognition or disclosure in the financial statements.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

**COMMUNITY AUTO GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income – Plan income consists of dividends, interest, realized and unrealized gains and losses, employee contributions and Company distributions. Plan earnings are allocated to participants' accounts based on a ratio derived by dividing each participant's compensation by the total compensation of all participants.

Expenses – Administrative expenses consist of legal, fiduciary, and accounting fees.

Excess Contributions – Amounts payable to participants as of December 31, 2025 and 2024 for excess contributions totaled \$157,114 and \$65,158, respectively.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

4. TAX STATUS

The plan has adopted the Fidelity Basic Plan Document No. 17. No provision for income taxes has been included in the plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan files an annual return and records must be retained for at least six years to support the filing.

5. INVESTMENTS

The following investments represent 5% or more of net assets available for benefits as of December 31, 2025 and 2024:

6. ADMINISTRATION COSTS

Expenses of administration may be paid out of the plan unless paid by the Company or others. The plan may reimburse the Company for any administrative expenses incurred. Administrative fees incurred by the plan for the year ended December 31, 2025 included administrative fees, distribution fees, and investment costs.

COMMUNITY AUTO GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

7. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Schedule H of the Form 5500:

	2025	2024

9. FAIR VALUE MEASUREMENTS

The plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

COMMUNITY AUTO GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

9. FAIR VALUE MEASUREMENTS (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: a) Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, b) Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and c) Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No plan assets required Level 3 inputs for the periods presented.

The following table sets forth, by level within the fair value hierarchy, the plan's investments at fair value as of December 31, 2025:

	December 31, 2025	Fair Value Measurements at Reporting Date Using:
