Independent Auditors' Report

PLAN INVESTMENT COMMITTEE
PLANT/ALLISON CORPORATION PROFIT SHARING 401(K) PLAN
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **PLANT/ALLISON CORPORATION PROFIT SHARING 401(k) PLAN (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2025 and December 31, 2024, the related statement of changes in net assets available for benefits for the for the period from January 1, 2025 to November 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 30, 2025 and December 31, 2024, and for the period from January 1, 2025 to November 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Transition to Pooled Employer Plan

As discussed in Note 1 to the financial statements, effective December 1, 2025, the Plan merged into a pooled employer plan (PEP). In connection with the merger, substantially all net assets available for benefits of the Plan were transferred to the PEP on or about November 30, 2025. The accompanying financial statements reflect the activity of the Plan through November 30, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Note 1 - Plan Description:

The following description of the Plant/Allison Corporation Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan, established on December 31, 1967 and most recently restated effective January 1, 2022, provides retirement benefits for all eligible employees of Plant/Allison Corporation (the Company). The Plan is a defined contribution plan available to all employees who are not union employees or a nonresident alien as defined under the Plan provisions. The Company has established an investment committee that is responsible for oversight of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and certain provisions of the Internal Revenue Code (IRC).

Transition to Pooled Employer Plan

On December 1, 2025, the Plan formally joined LifeSight Pooled Employer Plan (the LifeSight PEP) sponsored by Transamerica Retirement Solutions, LLC. LifeSight PEP is a qualified retirement plan under Section 401(k) of the Internal Revenue Code (IRC), and the transition was made in accordance with the Plan's governing documents and applicable regulatory requirements under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). Accordingly, the transition is not expected to affect the tax-exempt status of participant accounts.

As part of the transition, substantially all Plan assets, participant accounts, and administrative responsibilities were transferred to the LifeSight PEP. Approximately \$65.3 million of Plan assets were transferred as of November 30, 2025.

The following were designated to provide services to LifeSight PEP:

- Willis Towers Watson US LLC serves as the Pooled Plan Provider
- Transamerica Retirement Solutions, LLC serves as the Recordkeeper
- State Street Bank and Trust Company, Boston, Massachusetts, serve as the Trustees
- Towers Watson Investment Services, Inc. serves as the Investment Manager

The transition resulted in changes to the Plan's governance and administrative structure, with plan administration, fiduciary oversight, and recordkeeping responsibilities being provided through the LifeSight PEP framework.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Eligibility

All employees, except those union employees whose employment is governed by a collective bargaining agreement and nonresident aliens who have no earned income from sources within the United States, are eligible to make an elective deferral upon hire. Participants employed on the last day of the Plan year and who have completed a year of service, defined as at least 1,000 hours of service during such year, are eligible to receive employer discretionary profit-sharing contributions. Participant will share in the profit-sharing contribution for the year regardless of the amount of service completed during the Plan Year in the year of the participant's death, disability or termination after normal retirement age.

Participant Contributions

Participants in the Plan may elect to contribute, on a pretax or post-tax (Roth) basis, either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan agreement. A participant can only enroll in the Plan on the first day of the month coinciding with or following the date of hire. Participant contributions are subject to annual limits specified by the IRC. For the year ended December 31, 2025, the annual limitation was \$23,500. Participants who are at least 50 years of age by the end of the calendar year may also make catch-up contributions limited to \$7,500 for the year ended December 31, 2025. Participants may also contribute amounts representing rollovers from other eligible retirement plans.

Employer Contributions

The Company may make discretionary profit-sharing contributions determined annually by the Company. For the period from January 1 to November 30, 2025, no employer matching contributions were declared.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Company's discretionary profit-sharing contribution and Plan investment earnings or losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions, rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service and 20% each year after until fully vested at the end of 6 years.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into a general account and various units of participation in pooled separate accounts offered through Standard Retirement Services, Inc. Participants may change their investment options any time throughout the year.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The Plan allows one loan per participant at any time. Loans must be repaid within a 5-year period, unless the proceeds are used for the purchase of a principal residence, in which case the maximum repayment period may be longer. The loans are collateralized by the vested balance in the participant's account and bear fixed interest at a rate determined by the plan administrator. Principal and interest are paid through payroll deductions and loans are due immediately upon termination of employment. As of December 31, 2024, rates on loans outstanding ranged from 5.50% to 9.50% per annum with maturity dates extended through May 2029.

Payment of Benefits

On termination of service due to normal retirement, disability, death, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, installments or partial withdrawals. A participant who has reached 59 ½ years of age may elect to receive a pre-retirement distribution. A participant may also be eligible for a withdrawal due to financial hardship in certain circumstances. Upon termination, a balance less than \$5,000 will automatically be rolled over to an Individual Retirement Account unless the participant elects otherwise. The payment of benefits to retired participants is required to begin no later than April 1st following the end of the year in which the participant reaches 72 years of age. There were no participant requests to withdraw from the Plan as of November 30, 2025 and December 31, 2024 that had not been paid as of those dates.

Forfeitures

The unvested portion of a participant's account is forfeited upon termination of employment. Forfeitures are used to reduce the employer's discretionary contribution. As of November 30, 2025 and December 31, 2024, forfeited accounts totaled \$0 and \$99,740, respectively. For the period from January 1 to November 30, 2025, forfeitures of \$98,561 were utilized to fund employer discretionary contributions.

Plan Trustee and Custodian

Prior to the transition to the LifeSight PEP described above, the Company's President and Chief Executive Officer, Chief Financial Officer, and Chief Legal Officer serve as Trustees of the Plan. The Standard Insurance Company served as the Custodian and the record keeper of the Plan.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Following the transition, effective December 1, 2025, upon the Plan's transition to the LifeSight PEP, trustee, recordkeeping, investment management, and administrative responsibilities were assumed by the service providers designated under the LifeSight PEP, as described in the preceding section.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are held by the Custodian and invested solely based upon instructions received from participants. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contributions

Contributions from Plan participants and the Company are recorded in the year in which participant compensation is earned.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

Management of the plan has evaluated subsequent events from November 30, 2025 through September 14, 2026, the date these financial statements were available to be issued. As discussed in Note 1, the Plan transitioned to a Pooled Employer Plan effective December 1, 2025. There were no other material subsequent events that required recognition or additional disclosure in these financial statements.

Note 3 - Certified Information:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of November 30, 2025 and December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year period from January 1 to November 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company (the Custodian of the Plan).

Note 4 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

General Account: Reported at estimated fair value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses and is the amount accessible by participants. The contract is not fully benefit-responsive since the participant is not allowed immediate full access to the balance in all situations. This is considered a Level 3 investment with the unobservable input being the crediting rate. The average crediting interest rates ranged from 2.73% to 5.31% per annum for the year ended December 31, 2024.

Pooled separate Accounts: All other investments held by the Plan are pooled separate accounts, valued at the net asset value (NAV) or equivalent based on units of the pooled separate accounts. The NAV, as provided by the Standard Insurance Company is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

As noted in Note 1, the Plan assets were merged as of November 30, 2025, and there were no Plan assets remaining as of that date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
General Account	\$ -	\$ -	\$ 1,193,289	\$ 1,193,289
Total assets in the fair value hierarchy	\$ -	\$ -	\$ 1,193,289	\$ 1,193,289
Investments measured at net asset value (practical expedient) (a)				<u>58,855,413</u>
Investments, at fair value				<u>\$ 60,048,702</u>

(a) In accordance with fair value measurement guidance, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Level 3 Summary of Changes

The following table sets forth additional disclosure of the Plan's investments measured at fair value based on NAV per share (or its equivalent) as of December 31, 2024.

<u>Pooled Separate Accounts</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2024	\$ 58,855,413	N/A	Daily	None*

* The Plan may initiate withdrawals at any time by giving written notice. Upon receipt of notice, a transfer date will be determined.

Note 5 - Party-in-Interest and Related Party Transactions:

Plan investments are managed by Standard Insurance Company which receives revenue from the Plan for this service. Standard Retirement Services, Inc. is the Plan's custodian and holds the Plan's assets, and therefore, these transactions qualify as party-in-interest transactions. These investment management expenses are included in net appreciation (depreciation) in fair value of investments.

Affiliates of Standard Insurance Company also provide certain recordkeeping and administrative services to the Plan which qualify as party-in-interest transactions. Such transactions, while considered a party-in-interest transaction under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from prohibition of party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 6 - Plan Termination

Following the transfer of all Plan assets to the pooled employer plan described in Note 1, the Plan no longer holds assets or provides ongoing benefits. Although the Company has not formally terminated the Plan, it intends to execute any required plan amendments related to the transition of the Plan in accordance with ERISA and applicable IRS guidance.

Plant/Allison Corporation Profit Sharing 401(K) Plan

Notes to the Financial Statements

Note 7 - Tax Status:

The Plan has adopted a non-standardized defined contribution pre-approved plan from Minnesota Life Insurance Company. The Minnesota Life Insurance Company plan has received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service as to the form of the plan being acceptable under Section 401 of the IRC. This opinion on the acceptability of the form of the plan is not a ruling or determination as to whether the Plan qualified under Code section 401(a). The Plan has been amended and restated since the Minnesota Life Insurance Company plan received the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Note 8 - Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The following table identifies certain significant investments of the Plan as of December 31, 2024.

<u>Investments:</u>	<u>Value</u>	<u>Percentage of Total Assets</u>
