Independent Auditor's Report

To the Plan Administrator
Recology 401(k) Plan
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Recology 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 and the ERISA-required Supplemental Schedule H, line 4a- Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of the Plan

The following description of the Recology 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan established by Recology Inc. (Recology, the Company, and the Plan Administrator) under the provisions of Section 401(a) of the Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

T. Rowe Price Trust Company is the trustee (the Trustee) of the Plan.

(b) Eligibility

The Plan is available to qualifying employees of Recology Inc. and its participating subsidiaries, following the completion of 30 days of service with the Company. Employees who are not yet 18 years of age, are accruing retirement benefits through a union collective bargaining agreement, or accruing benefits in the Recology Defined Benefit Pension Plan are ineligible to participate in the Plan.

(c) Contributions

Effective January 1, 2016, participants may elect to contribute up to 50% of their eligible compensation each pay period on a pretax basis through payroll deductions, subject to limitations under the IRC. Participants aged 50 and over, as of the close of the Plan year, are eligible to make catch-up contributions of a maximum of \$7,500 during the Plan year ended December 31, 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Eligible employees, who have not made an election to contribute to the Plan, will be automatically enrolled in the Plan at a withholding rate of 3% of their compensation. Employees subject to this automatic deferral can opt out within 30 days of their Plan entry date or upon completion of an affirmative elective deferral election. Employees who do not make investment elections are defaulted into an age appropriate T. Rowe Price Retirement Trust.

Effective January 1, 2018, the percentage of a participant's compensation that is withheld as an elective deferral shall be automatically increased each February 1 by 2% per year, unless a participant makes an election otherwise. Effective December 1, 2020, the maximum automatic elective deferral increased from 10% to 15%. Pursuant to changes made by the SECURE Act, the Plan applies an automatic escalation cap equal to 15% of compensation. The Plan will adopt an amendment prior to December 31, 2026 (as provided by IRS Notice 2022-33) to retroactively amend the Plan to conform with its operation.

The Plan's employee contributions receivables of \$245,116 and \$15 as of December 31, 2025 and 2024, respectively, represent Plan participant contributions from the last payroll of the Plan year which were not remitted to the Plan's Trustee until January of the following Plan year.

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Effective January 1, 2017, the Company increased the safe harbor matching contribution to be equal to 100% of participants' elective deferrals up to 2% of eligible compensation, and 50% of participants' elective deferrals on the next 4% of eligible compensation. The total safe harbor company match of \$3,891,746 was contributed to participant accounts in 2026 for the plan year ending 2025. The total safe harbor company match of \$3,517,150 was contributed to participant accounts in 2025 for the plan year ending 2024. These amounts are included in employer contributions in the statements of changes in net assets available for benefits for the years ending December 31, 2025 and 2024, respectively.

The Company may make discretionary non-elective contributions at the option of the Company's board of directors. Contributions are subject to certain limitations. The Company did not make any discretionary non-elective contributions for the years ended December 31, 2025 or 2024.

(d) Participant Accounts

Participants' accounts are valued on a daily basis based on quoted market prices. Each participant's account is credited with the participant's contributions and an allocation of (i) the Company's contribution, if any, (ii) net investment earnings (losses) on a daily valuation basis, and (iii) administrative expenses. Allocations of employer's contributions are based on both participant's contributions and participant's compensation as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participant contributions to the Plan as well as earnings thereon immediately vest.

Effective January 1, 2016, participants are 100% vested in the Company's safe harbor matching contribution. Participants become 100% vested in the Company's discretionary non-elective contributions after three years.

Other vesting provisions are in place associated with participant employees of certain acquired companies.

(f) Forfeitures

Participant forfeitures of nonvested Company contributions are used to pay administrative expenses of the Plan or to reduce future Company matching contributions. During the Plan year ended December 31, 2025 and 2024, forfeitures totaling \$0 and \$1,279, respectively, were used to pay administrative expenses of the Plan. The balance in the forfeiture accounts was \$0 and \$1 at December 31, 2025 and 2024, respectively.

(g) Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account, or monthly, quarterly, semi-annual or annual installments over a fixed period.

The Plan provides for automatic distribution of a terminated participant's account balance totaling less than \$1,000. The distribution is to be made in the form of a lump-sum payment, as soon as administratively feasible, following the date of termination or death. A terminated participant with an

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

account balance in excess of \$1,000 can elect to receive a distribution as a lump sum, in installments or on an ad hoc basis following termination.

(h) Early Withdrawals

Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution and other eligible sources from their account. These conditions include a hardship withdrawal due to unreimbursed medical expenses, the purchase of a principal residence, the payment of postsecondary education tuition, payment to prevent eviction from or foreclosure on a principal residence, or casualty loss expenses eligible under IRC Section 165. A participant may also make withdrawals from his or her account after the participant attains age 59½.

(i) Loans to Participants

A participant may apply for a loan to be made from his or her vested account balance in the Plan not to exceed the lesser of (i) \$50,000 or (ii) 50% of the participant's vested account balance in the Plan. Principal and interest are repaid ratably by the participant through regularly scheduled payroll deductions. All loans, except those to purchase a primary residence, must be repaid within five years. Loans to purchase a primary residence must be repaid within 10 years. Loans carry interest at prevailing rates. Loans outstanding as of December 31, 2025 and 2024 bear interest rates ranging from 4.25% to 9.50%. As of December 31, 2025, loan maturity dates range from January 2026 to March 2035.

(j) Administrative Expenses

Certain investment management fees are netted with investment income. Participants who take a loan from the Plan incur a one-time fee for establishing the loan and are charged a fee for withdrawals. These fees are charged directly to the individual participant's accounts. Plan compliance expenses may be paid by the Plan through forfeiture offsets. All other administrative expenses are paid by the Company and are excluded from these financial statements.

(k) Investment Elections

Each participant may direct their account balance into one or more of the investment funds offered by the Plan. Allocations must be in increments of 1% of each contribution. A participant may change such allocation and may transfer all or a portion of the value of his or her account in increments of 1% among the fund options at any time.

(l) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

(m) Plan Transfers

During the Plan year ended December 31, 2025 and 2024, assets transferred from the Recology Employee Stock Ownership Plan to the Plan totaled \$1,678,069 and \$1,550,214 respectively.

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

(b) Investment Valuation and Income Recognition

Investments in mutual funds and common trust accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation or depreciation in fair value of investments is reflected in the statements of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade--date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans may be reclassified as distributions based upon the terms of the Plan document.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(f) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(3) Financial Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from T. Rowe Price Trust Company that all information relating to the Plan's investments, notes receivable from participants, interest income on notes receivable from participants, investment income and the supplemental schedule are complete and accurate. The plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Mutual funds are valued at fair value based upon quoted market prices in an active market.
- Common collective trusts (CIT) are valued at the net asset value (NAV) of shares held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the CIT less its liabilities. The common collective trust is deemed to have a readily determinable fair value. There are no known commitments or other restrictions on the common collective trusts.

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,661,109	—	—	\$ 16,661,109
Common collective trusts	—	103,707,125	—	103,707,125
Total	\$ 16,661,109	103,707,125	—	\$ 120,368,234

December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,524,866	—	—	\$ 14,524,866
Common collective trusts	—	85,128,517	—	85,128,517
Total	\$ 14,524,866	85,128,517	—	\$ 99,653,383

There were no transfers between the fair value levels in 2025 and 2024.

(5) Tax Status

The Company adopted a non-standardized pre-approved safe harbor profit sharing plan with a cash or deferral arrangement, which received an opinion letter from the Internal Revenue Service (IRS) on August 19, 2020, which states that the pre-approved plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is operating in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions.

RECOLOGY 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(6) Party-in-interest and Related Party Transactions

T. Rowe Price Trust Company, the trustee, and T. Rowe Price Associates, Inc., the manager of several mutual funds held as investments, are subsidiaries of T. Rowe Price Group, Inc. Therefore, transactions between these entities qualify as party-in-interest transactions. For the year ended December 31, 2025, the Plan paid \$40,230 of administrative fees to T. Rowe Price. In addition, the notes receivable from participants qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules.

(7) Delinquent Participant Contributions

During the Plan years ended December 31, 2025 and 2024, participant contributions and loan repayments were not timely remitted to the Plan. These transactions constitute non-exempt party-in-interest transactions or prohibited transactions as defined by ERISA. The 2024 related lost earnings were remitted in 2024 and 2025 and 2025 lost earnings were remitted in 2026. See accompanying supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025.

(8) Subsequent Event

The Plan evaluated subsequent events through August 25, 2026, the date the financial statements were available to be issued.

Effective January 1, 2026, the Plan was amended to increase the maximum participant elective deferral rate from 50% to 75% and allow Roth contributions.
