INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Vantage West Credit Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Vantage West Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VANTAGE WEST CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 1 – Description of the Plan

General

Vantage West Credit Union 401(k) Plan (the Plan) is a defined contribution 401(k) plan that was established on February 1, 1997 by Vantage West Credit Union (the Credit Union). The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Credit Union is the Plan Sponsor and named Plan Administrator and is responsible for oversight of the Plan. The Plan Administrator has formed a Retirement Plan Committee composed of members of the Credit Union's management team and human resources department. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. Prior to April 24, 2025, Newport Trust Company, LLC served as the Plan's Trustee and Custodian, and Newport Group, Inc. provided participant recordkeeping and administrative services. Following Ascensus's acquisition of Newport, Newport Group, Inc. delegated its recordkeeping and administrative obligations to Ascensus, LLC, and Newport Trust Company, LLC delegated its obligations under the trust and custodial agreement to Ascensus Trust Company. Effective April 24, 2025, Ascensus Trust Company became the Plan's Trustee and Custodian, and Ascensus, LLC became the Plan's recordkeeper and administrator.

Eligibility

The Plan covers substantially all employees of the Credit Union. All eligible employees must obtain one month of service and age 18 or older to begin participating in the Plan, with the entry date being the first day of the month following the date of meeting the participation requirements.

Contributions to the Plan

Eligible employees can contribute an amount up to 50% of pre-tax or Roth compensation as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employee contributions are limited by the requirements of the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan permits discretionary employer matching contributions. For the year ended December 31, 2025, the Credit Union made employer matching contributions of approximately \$1,999,000, net of forfeitures. The Plan also permits discretionary employer nonelective contributions. For the year ended December 31, 2025, the Credit Union made employer nonelective contributions of approximately \$414,000. Participants direct contributions into various investment options offered by the Plan.

The Plan includes a traditional automatic contribution arrangement. Eligible participants who do not make an affirmative election are automatically enrolled at a contribution rate of 6% of compensation. Existing participants who have elected not to defer compensation may also be defaulted to a 6% contribution rate each April 1 unless they make an alternative election or opt-out.

The Plan includes automatic escalation provisions for participants who have a salary reduction agreement in effect to defer at least 1% of compensation. Unless a participant has elected an individual automatic escalation schedule, the participant's deferral rate will automatically increase by 1% each year on April 1 until the deferral rate reaches 8% of compensation.

VANTAGE WEST CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Effective January 1, 2025, the Plan implemented an optional provision made available under SECURE Act 2.0 to allow participants between the ages of 60 and 63 to make higher catch-up contributions.

Participant Accounts

Each participant's account is increased by the participant's contributions and allocation of (a) the Credit Union's contributions and (b) Plan earnings, and reduced by distributions and the allocation of administrative expenses. Allocations are based on participants' earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account. The interest rates on loans outstanding as of December 31, 2025 range from 4.25% to 9.50% and payments are made through payroll deductions.

Payment of Benefits

Upon retirement, disability, or termination of service, a participant is generally entitled to receive a distribution of the participant's vested account balance in the form of a lump-sum distribution, subject to the provisions of the Plan and applicable required minimum distribution rules. Partial withdrawals or installments are permitted only for participants or beneficiaries who are required to receive minimum distributions under applicable law. In-service and hardship distributions may be permitted if the applicable requirements of the Plan are satisfied.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Credit Union's contribution portion of their account plus actual earnings thereon is based on years of continuous service. Participants vest in increments of 20% beginning at the end of their first year, such that a participant is 100% vested after five years of credited service.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce Credit Union contributions. Approximately \$205,000 in forfeitures were used by the Credit Union for payment of Credit Union contributions during the year ended December 31, 2025. Forfeited non-vested account balances approximated \$6,000 and \$3,000 as of December 31, 2025 and 2024, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

VANTAGE WEST CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Certain fees associated with the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through September 14, 2026, the date the financial statements were available to be issued.

On June 1, 2026, the Credit Union executed an amendment to the Plan to incorporate provisions of the SECURE 2.0 Act that had been operationally implemented beginning with the 2023 Plan year. The amendment formally documents these provisions in accordance with the applicable statutory amendment deadline.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 3 – Unaudited Information Certified by the Plan’s Trustees

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, certain investment and participant loan information was certified as to its completeness and accuracy by qualified institutions and was not subjected to auditing procedures performed by the Plan’s independent auditors.

Newport Trust Company, LLC certified the applicable information for the period January 1, 2024 through April 23, 2025. Ascensus Trust Company certified the applicable information for the period April 24, 2025 through December 31, 2025.

The certified information included:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025,
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 and
4. The notes receivable from participants as of December 31, 2025 and 2024 and the related income on notes receivable from participants for the year ended December 31, 2025.

Note 4 – Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used as of December 31, 2025 or 2024.

VANTAGE WEST CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds are deemed to be actively traded.

Common collective trusts: Valued at the NAV as a practical expedient. The NAV is based on the Plan's units of participation in the Common Collective Trusts (CCT) and the fair value of the separate accounts backing the contract.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below segregate all financial assets as of December 31, 2025 and 2024 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

	As of December 31, 2025			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 54,360,263	\$ 54,360,263	\$ -	\$ -
Total assets in the fair value hierarchy	54,360,263	<u>\$ 54,360,263</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (a)	12,595,817			
Total assets at fair value	<u>\$ 66,956,080</u>			

	As of December 31, 2024			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 44,603,205	\$ 44,603,205	\$ -	\$ -
Total assets in the fair value hierarchy	44,603,205	<u>\$ 44,603,205</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (a)	11,193,645			
Total assets at fair value	<u>\$ 55,796,850</u>			

- (a) In accordance with Subtopic 820-10 of the Financial Accounting Standards Board Accounting Standards Codification, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

- (b) The common collective trust is a fund that seeks long-term capital appreciation by investing in a commingled pension trust fund, which invests primarily in equity securities.
- (c) The common collective trust account is a stable value account which is primarily comprised of a variety of high-quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. Although typically lower risk than investment options solely in equities, all investment options in this category have the potential to lose value.
- (d) The common collective trust is a fund that seeks capital appreciation and current income by investing in an underlying fund that meets the objective.
- (e) The common collective trust is a fund that seeks capital appreciation by investing in foreign large growth portfolios focused on high-priced growth stocks, mainly outside of the United States.
- (f) The common collective trust is a fund that seeks capital appreciation by investing in a fund that is consistent with the Mid Cap Growth investment style.
- (g) The common collective trust seeks income and capital appreciation by investing primarily in U.S. investment-grade corporate, government, mortgage-backed, and asset-backed debt securities, with selected allocations to high-yield and emerging-market debt securities.
- (h) The common collective trust is a fund that seeks capital appreciation by investing in an underlying fund that meets the objective.
- (i) The common collective trust is a fund that seeks capital appreciation by investing in value-oriented common stocks of small-sized United States companies.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 5 – Party-in-Interest Transactions

Certain plan investments were managed by NTC, the Plan's Trustee and Investment Custodian through April 24, 2025. Effective April 24, 2025, Ascensus became the Plan's Trustee and Investment Custodian following its acquisition of NTC. The Plan Administrator has also engaged IDA Intelligence Driven Advisors and NewEdge Advisors, LLC to provide fund advisory services. During the year ended December 31, 2025, the Plan paid direct compensation of approximately \$55,000 for recordkeeping and approximately \$86,000 for investment advisory services rendered. Indirect compensation (that is netted against investment income on the Statement of Changes in Net Assets Available for Benefits) is paid to the recordkeeper from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 7 – Plan Amendment and Tax Status

The Plan is utilizing a non-standardized pre-approved plan, which has been filed with the IRS and has received a favorable opinion letter dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2025.

The Plan permitted provisions of SECURE Act 2.0 during the years ended December 31, 2025 and 2024. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to examination by the IRS; however, there are currently no examinations for any tax periods in progress. The Plan is also subject to the applicable provisions of ERISA and oversight by the DOL.

Note 8 – Risks and Uncertainties

The Plan's investments are exposed to various risks, including interest-rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
