INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 24, 2025 and December 31, 2024, and the related statement of changes in net assets in liquidation available for benefits for the period from January 1, 2025 to November 24, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of November 24, 2025 and December 31, 2024, and for the period from January 1, 2025 to November 24, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, during 2025, the Plan Sponsor of Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust approved a plan of liquidation effective August 13, 2025, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting to the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HUMAN SOLUTIONS, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

November 24, 2025 and December 31, 2024

1. Description of plan

The following description of the Human Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan’s provisions.

General

The Plan is an Internal Revenue Code (“IRC”) defined contribution retirement plan covering all eligible employees of Human Solutions, Inc. (the “Organization” or “Plan Administrator”). Eligible employees may begin to participate on the first day of the calendar month following the date the employee attains age 21 and completes three months of service in which at least 250 hours are worked. The Plan is subject to the provisions of ERISA. Representatives from the management of the Organization are responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings, monitoring investment performance and reporting to the Plan Administrator.

Effective November 24, 2025, the Plan Sponsor terminated the Plan, which included transferring assets to a pooled employer plan or distributing funds to participants. As of November 24, 2025, all the assets of this Plan have been disbursed.

Effective on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The SECURE 2.0 Act is inclusive of approximately 90 provisions which offer many benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year.

The Plan has adopted the required minimum distributions at age 73 effective January 1, 2023.

Contributions

Contributions consist of employee elective deferrals, Organization matching contributions and Organization discretionary contributions, if any. The Plan offers mutual funds as investment options for participants. Participants may change their investment options daily. Employees may voluntarily contribute up to 96% of their compensation, limited to \$23,500 in 2025 as prescribed by the Internal Revenue Code (“IRC”). Participants who have attained ages 50-59, and 64 and over before the end of the Plan year are eligible to make catchup contributions of \$7,500 (“Catchup Contributions”) and participants ages 60-63 are allowed to contribute an additional \$11,250 (“Super Catchup Contributions”). Such contributions are 100% vested and non-forfeitable. Participant contributions are subject to certain limitations.

During 2025, the Organization elected to make matching contributions 100% of elective deferral contributions equal to 2% of compensation. No discretionary employer contributions were made in 2025. In addition, contributions are subject to other limits under the IRC.

HUMAN SOLUTIONS, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

November 24, 2025 and December 31, 2024

1. Description of plan (continued)

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Organization's contribution, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant account balances. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants have a non-forfeitable interest in their salary and wage deferral contributions at all times and are immediately and fully vested in the Organization's contributions.

Forfeited accounts

Any forfeiture of employer contributions and earnings thereon due to a participant's withdrawal from the Plan are held by the trustee and first used to pay Plan administrative expenses and then to reduce employer contributions that would otherwise be made to the plan. For the period from January 1, 2025 to November 24, 2025, there were no significant forfeitures used to pay administrative expenses of the Plan or to reduce Employer contributions. As of November 24, 2025 and December 31, 2024, there were no forfeited non-vested accounts.

Notes receivable from participants

Participants may borrow from their fund accounts (except for Roth deferrals) up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loans are secured by the participant's vested account balance and bear a reasonable rate of interest (prime plus 2% at November 24, 2025 and December 31, 2024) as determined by the administrator at the time the loan is made. Principal and interest is paid ratably through each payroll deduction. The interest rate on loans outstanding during the period from January 1, 2025 to November 24, 2025 ranged from 7.00% to 10.50%.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum or installment payments equal to the value of the participant's vested interest in his or her account. The normal retirement date under the Plan is age 65. For participants under the age of 59-1/2, employer contributions may be withdrawn upon termination of employment, death, disability, or Plan termination. For participants over the age of 59-1/2, salary deferral and employer contributions may be withdrawn at any time.

Plan expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to participant distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Other investment related expenses are included in net appreciation in fair value of investments.

HUMAN SOLUTIONS, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

November 24, 2025 and December 31, 2024

2. Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the liquidation basis of accounting as of November 24, 2025 and on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as of December 31, 2024.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of November 24, 2025 and December 31, 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Plan expenses

Administrative costs not paid by the Organization are charged to the participants' accounts and apportioned based upon their relative account values. Investment related expenses are included in net appreciation (depreciation) in fair value investments, as they are paid through revenue sharing or asset based fees, rather than a direct payment. Plan expenses paid out of the assets of the Plan for the period from January 1, 2025 to November 24, 2025 were \$4,119.

Subsequent events

The Plan has evaluated subsequent events through September 11, 2026, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements were identified.

3. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* (“ASC 820”) are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 24, 2025 and December 31, 2024.

Money market funds: Valued at \$1 per unit including applicable interest and fees.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair value measurements (continued)

The following table sets forth by level, within fair value hierarchy, the Plan's assets at fair value as of December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. There were no investment balances as of November 24, 2025.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,422,840	\$ -	\$ -	\$ 2,422,840
Money market funds	1,043	-	-	1,043
Total investments at fair value	<u>\$ 2,423,883</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,423,883</u>

4. Information certified by the Plan's trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Certain investment and notes receivable from participant's information disclosed in the accompanying financial statements including investments and notes receivable from participants held at November 24, 2025 and December 31, 2024, and the net appreciation (depreciation) in the fair value of investments, interest and dividends and interest income on notes receivable from participants for the period from January 1, 2025 to November 24, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus Trust Company ("Ascensus"), the trustee.

5. Plan termination

In 2025, the Plan Sponsor elected to terminate the Plan subject to the provisions of ERISA (see Note 1). As a result of the Plan Sponsor's intent to terminate the Plan, all participants were deemed to be 100 percent vested in their account. As of November 24, 2025, all assets of the Plan have been disbursed.

6. Tax status

The Plan uses a Non-Standardized Pre-Approved Profit Sharing/CODA Plan, which received an opinion letter from the Internal Revenue Service ("IRS"), dated January 1, 2018, that the Plan and related trust, as then designed, is in accordance with applicable sections of the IRC. Although the Plan has been amended since the opinion letter date, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Transactions with parties-in-interest

Certain Plan investments are shares of mutual funds, managed by Vanguard Group, Inc. (“Vanguard”), the recordkeeper of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan related to Vanguard’s services rendered amounted to \$4,119 for the period from January 1, 2025 to November 24, 2025.

8. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits. The Plan Administrator, through its investment advisor, monitors the Plan’s investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.
