INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Wheeler Consolidated, Inc. Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of the Wheeler Consolidated, Inc. Profit Sharing and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Wheeler Consolidated, Inc. Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution 401(k) and profit sharing plan covering substantially all employees of Wheeler Consolidated, Inc., Wheeler Lumber, LLC, and Erickson Engineering Company, LLC (collectively, the Company or Plan Administrator). To be eligible to participate in the Plan, employees are required to work six (6) months and must be age 18 or older. Employees can enter the Plan at the start of any month coinciding with or following the next date on which eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company has contracted with Fidelity Management Trust Company (Fidelity) to hold the Plan's assets, execute investment transactions, perform allocation of contributions and investment earning, and make benefit payments.

Contributions

Each year, participants may contribute up to 50% of their pre-tax annual compensation, as defined in the Plan document, subject to certain Internal Revenue Code (IRC) limitations. The Company provides matching contributions equal to 100% of the first 3% of eligible compensation contributed to the Plan and 50% of the next 2% of eligible compensation contributed to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% (increasing annually by 2% up to a maximum of 12%) of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may also make discretionary contributions. For the 2025 year, there was no discretionary contribution made. During the year ended December 31, 2024, the Company made a discretionary contribution of \$145,500 to eligible participants.

Participant Accounts

Participants direct the investment of contributions into various investment options offered by the Plan and may change daily. Each participant's account is increased or decreased by the participant's contributions, withdrawals, an allocation of Plan earnings (losses), net of administrative expenses, and an allocation of the Company's contributions. Allocations to participants are based upon participant compensation or account balance, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions, Company matching contributions, and actual earnings thereon. Vesting in Company discretionary contributions and actual earnings thereon is based on years of service. Participants become 20% vested after two (2) years of service and an additional 20% for each year of service thereafter until full vesting occurs after six (6) years of service.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Outstanding loans are limited to one (1) per participant at any given item. The maximum term of any loan is five (5) years, unless the participant is using the loan to purchase a principal residence. Principal and interest are paid ratably through payroll deductions.

Forfeitures

Forfeitures of nonvested participants' accounts may be used to pay administrative expenses and offset the Company's future contributions to the Plan. As of December 31, 2025 and 2024, the Plan had unallocated account balances amounting to \$3,033 and \$36,901, respectively. Forfeitures were used to pay expenses during the years ended December 31, 2025 and 2024 in the amounts of \$41,133 and \$9,152, respectively.

Payment of Benefits

Participants who have separated from service may elect to receive either a lump-sum payment equal to the vested value of his or her account or installment payments over various periods beginning at normal retirement age or upon separation from employment. Normal retirement age is 65. Participants still employed by the Company may also receive a distribution of all, or a portion, of their account balance beginning at the age of 59½. Nonvested amounts are forfeited by the terminated participant.

Revenue Credit Account

The Plan has a Revenue Credit Account (Account) funded by Fidelity on a quarterly basis at one-fourth (1/4) of 20 basis points or 35 basis points, depending on the type of investment. The amounts held in the Account may be used to reimburse the Company for fees and expenses associated with the Plan or to pay vendors directly. The Plan Administrator may also direct Fidelity to allocate amounts in the Account to eligible participant accounts. As of December 31, 2025 and 2024, the balance in the Account was \$7,343 and \$4,667, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Administrative Expenses

Certain costs of administering the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Participants are responsible for certain transaction-related expenses, investment advisory and asset-based recordkeeping fees. Certain investment-related expenses are included as a reduction of net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions from the Plan participants and the matching contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

NOTE 3 — CERTIFIED INFORMATION

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified that the following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate as of and for the years ended December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
Mutual funds	\$ 15,610,602	\$ 17,476,973
Collective investment funds	5,970,756	1,309,129
Notes receivable from participants	141,860	147,111
Investment income:		
Interest and dividends	\$ 1,478,240	\$ 736,751
Net appreciation in fair value of investments	1,227,414	1,747,247
Interest income on notes receivable from participants	12,890	7,935

NOTE 4 — FAIR VALUE MEASUREMENTS

GAAP established a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active or other inputs that are observable or can be corroborated by observable market data.
- Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued based on quoted prices of identical assets in active markets.

Collective investment funds: Valued at the net asset value (NAV) of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Investments measured at fair value on a recurring basis as of December 31 are as follows:

Description	2025		2024	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 15,610,602	\$ 15,610,602	\$ 17,476,973	\$ 17,476,973
Investment measured at NAV		<u>5,970,756</u>		<u>1,309,129</u>
Investments, at fair value		<u>\$ 21,581,358</u>		<u>\$ 18,786,102</u>

Fair Value of Investments that Calculate NAV

The following table sets forth a summary of the Plan's investments valued using NAV at December 31:

	Fair Value at December 31:		Unfunded	Redemption	Redemption
	2025	2024	Commitments	Frequency	Notice Period
Stable value fund	\$ 1,267,674	\$ 1,309,129	None	Daily	None
Target date funds	<u>4,703,082</u>	<u>-</u>	None	Daily	None
	<u>\$ 5,970,756</u>	<u>\$ 1,309,129</u>			

NOTE 5 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

NOTE 6 — INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by FMR LLC (an affiliate of Fidelity), which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the prototype document satisfies the applicable provisions of the IRC. The Plan has not applied for a separate determination letter from the IRS; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 — RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Fidelity. Fidelity is the recordkeeper and trustee for the Plan. Morgan Stanley Smith Barney (Morgan) provides investment advisory services to the Plan. Fees paid by the Plan for investment management services are included as reduction of the return earned on each fund. The Plan paid Fidelity recordkeeping and transaction fees of \$14,124 and \$5,133 for the years ended December 31, 2025 and 2024, respectively. Additionally, the Plan paid Morgan investment advisory fees of \$48,464 and \$44,032 for the years ended December 31, 2025 and 2024, respectively.

NOTE 8 — RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	<u>2025</u>	<u>2024</u>

NOTE 9 — SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through September 14, 2026, the date which the financial statements were available to be issued.

The Plan decided in July 2026 that they will merge into a pooled employer plan with an anticipated asset transfer date of November 1, 2026.
