The Peplinski Group, Inc. Profit Sharing 401(k) Plan
Farwell, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Peplinski Group, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Peplinski Group, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Peplinski Group, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Peplinski Group, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Peplinski Group, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Peplinski Group, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The 2025 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Peplinski Group, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2025

1. Description of Plan

The following description of The Peplinski Group, Inc. Profit Sharing 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of The Peplinski Group, Inc., Lake County Care Center, Inc., J & A Healthcare Systems, Inc., Peplinski Investment, Inc., The Continuum of Clio, Inc., Ardan, Inc., Ardan Associates, Inc., DeBoer, Inc., Bridgman Care Operating, LLC, Gladwin Pines Operating, LLC, and Stratford Pines Operating, LLC (Companies) who have completed 60 days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The Plan trustees are responsible for oversight of the Plan. The Plan trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, participants may contribute a percentage of their pretax or post tax compensation, not to exceed Internal Revenue Code (IRC) limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For those participants who have completed one year of service, the Companies contribute a safe harbor match which is 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's plan year compensation, and an additional 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's plan year compensation but do not exceed 5% of the participant's plan year compensation. The company makes discretionary profit-sharing contributions to the plan each year. Participants are eligible for these contributions when they attain the age of 21 and complete one year of service.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, and allocations of the Companies' matching contributions and profit-sharing contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Peplinski Group, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2025

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon in addition to the Companies' safe harbor matching contributions.

The following vesting schedule, based upon a participant's years of service, applies to any employer nonelective profit sharing contributions:

Years of Continuous Service	Vested Percentage
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

A year of service for vesting purposes is a plan year in which an employee works over 1,000 hours.

Payment of Benefits

Upon termination of service due to death, disability, or retirement a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants that separate employment because of death will have their benefits paid via lump-sum payment within five years of death to their named beneficiaries. Participants or beneficiaries who are required to receive minimum required distributions can elect to receive partial withdrawals or installment payments of their vested account balance. The plan allows for in-serve withdrawals after attainment of age 59 ½ for participants who have not separated from service in the form of a lump-sum payment. Participants may request that all or a portion of their vested account balance be distributed in the case of severe financial hardship, as defined by the Plan document.

Forfeited/Unallocated Accounts

The Plan holds three forfeiture or unallocated accounts. These three accounts consist of a plan expense account, a safe harbor match forfeiture account, and an unallocated plan assets account and are detailed below:

The plan expense account totaled \$14,125 as of December 31, 2025 and \$13,660 as of December 31, 2024. The balance of the plan expense account is available to reduce plan expenses.

The Peplinski Group, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2025

1. Description of Plan (continued)

Forfeited/Unallocated Accounts (continued)

Administrative expenses were reduced using funding from the plan expense account by \$6,336 during 2025 and by \$1,719 during 2024.

The safe harbor match forfeiture account totaled \$6,623 as of December 31, 2025 and \$6,529 as of December 31, 2024. The balance of the safe harbor match forfeiture account is available to reduce employer contributions. No funding from the safe harbor match forfeiture account was used in 2025 or 2024 to reduce employer contributions.

The unallocated plan assets account totaled \$1,215 as of December 31, 2025 and \$1,169 as of December 31, 2024. The balance of the unallocated plan assets account is available to reduce plan expenses or employer contributions. No funding from the unallocated plan assets account was used in 2025 or 2024 to reduce plan expenses or employer contributions.

Plan Termination

Although they have not expressed any intent to do so, the Companies have the right to terminate the Plan at any time. In the event the Plan is terminated, all participant account balances become fully vested and nonforfeitable. In the event of a partial plan termination, only those who separate from service shall be fully vested.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. See Note 5 for discussion of contract value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Peplinski Group, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2025

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received. The change in aggregate fair value and the cost of investments purchased, sold, and held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Administrative Expenses

The administrative expenses of the Plan are paid by either the Plan or the Companies, as provided in the Plan agreement. All such costs and expenses paid from the Plan shall, unless allocable to the accounts of particular participants, be charged to the accounts of all participants as provided in the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through September 11, 2026, which is the date the financial statements were available to be issued.

3. Financial Data Certified by the Trustees (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the investment balances, investment income (loss), and net appreciation (depreciation) in fair value of investments included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified as complete and accurate by the custodian, Empower Annuity Insurance Company of America and Empower Trust Company, LLC in 2025 and 2024.

4. Fair Value Measurements

The Plan follows authoritative guidance on fair value measurements, which provides a framework for measuring fair value under U.S. Generally Accepted Accounting Principles. These standards apply to all financial instruments that are being measured and reported on a fair value basis.

4. Fair Value Measurements (continued)

As defined in authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan uses various methods including market, income, and cost approaches. Based on these approaches, the Plan often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories.

The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are unadjusted quoted prices in active markets for identical assets or liabilities. These markets must be accessible to the Plan at the measurement date.
- Level 2 inputs are observable, market-based inputs, other than Level 1 prices. Level 2 inputs may include quoted prices for similar assets or liabilities in active markets, quoted prices in inactive markets, interest rates and yield curves observable at commonly quoted intervals, credit risks, default rates, and inputs derived from, or corroborated by, observable market data.
- Level 3 inputs are unobservable inputs that reflect the Plan's assumptions about how market participants would value the Plan's assets and liabilities.

Mutual funds are stated at fair value determined by quoted market prices of the underlying securities as reported by the custodian of the Plan. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair Value Measurements (continued)

The following table summarizes by level within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Investment securities:				
Mutual funds	\$ 16,051,250	\$ -	\$ -	\$ 16,051,250
Total assets in the fair value hierarchy	\$ 16,051,250	\$ -	\$ -	16,051,250
Investments measured at net asset value:				
Collective trust funds				6,070,841
Total investments at fair value				<u>\$ 22,122,091</u>

The following table summarizes by level within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Investment securities:				
Mutual funds	\$ 14,505,466	\$ -	\$ -	\$ 14,505,466
Total assets in the fair value hierarchy	\$ 14,505,466	\$ -	\$ -	14,505,466
Investments measured at net asset value:				
Collective trust funds				5,323,615
Total investments at fair value				<u>\$ 19,829,081</u>

The common collective trust funds are valued using net asset value per share as a practical expedient to estimate fair value. There are no unfunded commitments or redemption restrictions for these investments.

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America and Empower Trust Company, LLC holding \$1,470,435 as of December 31, 2025, and \$1,278,843 as of December 31, 2024. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5. Guaranteed Investment Contract with Insurance Company (continued)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rate was 1.45% for the year ended December 31, 2025 and 1.41% for the year ended December 31, 2024.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events may include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. Income Tax Status

The volume submitter plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the volume submitter plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since the date of the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Generally, tax years from 2022 through the current year remain open to examination. The Plan does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Parties-in-interest

Certain Plan investments are shares of mutual funds and a guaranteed investment contract managed by Empower in 2025 and 2024. Empower was the custodian in 2025 and 2024 as defined by the Plan; therefore, these investments qualify as party-in-interest transactions. Watkins Ross as third-party administrator, Wells Fargo Advisors LLC as investment advisor, and Empower Advisory Group LLC as investment manager also qualify as party-in-interest transactions. The auditor is also considered a party-in-interest for audit services provided to the Plan.
