INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Special Olympics of Florida, Inc.
Special Olympics Florida, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Special Olympics Florida, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Special Olympics Florida, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We

407.948.9209

info@sasassurance.com

www.sasassurance.com

are required to be independent of Special Olympics Florida, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Special Olympics Florida, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Special Olympics Florida, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Special Olympics Florida, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that which agrees to or is derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPECIAL OLYMPICS FLORIDA, INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Special Olympics Florida, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan originally effective January 1, 2016. The Plan has been amended and restated throughout the years to comply with tax legislation and was most recently amended effective January 1, 2022. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Board of Directors is responsible for overseeing the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

General

The Plan is a defined contribution plan covering all employees of Special Olympics Florida, Inc. (the “Company” or “Employer”). Employees who have completed an hour of service are eligible to participate in the Plan (elective deferral and voluntary contributions only). Employees who have completed a year of service (including 1,000 hours) and have reached age 21 are eligible to participate in the Plan’s employer match, safe harbor, and non-elective contributions. Employees who are considered to be leased, unionized or non-resident aliens are excluded from eligibility. Eligible employees may enter the Plan immediately following completion of the eligibility requirements (elective deferrals/voluntary contributions) and on July 1 of the Plan year as it relates to employer/non-elective matching.

Participant Accounts

Plan participants are offered a choice of various investment options and allowed to change their investment options daily. Each participant’s account is credited and/or reduced by the participant’s elective deferral contributions and distributions, the Company’s contributions, and an allocation of the Plan’s investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan.

Contributions

Subject to certain limitations, under the Internal Revenue Code (“IRC”) Section 401(k), participants may contribute up to 100% of their annual compensation, subject to 2025 annual limits of \$23,500 and an additional \$7,500 for catch-up contributions for participants who are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. Contributions received from participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan.

The Company shall make a safe harbor nonelective contribution to the Plan annually for each eligible participant at a rate of 3% of the participant's eligible compensation. For the years ended December 31, 2025 and 2024, the Company made safe harbor nonelective contributions of \$187,073 (paid in 2026) and \$183,784 (paid in 2025), respectively.

DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

Contributions (*Continued*)

The Company may also, at its discretion, elect to make profit sharing contributions on behalf of eligible participants. For the years ended December 31, 2025 and 2024, the Company made profit sharing contributions of \$171,310 (paid in 2026) and \$166,204 (paid in 2025), respectively.

For the years ended December 31, 2025 and 2024, the Company made non-safe harbor non-qualified matching contributions of \$76,228 (paid in 2026) and \$68,090 (paid in 2025), respectively. The Company did not make any qualified non-safe harbor nonelective contributions in 2025 or 2024.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures are used to reduce future Employer matching contributions. Such contributions may be reduced by the amount of forfeitures at the distribution of terminated participants' vested account balances or for terminated participants who have incurred five consecutive one-year breaks in service prior to such Plan year. During 2025, forfeitures of \$28,212 were generated. Unallocated forfeiture balances were \$20,570 and \$67,358 at December 31, 2025 and 2024, respectively. There were \$46,789 of forfeitures applied to the Company contributions receivable for the reduction of the profit-sharing contributions for year ended December 31, 2025. There were no forfeitures applied to the Company contributions receivable for the reduction of the profit-sharing contributions for year ended December 31, 2024.

Vesting

Participants are immediately 100% vested in their respective salary deferrals, the Company's safe harbor nonelective contributions, the Company's qualified non-safe harbor nonelective contributions, the Company's safe harbor qualified matching contributions, and actual earnings thereon. Vesting in the Company's profit-sharing contributions and the Company's non-safe harbor non-qualified matching contributions, plus actual earnings thereon, is based on years of credited service. The vesting for these contributions follows a graded schedule as follows:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
Less than two	0%

Upon termination of employment, death, disability, or attainment of normal retirement age, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or in installments as elected by the participant if the participant's vested account balance exceeds \$5,000. If a participant's vested account balance does not exceed \$5,000, then the participant's benefit may only be distributed in the form of a single lump sum distribution.

The Plan allows for in-service distributions if a participant reaches age 59 1/2 subject to Plan provisions. In addition, a participant may withdraw his or her rollover contributions at any time. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000 and the participant has not consented to the distribution, the benefit to which the participant is entitled will be rolled into an individual retirement account in the participant's name.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Cash and Cash Equivalents

Cash and cash equivalents are stated at cost, which approximates fair value.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Plan Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in the net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments mutual funds are stated at fair value. The Plan's investments held in fully benefit-responsive investment contracts are stated at contract value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

The underlying securities in each mutual fund account are listed on national securities exchanges and valued on the basis of year-end closing prices. Securities traded in the over-the-counter market are valued at the closing price on the last business day of the year. Gains or losses on securities sold are based on average cost. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Fully Benefit-Responsive Investment Contracts

The Plan invests in fully benefit-responsive investment contracts issued by insurance companies. Contract value is the relevant measurement attribute for these investments because contract value represents the amount participants would receive upon initiating permitted transactions under the terms of the Plan. Contract value represents contributions made under the contracts, plus credited interest, less participant withdrawals and administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, are described as follows:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies during the year ended December 31, 2025.

Mutual Funds: Mutual funds are valued at their published net asset value at the measurement date. Exchange-traded funds are valued using quoted market prices on the principal exchange on which they trade. Purchases and sales are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date, and interest income is recorded on the accrual basis. Net appreciation includes realized and unrealized gains and losses on investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,784,168	\$ -	\$ -	\$ 5,784,168
	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,156,096	\$ -	\$ -	\$ 5,156,096

During the year ended December 31, 2025, there were no transfers between levels within the fair value hierarchy.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in the Key Guaranteed Portfolio Fund (“KGPF”), a general-account investment product offered through a group annuity contract issued by Empower Annuity Insurance Company of America (“Empower”). Amounts allocated to KGPF are supported by the general-account assets of Empower. Empower is contractually obligated, subject to the terms of the group annuity contract, to pay participant principal and credited interest.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS *(Continued)*

The Plan also invests in Fixed Account Plus (“FA”), a fully benefit-responsive investment contract issued by The Variable Annuity Life Insurance Company (“VALIC”). Amounts invested in FA are reported at contract value. VALIC is contractually obligated, subject to the contract terms, to repay principal and credited interest.

KGPF credits interest daily to the Plan’s group contract account. The crediting rate is established by Empower and may be adjusted quarterly. The contract meets the criteria for a fully benefit-responsive investment contract and is therefore reported at contract value. Contract value represents contributions made under the contract, plus credited interest, less participant withdrawals and administrative expenses.

Participants may ordinarily direct withdrawals or transfers from KGPF at contract value. The Plan’s ability to receive amounts due under the contract is dependent upon Empower’s ability to meet its contractual obligations.

Certain events may limit the Plan’s ability to transact at contract value, including complete or partial Plan termination, a merger involving the Plan, certain amendments to the Plan or contract, the addition of competing investment options, bankruptcy or other significant employer-initiated events, or premature termination of the contract. Management believes that the occurrence of an event that would limit the Plan’s ability to transact at contract value is not probable.

The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. KGPF’s average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2025 and 2024 was 1.45% and 1.41%, respectively.

The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan’s quarterly interest rates. The average for 2025 and 2024 was 1.45% and 1.41%, respectively.

The FA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - PLAN TERMINATION

The plan sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - TAX STATUS

The Plan adopted a volume submitter plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has not requested a determination letter from the Internal Revenue Service ("IRS") stating that the Plan is qualified under Section 401(a) of the IRC. Management believes the Plan is qualified under IRC Section 401(a) and the related trust is tax-exempt under IRC Section 501(a).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to examination by taxing authorities for years prior to 2022.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock, Empower or VALIC. Therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment operating expenses are reflected in Net Asset Value/investment returns, while revenue-sharing credits, if any, offset recordkeeping or administrative expenses.

NOTE 10 – SUBSEQUENT EVENTS

Plan management evaluated subsequent events and transactions occurring after December 31, 2025, through September 8, 2026, the date the financial statements were available to be issued.
