INDEPENDENT AUDITOR'S REPORT

The Plan Administrator,
All Star Family 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of All Star Family 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of

the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**All Star Family 401(k) Plan**

December 31, 2025 and 2024

Note 1 - DESCRIPTION OF PLAN

The following description of the All Star Family 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

a. General

The Plan is a defined contribution plan of All Star Electric, Inc. (the “Company”), covering employees of the Company and its participating employers (Regional Mechanical Services, LLC, All Star Premier Homes, LLC, Global Security & Data, LLC, RMS Services, LLC, ASE Services, LLC, and Star Recovery Services, LLC) (the “Employers”) who have at least one year of service and are age eighteen or older, except for employees covered by a collective bargaining agreement and non-resident aliens, as defined in the plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

b. Contributions

Each year, participants may contribute up to the maximum amount allowed by law of their annual compensation, as defined in the plan agreement. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Roth deferrals are permitted, and participants may elect both pre-tax and Roth deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides that the Company and its participating employers, except for Star Recovery Services, LLC, make ADP test safe harbor contributions of 100% of participant contributions up to 3% of compensation and 50% of participant contributions greater than 3% up to 5% of compensation. For Star Recovery Services, LLC, ADP test safe harbor contributions are equal to the sum of 100% of the participant’s elective deferrals that do not exceed 6% of the participant’s compensation. The Plan also allows for discretionary employer nonelective contributions. For 2025, the Company and its participating employers made ADP test safe harbor contributions totaling \$730,702. There were no discretionary employer nonelective contributions made for 2025. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Note 1 - DESCRIPTION OF PLAN (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contributions and company ADP test safe harbor contributions, as well as allocations of the employer nonelective contributions (if any) and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer nonelective discretionary contributions is at the rate of 20% vested after two years of service, 40% vested after three years of service, 60% vested after four years of service, 80% vested after five years of service, and 100% vested after six years of service. A participant is immediately 100% vested in all ADP test safe harbor contributions.

e. Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate that is based on prime plus 1% (6.75% as of December 31, 2025). Loan terms may not exceed five years. Principal and interest is paid ratably through payroll deductions.

f. Payment of Benefits

Participants may receive the full value of their vested account due to death, disability, retirement, or termination of employment. Distributions are made as soon as administratively feasible and are distributed in a single lump sum. In-service distributions are allowed to participants that have attained age 59½. Hardship distributions are permitted as defined in the plan agreement.

g. Forfeited Accounts

As of December 31, 2025 and 2024, there were no forfeited non-vested accounts. Under the plan agreement, forfeitures may be used to reduce employer contributions. During 2025, there were no forfeitures used to reduce employer contributions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as promulgated by the Financial Accounting Standards Board.

b. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan management determines the Plan's valuation policies utilizing information provided by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income, if any, is recorded on the accrual basis. Dividends, if any, are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

e. Payment of Benefits

Benefits are recorded when paid.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

g. Subsequent Events

The Plan has evaluated subsequent events through September 1, 2026, the date the financial statements were available to be issued.

Note 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedules, including investments at fair value and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock.

Note 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) issued Accounting Standards Codification (ASC) 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2025 and 2024.

- *Pooled separate accounts*: Valued at net asset value (NAV) of the units of the pooled separate accounts. The NAV is a readily-determinable fair value because the investments are in a structure similar to a mutual fund in which the fair value per unit are determined and published and are the basis for current transactions. The daily NAV is available to participants of the Plan and participants allowed to make daily redemption requests at NAV. The pooled separate accounts are measured using fair value and have been determined to be Level 2 inputs.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables, set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Totals
Pooled separate accounts	\$ -	\$ 20,459,087	\$ -	\$ 20,459,087
Total investments at fair value	\$ -	\$ 20,459,087	\$ -	\$ 20,459,087
	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Totals
Pooled separate accounts	\$ -	\$ 17,556,955	\$ -	\$ 17,556,955
Total investments at fair value	\$ -	\$ 17,556,955	\$ -	\$ 17,556,955

Note 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held in pooled separate accounts managed by John Hancock, who is the Plan's recordkeeper. Therefore, fund transactions associated with John Hancock are considered to be party-in-interest transactions.

John Hancock receives revenues from fund service providers for administrative services it provides to funds which the Plan invests under a revenue sharing agreement. This revenue is used to offset certain amounts owed to John Hancock for its recordkeeping and administrative services to the Plan. During the year ended December 31, 2025, total excess revenue sharing amounts of \$9,411 were received and were reported as other income in the statement of changes in net assets available for benefits.

Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company and its participating employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 7 - TAX STATUS

The Plan, originally effective January 1, 2004, was amended and restated January 1, 2022. The amended and restated Plan is a non-standardized pre-approved plan and has received a favorable opinion letter from the IRS dated June 30, 2020. The Plan itself has not separately applied for tax-exempt status; however, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - SUBSEQUENT EVENT - PARTICIPATING EMPLOYER

Effective June 1, 2026, the Plan was amended to allow All Star Premier Builders, LLC to become a participating employer in the Plan.
