INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee of the
Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of the Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of November 30, 2025, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended November 30, 2025, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Retirement Plan Committee of the
Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Retirement Plan Committee of the
Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Retirement Plan Committee of the
Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan

Other Matter – 2025 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of November 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Retirement Plan Committee of the
Mayo Manufacturing Corporation Amended Employees Profit Sharing Plan

Auditor's Report on the 2024 Financial Statements

The financial statements of the Plan as of November 30, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 15, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2025 AND 2024

NOTE A – DESCRIPTION OF PLAN

The following description of the Mayo Manufacturing Corporation (the Plan Sponsor) Amended Employees Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General** – The Plan is a defined contribution plan covering substantially all full-time employees of the Plan Sponsor. Employees are eligible to become participants in the Plan after completing 2 months of service and attaining age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.
2. **Contributions** – Each year, participants may contribute up to 60% of their pretax annual compensations, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an interest-bearing cash account. The amended Adoption Agreement includes a 401(k) Safe Harbor Provision, under which a "Non-elective Safe Harbor Contribution" allows the Plan Sponsor to contribute an amount equal to 3% of the participant's allowable compensation for the Plan year. Effective December 1, 2015, the Plan was amended to modify the safe harbor contribution to 100% of participant contributions that do not exceed 3% of total compensation plus 50% of participant contributions between 3% and 5% of total compensation. All contributions are within the maximum amount allowed as a tax-deductible expense and are funded concurrent with the participant contributions. There were no discretionary contributions by the Plan Sponsor in 2025 and 2024.
3. **Participant Accounts** – Each participant's account is credited with a) the participant's contribution and the Plan Sponsor's safe-harbor contribution, b) the Plan Sponsor's discretionary contributions (if any) and, c) plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.
4. **Payment of Benefits** – Upon termination of service due to death, disability or retirement, a participant may elect to receive a) a lump-sum distribution of their entire vested account balance, b) a single sum distribution of a portion of the vested account balance, or c) installments for a specified term or a specified dollar amount. A hardship withdrawal option, of employee contributions only, is also available to participants.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

5. **Vesting** – Participants are immediately vested in their contributions and the Plan Sponsor’s safe harbor match contributions plus actual earnings thereon. Vesting in the Plan Sponsor’s discretionary contributions plus actual earnings thereon is based on years of continuous service in accordance with the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

6. **Forfeited Accounts** – As of November 30, 2025 and 2024, forfeited non-vested accounts totaled \$21,392 and \$19,463, respectively. These accounts may be used to reduce future employer matching contributions or to pay administrative expenses of the Plan.
7. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant’s account and bear interest at rates ranging from 5.25% to 10.50%, which are commensurate with local prevailing rates being charged at the time of the note. Principal and interest is paid ratably through payroll deductions.
8. **Participant Directed Investments** – Participants are permitted to direct investments of both employee and employer contributions in various investment options as of November 30, 2025 and 2024.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

1. **Basis of Accounting** – The financial statements of the Plan are prepared using the accrual basis of accounting.
2. **Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

3. **Investment Valuation and Income Recognition** – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements. There were no changes in the valuation methods used to measure the fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are accrued on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

4. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
5. **Payment of Benefits** – Benefits are recorded when paid.
6. **Administrative Expenses** – All expenses associated with the administration and maintenance of the Plan are paid by the Plan Sponsor, except for fees related to participant distributions, initial participant loan fees, and quarterly participant maintenance fees, which are charged directly to the respective participant accounts.
7. **Date of Management’s Review of Subsequent Events** – Subsequent events were evaluated through September 15, 2026, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. There were no changes in the methods used to measure fair value at November 30, 2025 and 2024.

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy are as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Mutual funds and U.S. Government money market funds are valued at quoted net asset values of the shares held by the Plan as reported by the respective funds.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. There are no plan assets requiring the use of Level 2 inputs for the periods presented.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following table presents the Plan's investments measured at fair value, by level within the fair value hierarchy, as of November 30, 2025 and 2024:

<u>November 30, 2025</u>	Fair Value Measurements at the End of the Reporting Period Using			
	Fair Value	Level 1	Level 2	Level 3
Mutual Funds	\$ 7,941,804	\$ 7,941,804	\$ -	\$ -
U.S. Government Money Market Funds	136,995	136,995	-	-
Total Assets at Fair Value	<u>\$ 8,078,799</u>	<u>\$ 8,078,799</u>	<u>\$ -</u>	<u>\$ -</u>

<u>November 30, 2024</u>	Fair Value Measurements at the End of the Reporting Period Using			
	Fair Value	Level 1	Level 2	Level 3
Mutual Funds	\$ 6,937,350	\$ 6,937,350	\$ -	\$ -
U.S. Government Money Market Funds	109,148	109,148	-	-
Total Assets at Fair Value	<u>\$ 7,046,498</u>	<u>\$ 7,046,498</u>	<u>\$ -</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended November 30, 2025, are reported in net appreciation in fair value of investments.

NOTE D – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$4,348 for the year ended November 30, 2025.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Plan adopted the Fidelity Management & Research (FMR), LLC, Non-Standardized Pre-Approved Plan (as provided in Rev. 2017-41), on January 24, 2021. The pre-approved plan document received its most recent opinion letter from the Internal Revenue Service on June 30, 2020. The Internal Revenue Service stated that the Plan, as then designed, is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code. The Plan has been amended since the adoption. However, the Plan Sponsor and Board of Trustees believe that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. In management's opinion, the Plan is no longer subject to federal, state, or local examinations by tax authorities for years prior to 2022.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held as of November 30, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended November 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan’s trustee, Fidelity Management Trust Company, a qualified institution. The following information was certified to be complete and accurate by Fidelity Management Trust Company and was not subject to auditing procedures:

	<u>2025</u>	<u>2024</u>
Investments at Fair Value	\$ 8,078,799	\$ 7,046,498
Notes Receivable from Participants	354,944	266,722
Net Appreciation in Fair Value of Investments	\$ 588,251	
Interest and Dividends	<u>382,910</u>	
Total Investments Income	<u>971,161</u>	
Interest Income on Notes Receivable from Participants	<u><u>25,940</u></u>	

In addition to total investment and investment income as shown in the accompanying financial statements, all information included in the supplemental Schedule H, line 4i – “Schedule of Assets (Held at End of Year)” was not subjected to auditing procedures.

NOTE I – COMMITMENTS

There were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not yet been paid as of November 30, 2025 and 2024, respectively. These amounts represent outstanding distributions to participants who have elected to withdraw from the Plan prior to November 30. These obligations should not be reported as deductions from net assets until payment is made.

NOTE J – RECLASSIFICATIONS

Certain amounts relating to the prior year have been reclassified to conform to the current year presentation.

NOTE K – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 15, 2026, the date on which the financial statements were available to be issued, and has determined that no disclosures are necessary.
