SAN DIEGO ROOFERS TRUST

FINANCIAL STATEMENTS

NOVEMBER 30, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
San Diego Roofers Trust
3530 Camino Del Rio North, Suite 110
San Diego, California 92108

Members of the Board:

Opinion

We have audited the accompanying financial statements of San Diego Roofers Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of November 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of November 30, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of November 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Board of Trustees
San Diego Roofers Trust

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAN DIEGO ROOFERS TRUST
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The San Diego Roofers Trust (the "Plan") was formed in 1963 under an agreement between the San Diego Roofers Union, Local 45 (the "Union") and the United Roofing Contractors Association. This agreement established a plan under which employers of Union members ("Employers") contribute amounts to the Plan on behalf of eligible employees.

The Declaration of Trust (the "Trust") and the Plan are subject to the provisions of the Labor-Management Relations Act of 1947 ("Taft-Hartley") and Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Under the provisions of the Declaration of Trust, three trustees are to be appointed by the Union and three trustees are to be appointed by the Employers' associations (collectively, the "Trustees" or "Board of Trustees").

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Contributions

Employer contributions as reported are contributions made by employers on behalf of employee hours worked during the year. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Payroll Compliance Program

Employer remittance reports were accepted as submitted, without examination or verification of employer's payroll records. The system of internal control provides for examination of employer's payroll records under a separate payroll compliance program.

E. Benefits

The Plan provides health benefits (hospital, surgical, major medical, dental, disability, and death benefits) through various insurance contracts covering active participants with 400 hours in four consecutive months becoming eligible in the 6th month. Hours worked in excess of the 400 hours ("bank hours") may be carried forward to a maximum of 400 hours and utilized in future months. The Plan requires participants to work 100 hours per month to maintain eligibility. Once a participant reaches 100 hours, any reported hours in excess of 100 go into the participant's bank hours.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9) and the state of California under Revenue and Taxation Code Section 23701i.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Benefits and Benefits Obligations

The Plan is required to provide benefits to active Plan participants if such participants have accumulated credit amounts (expressed as bank hours) in excess of the hours required for current coverage. The estimated liability is determined based on the Plan's estimate of the average cost of benefits provided, extended by bank hours accumulated. Premiums payable is calculated from the premiums paid subsequent to the end of year, on behalf of active participants for coverage during the year.

Under the Plan, eligible participants may receive disability benefits in accordance with the Plan description. The estimated liability represents premiums paid by the Plan into a self funded disability insurance program.

The Plan provided dental benefits to active members on a self-funded basis. Dental claims payable is calculated from claims paid subsequent to the end of year, on behalf of active participants for coverage during the year. The estimated liability represented the Plan's estimate for incurred but not reported dental claims. The estimate approximated three months of expenses.

H. Reclassification

Certain 2024 balances have been reclassified to conform to the 2025 financial statement presentation.

NOTE 3 - CONCENTRATION OF CREDIT RISK

At November 30, 2025, the Plan maintained bank accounts with cash balances in excess of the federally insured limit of \$250,000 per bank. The amount in excess of the limit was subject to risk if the financial institution did not perform. The Plan has not incurred any losses on the uninsured balances.

NOTE 4 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA and related regulations. In the event of termination of the Plan, the assets then remaining, after providing for the expense of the Plan and for the payment of any distributions already approved, shall be distributed among the participants.
