INDEPENDENT AUDITORS' REPORT

To the Plan Administrative Committee of Trustees of the
Gursey Schneider LLP 401(k) Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We performed audits of the accompanying financial statements of the Gursey Schneider LLP 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Gursey Schneider LLP 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Document or the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all eligible employees of Gursey Schneider LLP (Firm) who are at least 21 years old. Eligible employees may enroll in the Plan on their first day of employment with the Firm. Key employees, non-resident aliens, and employees who are covered by a collective bargaining agreement are not eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to certain annual limitations in the Internal Revenue Code (IRC). The Firm may make contributions for active participants in the Plan based on a discretionary percentage determined annually by the Firm. During the year ended December 31, 2025, the Firm contributed 50% of the first 6% of base compensation.

Participant Accounts

Each participant account is credited with the participant's contribution, any Firm contributions, an allocation of any Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participants' investment elections or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct their contributions into various investment options offered by the Plan.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested balance. Loan terms require amortization of principal and interest over a period not to exceed five years. Loans used to acquire a principal residence may extend beyond a five-year term. Loans are repaid through payroll deductions and may be repaid in full at any time.

Vesting

Participants are immediately vested in their voluntary and rollover contributions. Vesting in Firm contributions is based on years of service with full vesting obtained after three years.

(See Independent Auditors' Report)

Payments of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, participants or beneficiaries may elect to receive the value of their interests in their accounts in a lump sum amount, an annuity, or installments. Participants may also elect to rollover their account to another tax-deferred account or remain in the Plan until they are legally required to begin taking distributions. All account balances not exceeding \$1,000 may be immediately distributed in a lump sum payment.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments

Investments are reported at fair value. See Note 4 for a discussion of fair value measurements.

Contributions and Related Receivables

Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from compensation paid to participants. The employer contributions are recorded the year in which the employer designated the contribution.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

(See Independent Auditors' Report)

Plan Expenses

Certain Plan expenses are paid directly by the Firm. Investment-related expenses are included in net appreciation in fair value of investments.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through August 25, 2026, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's investments were held by the Trustee, Reliance Trust Company, at December 31, 2025 and 2024. Financial information related to those investments is included in the accompanying financial statements based on information certified as complete and accurate by the Trustee. The information was not audited by the Plan's independent auditors.

As of December 31, 2025 and 2024, certified investment information consisted of the following:

	<u>2025</u>	<u>2024</u>
Mutual Funds	\$ 27,253,728	\$ 20,700,089
Common and Collective Trusts	<u>506,677</u>	<u>458,084</u>
Total Investments	<u><u>\$ 27,760,405</u></u>	<u><u>\$ 21,158,173</u></u>

During the year ended December 31, 2025, certified investment income consisted of the following:

Net Appreciation in Fair Value of Investments	\$ 3,265,185
Dividends	699,247
Other Income	<u>704</u>
	<u><u>\$ 3,965,136</u></u>

(See Independent Auditors' Report)

NOTE 4 – VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There were no changes in the methodologies used at December 31, 2025 and 2024. The following are descriptions of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Common and Collective Trusts: Valued using NAV per unit. NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV.

(See Independent Auditors' Report)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

		2025		
		Level 1	Level 2	Total
Mutual Funds		\$ 27,253,728	\$ -	\$ 27,253,728
Common and Collective Trusts		-	506,677	506,677
Total		\$ 27,253,728	\$ 506,677	\$ 27,760,405
		2024		
		Level 1	Level 2	Total
Mutual Funds		\$ 20,700,089	\$ -	\$ 20,700,089
Common and Collective Trusts		-	458,084	458,084
Total		\$ 20,700,089	\$ 458,084	\$ 21,158,173

NOTE 5 – PLAN TERMINATION

Although the Firm has not expressed any intent to do so, the Firm has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all interests of the participants not previously vested would become vested and non-forfeitable, and the net assets of the Plan would be distributed to participants based upon individual equities in the Plan.

NOTE 6 – TAX STATUS

The Firm adopted a volume submitter profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service on October 6, 2020, stating the Plan, as then designed, was in accordance with applicable sections of the IRC. The Plan was since amended. The Plan Administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded there were no uncertain tax positions as of December 31, 2025.

(See Independent Auditors' Report)

NOTE 7 – PARTIES-IN-INTEREST TRANSACTIONS

The Plan pays investment management and recordkeeping fees to parties-in-interest. The Plan paid \$75,141 to parties-in-interest for the year ended December 31, 2025. These parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
