## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Jeff Belzer 401(k) Plan  
Lakeville, Minnesota

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Jeff Belzer 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Jeff Belzer 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

(Continued)

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Jeff Belzer 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jeff Belzer 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jeff Belzer 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jeff Belzer 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## JEFF BELZER 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and  
For the Year Ended December 31, 2025

#### 1. DESCRIPTION OF THE PLAN

The following description of the Jeff Belzer 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a single-employer defined contribution 401(k) plan covering substantially all employees of Jeff Belzer's Todd Chevrolet, Inc., Jeff Belzer New Prague Auto, Inc., and Jeff Belzer's Roseville Auto, Inc. (collectively, the Company) who have completed one year of service and are age twenty-one or older. An employee entered the Plan the first day of the Plan year (January 1) or the first day of the 7<sup>th</sup> month of the Plan year (July 1) coinciding with or next following the date eligibility requirements are met. Effective January 1, 2025, employees that are twenty-one or older may enter the plan on the first day of the calendar month following the completion of one year of service. The Plan excludes employees who are collective bargaining (union) employees, non-resident aliens and leased employees.

The Company is the Plan Sponsor and Plan Administrator. Ascensus Trust Company has been appointed Plan Custodian (the Custodian). DWC ERISA Consultants LLC provides recordkeeping services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was adopted effective January 1, 1995, and was restated and amended effective January 1, 2025.

Investments held with Ascensus Trust Company are invested in mutual funds and a common/collective trust fund.

**Participant Accounts** - Each participant's account is credited with the participant's contributions plus an allocation of (a) the Company's discretionary matching contributions, if any, (b) the Company's additional matching contributions, if any, and (c) Plan earnings or losses, net of expenses. Allocations are based on account balances or elective deferrals as defined in the Plan.

## JEFF BELZER 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and  
For the Year Ended December 31, 2025

#### 1. DESCRIPTION OF THE PLAN (Continued)

**Contributions** - Participants are allowed to make elective pretax (traditional 401(k)) or after-tax (Roth 401(k)) deferral contributions up to IRS limits and not to exceed 100% of annual compensation, as defined in the Plan. The Plan includes an automatic enrollment feature, whereby participants are enrolled in the Plan at a 6% deferral rate with no automatic escalation. Participants that are automatically enrolled that do not make an investment election will have their deferrals invested in a default fund that is selected by Plan officials. The Plan allows participants age 50 and older to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

Participants are eligible for Company discretionary matching contributions equal to a uniform percentage of the participant's elective deferrals. The Company will determine the discretionary percentage semi-annually, and it is available to eligible participants with 500 hours of service during the determination periods ending June 30 and December 31. A participant must be employed on the last day of the determination period to be eligible for the matching contribution of that determination period, unless the participant terminates employment because of death, disability, or normal retirement. During 2025, the Company made matching contributions for eligible employees of Jeff Belzer's Roseville Auto, Inc. equal to 50% of each participant's eligible contributions to the Plan up to 5% of that participant's compensation. No matching contributions were made for employees of Jeff Belzer's Todd Chevrolet, Inc. or Jeff Belzer New Prague Auto, Inc. in 2025.

Each year, the Company may also choose to make a non-elective contribution allocated to all eligible participants in an amount determined by the Company. There are no additional service, hours, or last-day employment requirements to receive this contribution. There were no additional Company non-elective contributions made to the Plan for the year ended December 31, 2025.

**Vesting** - The participant's elective deferral and earnings thereon are always 100% vested. For the Company's matching contributions and earnings thereon, vesting is based on years of service. A participant is 100% vested after six years of credited service which includes years of service with the Company prior to the effective date of the Plan. Notwithstanding the above, a participant's account will be fully vested upon death, disability or retirement.

## NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and  
For the Year Ended December 31, 2025

### 1. DESCRIPTION OF THE PLAN (Continued)

**Forfeitures** - Forfeitures may be used to pay administrative expenses of the Plan and/or reduce future employer contributions payable under the Plan. At December 31, 2025 and 2024, forfeitures available to pay administrative expenses or reduce future employer contributions payable were \$3,760 and \$9,478. In 2025, \$13,503 was used to pay administrative expenses of the Plan. No forfeitures were used to reduce employer contributions payable in 2025.

**Payment of Benefits** - On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's account in a lump-sum amount, or in minimum required distributions as specified in the Plan. For termination of service due to other reasons, participants with vested accounts of less than \$5,000 will have their vested balance distributed as soon as administratively possible. Participants with vested accounts greater than \$5,000 may receive the value of the vested interest in his or her account as a lump-sum distribution or minimum required distributions. The Plan also allows for in-service withdrawals and hardship withdrawals subject to Plan provisions.

**Investment Options** - Participants are allowed to direct the investment of their contributions among the various investment options offered by the Plan. Company contributions are allocated on the same basis as employee contributions.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The accompanying financial statements have been prepared on the accrual basis of accounting.

## NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and  
For the Year Ended December 31, 2025

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Estimates** - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates and assumptions that affect certain amounts reported and disclosed in the financial statements. Actual results could differ from such estimates.

**Valuation of Investments** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Payment of Benefits** - Benefits are recorded when paid.

**Administrative Expenses** - The Company pays certain administrative expenses on behalf of the Plan. Expenses that are paid from Plan assets are reflected in the statement of changes in net assets available for benefits.

#### **4. INCOME TAX STATUS**

The plan document adopted by the Plan obtained its latest opinion letter on September 6, 2023, in which the Internal Revenue Service stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected.

#### **5. FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

#### 5. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the methodologies used to measure the fair value of the Plan's investments.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common/collective trust fund:** A stable value fund that is composed primarily of fully benefit-responsive contracts that is valued at the net asset value of units in the collective trust. Plan management believes using net asset value as a practical expedient to estimate fair value is appropriate for investments in the common/collective trust. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The Plan's investment in the common/collective trust fund is subject to the withdrawal and redemption restrictions listed in the Offering Statement. The Plan has no unfunded commitments relating to the common/collective trust fund at December 31, 2025 and 2024.

The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the common/collective trust fund could result in a different fair value measurement at the reporting date.
