INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Greater Cleveland Partnership
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Greater Cleveland Partnership 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Greater Cleveland Partnership 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Cleveland Partnership 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cleveland Partnership 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements – Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Cleveland Partnership 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cleveland Partnership 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREATER CLEVELAND PARTNERSHIP 401(K) PLAN

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of Greater Cleveland Partnership 401(k) Plan (“Plan”) is provided for general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of Greater Cleveland Partnership (the “Company”). Employees may elect to participate in the Plan upon the completion of 90 days of eligible service as defined by the Plan. Interns or temporary employees are eligible after completing 1,000 hours of service in a one-year period and are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Fiduciary – Effective January 1, 2020, Vantage Financial Group is serving the Plan in a 3(38) capacity meaning the fiduciary burden for investment monitoring and changes, plan implementation and plan management shifts to Vantage Financial Group while the Plan still maintains fiduciary responsibility for plan design, investment/governance/cost structures, and monitoring the 3(38) investment manager’s performance.

Contributions – Participants may elect to contribute to the Plan a percentage of compensation, subject to certain limits under the Plan and established by the Internal Revenue Service (“IRS”). The Plan also contains provisions to accept designated Roth Contributions. The Company makes a safe-harbor contribution equal to 3% of eligible compensation to all participants. In addition, the Company provides a matching contribution equal to 50% of an employee’s elective deferral that does not exceed 4% of compensation for the plan year.

Participant Accounts – Participants direct the investment of their contributions and their share of Company contributions into various investment funds. Individual accounts are maintained for each Plan participant. Each separate account is increased or decreased with pro rata allocation of each selected investment fund’s earnings or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account. The Plan modifies the investment line-up as approved by the Plan’s investment review committee. The majority of the investment options are in a common collective trust versus the historical registered investment company options as part of an investment strategy to reduce fund costs to participants.

Vesting – Participants are vested immediately in all contributions plus earnings thereon. There are no forfeitures related to this Plan.

GREATER CLEVELAND PARTNERSHIP 401(K) PLAN

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 1 – DESCRIPTION OF PLAN (Cont'd)

Notes Receivable from Participants – A participant may borrow from his or her account up to a maximum amount equal to the lesser of \$50,000 or 50% of the account balance. Loan terms range from one to five years or up to thirty years if the loan is to acquire a principal residence. The loans are collateralized by the balance in the participant's account and provide for interest at a fixed rate of prime plus 1% at the time of the loan. Principal and interest are paid through payroll deductions in accordance with the payment schedule in the promissory note.

Payment of Benefits – Plan benefits are based solely on the amount contributed to the participant's account by the Company and the participant and the cumulative share of any income and gains and losses. Payment of benefits upon retirement, disability, death, or other termination of employment may be made at the participant's option directly to the participant or in the form of a rollover. Withdrawals of a participant's interest in his or her account may be made prior to termination, subject to certain restrictions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual basis of accounting.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025, no allowance for credit losses was recorded.

Valuation of Investments and Income Recognition – The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at net asset value per share, or contract value, as practical expedient under ASC 820, "Fair Value Measurement." Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. The change in the difference between current value and the cost of investments and the gain or loss on the sale of investments is reflected in the statements of changes in net assets available for benefits as net appreciation in fair value of investments. The cost of investments sold is based on the average cost of the investments. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Cont'd)

Expenses – Certain administrative expenses are paid by the Company and are therefore excluded from these financial statements. In 2017, the Plan moved to an institutionally priced investment line-up and direct compensation agreement with Plan service providers to enhance the transparency of fees in the plan.

Payment of Benefits – Benefits are recorded when paid.

Subsequent events – Subsequent events have been evaluated for potential recognition and/or disclosure through July 29, 2026, the date the financial statements were available to be used. The Plan's management found no subsequent events that need to be disclosed in the financial statements.

NOTE 3 – INCOME TAX STATUS

The newly adopted prototype plan document sponsored by Fidelity Management & Research, Co. received an opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audit by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 4 – UNAUDITED INFORMATION

The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustees that such information is complete and accurate.

NOTE 5 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of fair value hierarchy under ASC 820 are:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities. Level 1 yields the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities. A quoted price in an active market provides the most reliable evidence of fair value and shall be used to measure fair value whenever available.

Level 2 – Observable inputs other than quoted prices in Level 1. Inputs such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar liabilities that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are significant to the valuation of assets or liabilities and are supported by little or no market data. This includes discounted cash flow methodologies, pricing models and similar techniques that use significant unobservable inputs.

Quoted market prices are used when available to determine the fair value of investment securities and these are categorized as Level 1. The inputs used in fair value of Level 1 instruments are quoted.

NOTE 5 – FAIR VALUE OF FINANCIAL INSTRUMENTS (Cont'd)

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024. Common Collective Trust funds are measured at fair value using the net asset value per share (NAV). Such investments are not categorized in the fair value hierarchy but are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits. The NAV has been applied as a practical expedient for estimating fair value as these investments can be redeemed at the net asset value.

NOTE 6 – INVESTMENT IN COMMON COLLECTIVE TRUST FUND

The Plan maintains various investment options with the Great Grey Trust (the Fund). The funds are designed to provide long-term investors with an asset allocation strategy designed to maximize their retirement savings consistent with an acceptable level of risk tolerance, ranging from aggressive to conservative, and projected retirement date associated with each fund. To pursue its investment objectives, the funds are diversified across an international equity, global real estate, commodities, intermediate-term bonds and inflation-protected bonds.

Common collective trust funds have been valued using the net asset value per share which is the contract for these investments.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to alter, suspend, or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan assets will be distributed to the participants under federal law.

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments (Fidelity Advisors) are managed by organizations related to the Trustees and is considered to be a party-in-interest as defined in ERISA. In 2017, the Plan moved to an institutionally priced investment line-up and direct compensation agreement with Plan service providers to enhance the transparency of fees in the Plan. Fees paid by the Plan for the recordkeeping services amounted to \$78,939 and \$73,060 for the years ended 2025 and 2024, respectively.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Benefit payments requested by participants are recorded on the Form 5500 for benefit payments that have been processed and approved for payment prior to year-end, but not yet paid as of that date. There were no reconciling items between the financial statements and the form 5500 for the years ended December 31, 2025 and 2024.

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities as defined in ERISA, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – PLAN AMENDMENTS

Effective May 1, 2022, the Company increased matching contributions to 50% of an employee's elective deferral that does not exceed 4% of compensation.

Effective November 12, 2020, the Company adopted a restatement to the Plan document. The restated plan is an updated prototype plan document sponsored by Fidelity Management & Research Company, which received an opinion letter from the Internal Revenue Service Center dated June 30, 2020. The opinion letter indicates that the document satisfies the applicable provisions of the IRC. The restatement did not result in changes to the plan provisions or operation of the plan.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Greater Cleveland Partnership
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Greater Cleveland Partnership 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Greater Cleveland Partnership 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Cleveland Partnership 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cleveland Partnership 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements – Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Cleveland Partnership 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cleveland Partnership 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREATER CLEVELAND PARTNERSHIP 401(K) PLAN

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of Greater Cleveland Partnership 401(k) Plan (“Plan”) is provided for general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of Greater Cleveland Partnership (the “Company”). Employees may elect to participate in the Plan upon the completion of 90 days of eligible service as defined by the Plan. Interns or temporary employees are eligible after completing 1,000 hours of service in a one-year period and are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Fiduciary – Effective January 1, 2020, Vantage Financial Group is serving the Plan in a 3(38) capacity meaning the fiduciary burden for investment monitoring and changes, plan implementation and plan management shifts to Vantage Financial Group while the Plan still maintains fiduciary responsibility for plan design, investment/governance/cost structures, and monitoring the 3(38) investment manager’s performance.

Contributions – Participants may elect to contribute to the Plan a percentage of compensation, subject to certain limits under the Plan and established by the Internal Revenue Service (“IRS”). The Plan also contains provisions to accept designated Roth Contributions. The Company makes a safe-harbor contribution equal to 3% of eligible compensation to all participants. In addition, the Company provides a matching contribution equal to 50% of an employee’s elective deferral that does not exceed 4% of compensation for the plan year.

Participant Accounts – Participants direct the investment of their contributions and their share of Company contributions into various investment funds. Individual accounts are maintained for each Plan participant. Each separate account is increased or decreased with pro rata allocation of each selected investment fund’s earnings or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account. The Plan modifies the investment line-up as approved by the Plan’s investment review committee. The majority of the investment options are in a common collective trust versus the historical registered investment company options as part of an investment strategy to reduce fund costs to participants.

Vesting – Participants are vested immediately in all contributions plus earnings thereon. There are no forfeitures related to this Plan.

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 1 – DESCRIPTION OF PLAN (Cont'd)

Notes Receivable from Participants – A participant may borrow from his or her account up to a maximum amount equal to the lesser of \$50,000 or 50% of the account balance. Loan terms range from one to five years or up to thirty years if the loan is to acquire a principal residence. The loans are collateralized by the balance in the participant's account and provide for interest at a fixed rate of prime plus 1% at the time of the loan. Principal and interest are paid through payroll deductions in accordance with the payment schedule in the promissory note.

Payment of Benefits – Plan benefits are based solely on the amount contributed to the participant's account by the Company and the participant and the cumulative share of any income and gains and losses. Payment of benefits upon retirement, disability, death, or other termination of employment may be made at the participant's option directly to the participant or in the form of a rollover. Withdrawals of a participant's interest in his or her account may be made prior to termination, subject to certain restrictions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual basis of accounting.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025, no allowance for credit losses was recorded.

Valuation of Investments and Income Recognition – The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at net asset value per share, or contract value, as practical expedient under ASC 820, "Fair Value Measurement." Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. The change in the difference between current value and the cost of investments and the gain or loss on the sale of investments is reflected in the statements of changes in net assets available for benefits as net appreciation in fair value of investments. The cost of investments sold is based on the average cost of the investments. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Cont'd)

Expenses – Certain administrative expenses are paid by the Company and are therefore excluded from these financial statements. In 2017, the Plan moved to an institutionally priced investment line-up and direct compensation agreement with Plan service providers to enhance the transparency of fees in the plan.

Payment of Benefits – Benefits are recorded when paid.

Subsequent events – Subsequent events have been evaluated for potential recognition and/or disclosure through July 29, 2026, the date the financial statements were available to be used. The Plan's management found no subsequent events that need to be disclosed in the financial statements.

NOTE 3 – INCOME TAX STATUS

The newly adopted prototype plan document sponsored by Fidelity Management & Research, Co. received an opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audit by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 4 – UNAUDITED INFORMATION

The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustees that such information is complete and accurate.

NOTE 5 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of fair value hierarchy under ASC 820 are:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities. Level 1 yields the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities. A quoted price in an active market provides the most reliable evidence of fair value and shall be used to measure fair value whenever available.

Level 2 – Observable inputs other than quoted prices in Level 1. Inputs such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar liabilities that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are significant to the valuation of assets or liabilities and are supported by little or no market data. This includes discounted cash flow methodologies, pricing models and similar techniques that use significant unobservable inputs.

Quoted market prices are used when available to determine the fair value of investment securities and these are categorized as Level 1. The inputs used in fair value of Level 1 instruments are quoted.

NOTE 5 – FAIR VALUE OF FINANCIAL INSTRUMENTS (Cont'd)

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024. Common Collective Trust funds are measured at fair value using the net asset value per share (NAV). Such investments are not categorized in the fair value hierarchy but are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits. The NAV has been applied as a practical expedient for estimating fair value as these investments can be redeemed at the net asset value.

NOTE 6 – INVESTMENT IN COMMON COLLECTIVE TRUST FUND

The Plan maintains various investment options with the Great Grey Trust (the Fund). The funds are designed to provide long-term investors with an asset allocation strategy designed to maximize their retirement savings consistent with an acceptable level of risk tolerance, ranging from aggressive to conservative, and projected retirement date associated with each fund. To pursue its investment objectives, the funds are diversified across an international equity, global real estate, commodities, intermediate-term bonds and inflation-protected bonds.

Common collective trust funds have been valued using the net asset value per share which is the contract for these investments.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to alter, suspend, or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan assets will be distributed to the participants under federal law.

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments (Fidelity Advisors) are managed by organizations related to the Trustees and is considered to be a party-in-interest as defined in ERISA. In 2017, the Plan moved to an institutionally priced investment line-up and direct compensation agreement with Plan service providers to enhance the transparency of fees in the Plan. Fees paid by the Plan for the recordkeeping services amounted to \$78,939 and \$73,060 for the years ended 2025 and 2024, respectively.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Benefit payments requested by participants are recorded on the Form 5500 for benefit payments that have been processed and approved for payment prior to year-end, but not yet paid as of that date. There were no reconciling items between the financial statements and the form 5500 for the years ended December 31, 2025 and 2024.

GREATER CLEVELAND PARTNERSHIP 401(K) PLAN

Notes to Financial Statements

As of and for the Years Ended December 31, 2025 and 2024

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities as defined in ERISA, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – PLAN AMENDMENTS

Effective May 1, 2022, the Company increased matching contributions to 50% of an employee's elective deferral that does not exceed 4% of compensation.

Effective November 12, 2020, the Company adopted a restatement to the Plan document. The restated plan is an updated prototype plan document sponsored by Fidelity Management & Research Company, which received an opinion letter from the Internal Revenue Service Center dated June 30, 2020. The opinion letter indicates that the document satisfies the applicable provisions of the IRC. The restatement did not result in changes to the plan provisions or operation of the plan.
