Independent Auditor's Report

Financial Advisory Council, Plan Administrator and Plan Management
The Elanco US, Inc. 401(k) Plan
Greenfield, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Elanco US, Inc. 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Elanco US, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Elanco US, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Elanco US, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Elanco US, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about The Elanco US, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of The Elanco US, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator. The Plan was established on January 1, 2019.

General

The Plan is a defined-contribution plan sponsored by Elanco US, Inc. (Company) and participating subsidiaries, for the benefit of its full-time employees who are not a member of a recognized collective-bargaining agreement (unless the agreement makes the plan applicable to its members such as the United Food and Commercial Workers Local 6 at Fort Dodge, Iowa agreement). Employees become eligible for participation in the Plan on the first day of employment. Seasonal, part-time, or other special status employees must complete 1,000 hours of service within a 12 consecutive month period to be eligible. Lohmann Animal Health International, Inc. is a participating employer of the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Fidelity Management Trust Company (Fidelity) is the trustee of the Plan. Fidelity is also the custodian of the self-directed brokerage accounts. The Financial Advisory Council of the Company is the Plan Administrator of the Plan.

Contributions

The Plan allows for participant contributions from 1% to 50% of eligible compensation up to applicable regulatory limits. Participants have the option of enrolling in a program to increase their contribution rates automatically each year. Employee Roth and rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also includes an automatic deferral feature whereby a participant is treated as electing to defer 6% of eligible compensation unless the participant made an affirmative election otherwise. The automatic deferral feature also provides for an annual increase of 1% and is ultimately capped at 15%.

Company matching contributions are 100% of the participant's elective deferral up to 6% of participant's eligible compensation for non-union employees. Company matching contributions are 100% of the participant's elective deferral up to 6% of participant's eligible compensation for union employees hired on or after April 1, 2023. Company matching contributions were 100% of the participant's elective deferral up to 5% of participant's eligible compensation for union employees hired prior to April 1, 2023. Catch-up deferrals are not matched. The Company may make a discretionary non-elective contribution each Plan year for both union and non-union eligible participants. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various mutual funds, common collective funds, as well as self-directed brokerage accounts. Each participant has the option of directing their contributions into any of the funds and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are vested immediately in their own contributions. A participant of the Lilly US Plan as of December 31, 2018, who became a participant in the Plan on January 1, 2019, was vested in Company matching contributions as well. For all other participants, the Company's matching contributions and non-elective contributions vest after two years of continuous service. In addition, an employee of Eli Lilly and Company who was a participant in the Lilly US Plan as in effect on December 31, 2018 (a Prior Plan Participant), as well as an Eli Lilly and Company employee who was not a Prior Plan Participant and was hired or rehired by Elanco (or one of its subsidiaries or affiliated companies) on or before December 31, 2019, is eligible for vesting credit for his or her years of creditable service with Eli Lilly and Company.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the vested value of their account or roll the balance over into another qualified plan. Withdrawals other than for termination, such as hardship and age 59 1/2 withdrawals, are permitted under certain circumstances provided by the Plan.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately \$677,100 and \$475,500, respectively. During 2025 and 2024, the Company used approximately \$180,100 and \$199,600 of forfeitures to pay the Plan's administrative expenses, respectively. During 2025 and 2024, approximately \$496,900 and \$438,300, respectively, of forfeitures were used to offset Company contributions.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may have no more than one loan outstanding at any one time. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing market rates.

Notes receivable from participants are reported at the amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The majority of the self-directed brokerage account assets are mutual funds, money market funds and common stocks. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trusts are valued at the NAV of units for each trust. The NAV, as provided by the trustee, are used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

At December 31, 2025, The Plan holds investments in the T. Rowe Price Retirement Blend Funds. At December 31, 2024, The Plan held investments in the American Century Retirement Date Trust-I Funds. These funds are common collective trusts. The investment objective of these funds is to seek the highest total return consistent with each fund's asset mix. These funds are designed for retirement plan participants who will reach the retirement age of 65 at or near the target year or who have a risk of tolerance consistent with each fund's asset allocation. As the target year approaches, each fund's asset mix will become more conservative by decreasing the allocation of stocks and increasing the allocation of bonds and cash.

The Plan holds investments in the Putnam Stable Value Fund, a common collective trust. A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued using the NAV practical expedient, an estimate of fair value. This NAV practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a non-standardized submitter adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by FMR, LLC. The Plan has not been submitted to the Internal Revenue Service (IRS) for an individual determination letter since March 31, 2014, due to the prototype receiving a favorable opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2025 and 2024
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2025

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

2025				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 255,598,599	\$ 255,598,599	\$ -	\$ -
Self-directed brokerage accounts	14,408,799	14,408,799	-	-
Total assets in the fair value hierarchy	270,007,398	<u>\$ 270,007,398</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value	<u>494,121,979</u>			
Investments at fair value	<u>\$ 764,129,377</u>			

2024				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 208,226,276	\$ 208,226,276	\$ -	\$ -
Self-directed brokerage accounts	12,763,894	12,763,894	-	-
Total assets in the fair value hierarchy	220,990,170	<u>\$ 220,990,170</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value	<u>443,226,529</u>			
Investments at fair value	<u>\$ 664,216,699</u>			

- (A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2025. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and self-directed accounts. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. Such securities are classified as Level 2 of the valuation hierarchy. There are no Level 2 securities held by the Plan. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. There are no Level 3 securities held by the Plan.

Note 5. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds of Fidelity. The Plan paid \$326,892 and \$291,987 of administrative and trustees fees to Fidelity during 2025 and 2024, respectively. The Plan paid investment advisory fees of \$231,225 and \$250,084 to Shepherd Financial Advisory and Strategic Advisors, Inc. during 2025 and 2024, respectively. The Plan paid other professional fees to various vendors of \$46,218 and \$41,538 during 2025 and 2024, respectively.

The Plan receives revenue credits from Fidelity based on certain investments held and terms of the agreement. This account can be used by the Company to pay Plan expenses or allocated to participant accounts. A total of \$158,440 and \$165,397 of credits were received during 2025 and 2024, respectively, and were used by the Company to offset Plan expenses.

The Company provides certain administrative services at no cost to the Plan.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. General Litigation

The Plan may be subject to claims and legal proceedings arising in the ordinary course of its operations. In the opinion of plan management, the ultimate resolution of such matters is not expected to have a material adverse effect on the Plan's net assets available for benefits. However, outcomes of such matters could differ from current estimates and may change materially in the near term.

Note 8. Subsequent Events

Subsequent events have been evaluated through August 27, 2026, which is the date the financial statements were available to be issued.
