Independent Auditors' Report**To the Plan Administrator of
Commure, INC. 401(K) PLAN****Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Commure, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2025 and December 31, 2024, the related Statement of Changes in Net Assets Available for Benefits for the Years then Ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to benefits provided under the plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance

with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the accompanying financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Commure, Inc. 401(K) Plan

Notes to Financial Statements

For the Years Ended December 31, 2025 and December 31, 2024

Note 1: Description of plan

The following description of the Commure, Inc. 401(k) Plan (referred as “The Plan”) provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan’s provisions:

General

The Plan effective January 01, 2019 is a defined contribution plan established for the benefit of the employees of Commure, Inc. (“the Company”). Employees are eligible to participate in the plan if they are employed by Commure, Inc. or any affiliate who has adopted the Plan.

Contributions

Elective Deferrals: Participants may elect to defer a percentage or dollar amount of their compensation on a pre-tax basis, Roth (after-tax) basis, or a combination of both. The combined total may not exceed the annual IRC §402(g) limit - \$23,500 for 2025 and \$23,000 for 2024. Participants who attain age 50 by year-end are eligible for catch-up contributions of up to \$7,500 for both years.

Automatic Enrollment: The Plan includes an Eligible Automatic Contribution Arrangement (EACA). Participants who do not make an affirmative deferral election are automatically enrolled at a uniform default percentage of compensation. Participants receive advance notice and may opt out or change their deferral at any time. Automatic deferrals may be withdrawn within 90 days of the first automatic contribution, subject to plan procedures.

Annual Additions Limit: Total annual additions from all sources may not exceed the lesser of \$70,000 (2025) / \$69,000 (2024) or 100% of compensation, as provided under IRC §415.

Rollover Contributions: Rollovers from other qualified retirement plans are permitted with administrator approval. Rollover accounts are fully vested at all times.

Employer Matching Contributions

The Company may, in its sole discretion, make a matching contribution on employee’s behalf if they make a “Matched Employee Contribution”. A “Matched Employee Contribution is any Elective Deferral Contribution or Catch-up Contribution that an employee may make during the Plan Year. If an employee make a “Matched Employee Contribution”, the Company may contribute to your Employer Matching Contribution Account in an amount and allocation formula as determined by the Company in its sole discretion.

Employer Matching Contribution Account

Matching Employer contributions paid on the participants’ behalf are fully vested. However, if the company must make a matching contribution to employees’ account in order to satisfy certain non-discrimination tests required by the Internal Revenue Code, employees’ will be 100% vested in those matching contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of Company contributions, if any and Plan earnings and losses. Allocations are based on participant earning or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Commure, Inc. 401(K) Plan

Notes to Financial Statements

For the Years Ended December 31, 2025 and December 31, 2024

Vesting

Participants are always fully (100%) vested with respect to their contributions and related earnings thereon. Participants are immediately vested in their Elective Deferral Account and Rollover Contribution Account.

Non-Elective Contributions

Employees are fully (100%) vested immediately in all profit-sharing and non-elective contributions made by Commure Inc., with no vesting period or forfeiture conditions attached to such contributions.

Notes Receivable from Participants

The Plan permits participants to obtain loans from their vested account balances, subject to the provisions of the Plan document. Loans are made available to all eligible participants on a reasonably equivalent basis, bear a reasonable rate of interest, and are required to be repaid through periodic payments over a reasonable period of time. Loans are secured by the participant's vested account balance and are subject to approval by the Plan Administrator.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

As of December 31, 2025, and December 31, 2024, notes receivable from participants amounted to \$181,302 and \$69,966, respectively.

Payment of benefits

On retirement, disability, or other termination of service, a participant may elect to receive a lump-sum distribution in the participant's vested account.

Forfeited Accounts

As of December 31, 2025 and December 31, 2024, there were no forfeited non-vested account balances held in the Plan.

Note 2 - Summary of significant accounting policies**Basis of Accounting**

The preparation of financial statements is in conformity with generally accepted accounting principles and on accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investment is reported at fair market value except for the fully benefit responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing the information provided by the investment advisor and trustee.

Investment transactions are recorded on trade-date basis. Interest Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025.

Payment of benefits

Benefits are recorded when paid.

Corrective Distributions

Amounts payable to participants for contribution in excess of amounts allowed by the IRS are recorded as liability.

Plan expenses

Certain expenses for maintaining the Plan are paid by the Plan and are reflected in the accompanying financial statements. Expenses paid directly by the Company are excluded from the financial statements.

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in United States of America which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets during the reported period. Actual results could differ from these estimates.

Note 3 - Information Certified by the Plan Trustee

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution. Accordingly, management did not perform auditing procedures with respect to such information.

Note 4 - Fair Value Measurements

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Commure, Inc. 401(K) Plan

Notes to Financial Statements

For the Years Ended December 31, 2025 and December 31, 2024

- Level 2 – Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which significant value drivers are observable.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

- Mutual Fund - The fair values of mutual fund and money market fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025, and December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Fair Value Measurements Using:

	Fair Value as of December 31, 2025	Quoted prices in Active Markets for Identical Assets (Level 1)	Significant other observable inputs (Level 2)	Significant other unobservable inputs (Level 3)
Investments	\$ 28,570,736	\$ 28,570,736	\$ -	\$ -
Investment Measured at net asset value (a)	621,182			
Total	\$ 29,191,918	\$ 28,570,736	\$ -	\$ -

Commure, Inc. 401(K) Plan**Notes to Financial Statements****For the Years Ended December 31, 2025 and December 31, 2024****Fair Value Measurements Using:**

	Fair Value as of December 31, 2024	Quoted prices in Active Markets for Identical Assets (Level 1)	Significant other observable inputs (Level 2)	Significant other unobservable inputs (Level 3)
Investments	\$ 17,877,332	\$ 17,877,332	\$ -	\$ -
Investment Measured at net asset value (a)	330,980			
Total	\$ 18,208,312	\$ 17,877,332	\$ -	\$ -

The Organization applies the provisions of FASB ASC 820, Fair Value Measurements and Disclosures, for fair value measures of investments that are recognized and disclosed at fair value in the financial statements on a recurring basis. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Note 5 - Income Tax Status

The Internal Revenue Service has ruled that the plan qualifies under section 401(a) of the Internal Revenue Code (IRC) and is, therefore not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Accounting principles generally accepted in United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdiction, however there are currently no audits for any tax periods in progress.

Note 6 - Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025, and December 31, 2024, to Schedule H of Form 5500:

Particulars	As of December 31, 2025	As of December 31, 2024
Net assets available for benefits per Schedule H	\$ 29,373,221	\$ 18,278,278
Add: Participants deferred contribution	-	-
Net assets available for benefits per the financial statements	\$ 29,373,221	\$ 18,278,278

Note 7 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits.

Note 8 - Related Party Transactions

During 2025, the plan's investments were managed by Fidelity Management Trust Company, the trustee of the Plan. Accordingly, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rule under ERISA.

Note 9 – Plan Merger

Effective September 29, 2023, the Company approved the termination of the Commure, Inc. 401(k) Plan (the "Plan") in connection with its merger into the Commure, Inc. 401(k) Plan (the "Successor Plan"), in accordance with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Pursuant to the merger agreement and consistent with ERISA Section 208, all assets and liabilities of the Plan were transferred to the trust of the Successor Plan at their respective fair values as of the merger date, October 1, 2024.

As a result of the merger:

- Participant balances were transferred to the Successor Plan based on individual account balances and existing investment elections;
- All rights, benefits, and obligations of participants were assumed by the Successor Plan; and
- The Plan ceased to exist as a separate plan following completion of the merger.

The transfer of net assets was substantially completed during the plan year ended December 31, 2024.

The transfer of assets was based on information certified by the respective trustees or custodians, in accordance with the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA (29 CFR 2520.103-5).

Note 10 - Subsequent events

The date to which events occurring after December 31, 2025, have been evaluated for possible adjustments to the financial statements or disclosures is August 27, 2026, which is the date on which financial statements were available to be issued.
