Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
Hampden-Sydney College Retiree Healthcare Plan
Hampden Sydney, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Hampden-Sydney College Retiree Healthcare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Hampden-Sydney College Retiree Healthcare Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hampden-Sydney College Retiree Healthcare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hampden-Sydney College Retiree Healthcare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hampden-Sydney College Retiree Healthcare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hampden-Sydney College Retiree Healthcare Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hampden-Sydney College
Retiree Healthcare Plan

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the Hampden-Sydney College Retiree Healthcare Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Hampden-Sydney College (the "College") established the Plan and trust effective April 1, 2006. The Plan is a defined contribution plan sponsored by the College covering all eligible employees, as defined in the Plan agreement. Employees hired on a seasonal basis, employees not regularly scheduled to perform at least 20 hours of service per week and faculty teaching less than half time in an academic year are excluded from participation in the Plan. The Plan reimburses participants for the cost of eligible medical expenses, as set forth in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2024, the Plan changed its name from Emeriti Retiree Health Plan for Hampden-Sydney College to Hampden Sydney College Retiree Healthcare Plan. Additionally, the Plan was restated to remove the minimum age requirement and exclude independent contractors, leased employees, temporary employees, and project contractors.

Contributions

Eligible employees may voluntarily contribute a portion of their after-tax annual compensation, as defined by the Plan. The College begins making employer contributions to the Plan on behalf of each eligible employee as soon as administratively feasible after the employee attains age 40. The College's contribution is based on an annual flat dollar amount for each eligible participant, adjusted annually at the discretion of Plan management. The College will cease making employer contributions to a participant's account as of the date the College has made contributions for 30 years, the employee ceases to be employed by the College, or if the participant dies.

Effective October 1, 2024, the Plan was restated, which included setting the College's contribution to $540 annually per participant, paid in equal monthly installments. Future contributions are subject to budgetary considerations.

Contributions were held in two separate Voluntary Employees' Beneficiary Association (VEBA) trusts, which is a special type of trust where the earnings on contributions are not taxed. After the Plan restatement date, October 1, 2024, all amounts were consolidated into one VEBA trust.

Participant Accounts

Each participant's account is credited with the employer contribution, any voluntary employee contributions, and allocations of plan earnings (losses), is charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement Eligibility and Benefit Payments

A participant who is employed by the College meets the requirements for retirement eligibility under the Plan upon attaining age 55 having performed at least five years of continuous service, or age 65 with five years of continuous service for employees hired at an advanced age.

Effective October 1, 2024, the Plan was restated to require a member have completed five years of service and no longer be an employee in any capacity to be eligible for benefits.

Upon meeting the requirements for retirement eligibility under the Plan, participants are reimbursed for allowable medical expenses, including premiums for health insurance coverage, for themselves, spouses, domestic partners, and those individuals appropriately designated as dependents.

In addition, participants who cease employment with the College are eligible for reimbursement benefits from their vested account balance.

Vesting and Forfeitures

Participants are immediately 100% vested in their after-tax contributions and earnings thereon. A participant who has met the requirements for retirement eligibility or has completed at least five years of continuous service will not forfeit his or her accumulated employer account balance upon termination of employment. Employer and employee contributions and earnings are preserved and available for reimbursement of future medical expenses.

The residual balance (if any) remaining after a participant and any eligible dependents are deceased, is forfeited to the Plan. Forfeited employer contributions are used to reduce the College's future contributions to the Plan. Forfeited employee contributions are allocated among participants with a positive balance in their employee contribution account. During the year, $375 of forfeitures were used to offset employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts were $10,571 and $4,085, respectively.

Effective October 1, 2024, forfeitures may also be used to pay the Plan's expenses or be reallocated to participants.

Plan Administration

TIAA FSB, the Plan's Trustee, has authority to execute investment transactions pursuant to participants' elections. Teachers Insurance and Annuity Association of America ("TIAA"), the recordkeeper, provides administrative services to the Plan and maintains Plan-related records.

Emeriti Retirement Health Solutions ("Emeriti") and CBIZ, Inc ("CBIZ") provided administrative services through September 2024 at which time TIAA and Optum Financial Inc. ("Optum") assumed these services.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the College. Expenses that are paid by the College are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated through August 31, 2026, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's mutual funds are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its

investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Mutual funds	$ 3,151,984	$ 3,151,984
Total	**$ 3,151,984**	**$ 3,151,984**
December 31, 2024		
Mutual funds	$ 2,841,123	$ 2,841,123
Total	**$ 2,841,123**	**$ 2,841,123**

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Note 4 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by employees of the College. These employees may also be Plan participants. No such employee receives compensation from the Plan.

The Plan invests in certain shares of registered investment companies managed by an entity related to TIAA, and therefore transactions involving these investments qualify as party-in-interest transactions. TIAA provides certain administrative services for the Plan, therefore transactions involving TIAA qualify as party-in-interest transactions. Fees paid to parties-in-interest were $21,418 for the year ending December 31, 2025.

Note 5 – Plan Termination

Although it has expressed no intention to do so, the College reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

Note 6 – Tax Status

The Internal Revenue Service (IRS) has determined and informed the College by letters dated May 6, 2008 that the trust established under the Plan are tax exempt under 501(c)(9) of the *Internal Revenue Code (IRC)*. The Plan Administrator and College believe that the Plan is designated and is currently being operated in compliance with the applicable requirements of the *IRC*.

GAAP require the Plan Administrator to evaluate tax positions taken by the plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 7 – Certified Financial Information

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA has certified to the completeness and accuracy of the following information:

- Investment assets
- Investment transactions
- Investment income
