The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of the year ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters

As described in Note 2, these financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 1 – Plan Description

The following description of the Kent Moore Cabinets, Ltd., 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Kent Moore Cabinets, Ltd. (the Plan Sponsor) who satisfy the Plan's age and service requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee oversees governance of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute up to 60% of their pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a self-directed brokerage account, and a managed income portfolio (common/collective trust) as investment options for participants. The Plan Sponsor matches employee contributions up to 25% of the first 4% on eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account. The Plan utilizes an auto-enrollment and auto-escalate policy. Upon completion of the eligibility requirements, employees are automatically enrolled at a 3% contribution rate. In addition, existing participants have their contribution rate increased 1% every July, effective during the first pay period in August, up to a maximum of 15%. If desired, participants can instruct otherwise or decline each of these policies.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of participants' accounts plus earnings thereon is based on years of continuous service. Vesting begins at 20% after year two and increases by 20% each year until being fully vested after six years of service.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 1 – Plan Description (continued)

Participant Loans

Participants may borrow from their fund accounts subject to limitations defined in the Plan. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined at the time of application considering the purpose of the loan and prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeited nonvested accounts may be used to pay eligible Plan administrative expenses or to fund employer contributions in accordance with the Plan document. During the year ended December 31, 2025, forfeitures totaling \$5,083 were used to pay Plan administrative fees and the remaining undistributed forfeiture balance as of December 31, 2025 was \$44,697.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. This basis differs from generally accepted accounting principles in that contributions are recognized when received by the Plan trustee and excess contributions and benefit payments are recognized upon distribution by the Plan trustee.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at unpaid principal balances. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and self-directed brokerage account are stated at fair value, based on quoted prices in active markets. The valuation of common/collective trust funds is discussed in Note 7. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on a cash basis, with the exception of amounts earned associated with the common collective trust funds, which are accrued as earned.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 4 – Tax Status

The Plan is a non-standard prototype plan which has received an opinion letter dated June 30, 2020 from the Internal Revenue Service stating the Plan qualifies under Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt. The Plan is not a taxpaying entity for income tax purposes and, accordingly, no provision has been made for income taxes. The Plan's management believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 6 – Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee).

Note 7 – Fair Value Measurements

FASB ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted market prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. For those assets measured at net asset value, there are no significant restrictions on the Plan's ability to sell the investments at December 31, 2025.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The Plan's investments are valued using Level 1 inputs. These are as follows:

- Mutual funds – based on a quoted market price available on an active market.
- Common/collective trusts (CCTs) – are invested in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the CCTs and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value (NAV) of the CCTs, which are not publicly quoted but are available to current investors via the Fidelity website or when plan participants access their account values. The NAV is the basis for current transactions, and CCTs can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude CCTs have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 7 – Fair Value Measurements (continued)

- Self-directed brokerage account – Funds are invested in a variety of separate accounts and mutual funds. The majority of the underlying securities have observable level 1 quoted pricing inputs. The fair value of mutual funds is publicly quoted pricing inputs. For securities that do not have a publicly quoted pricing input, the NAV is available to current investors via the Fidelity website or when plan participants access their account values. The NAV is the basis for current transactions, and the self-directed investments can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude that the self-directed investments have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

The following table sets forth, by level within the hierarchy, the Plan's investments at fair value:

December 31, 2025	Level 1	Total
Mutual funds	\$ 32,778,018	\$ 32,778,018
Common/collective trusts	1,610,327	1,610,327
Self-directed brokerage account	1,773,071	1,773,071
Total assets at fair value	<u>\$ 36,161,416</u>	<u>\$ 36,161,416</u>

December 31, 2024	Level 1	Total
Mutual funds	\$ 28,355,639	\$ 28,355,639
Common/collective trusts	1,914,502	1,914,502
Self-directed brokerage account	938,669	938,669
Total assets at fair value	<u>\$ 31,208,810</u>	<u>\$ 31,208,810</u>

Note 8 – Party-in-Interest Transactions and Administrative Expenses

The Plan's investments include various mutual funds, common/collective trusts, and a self-directed brokerage account that are held and managed by Fidelity Management Trust Company. The Plan pays fees to Fidelity Investments Institutional as the recordkeeper and Morgan Stanley Global Banking for investment advisory services. The fees are included in administrative expenses in the accompanying statement of changes in net assets available for benefits – modified cash basis. Additionally, the Plan Sponsor pays for certain administrative expenses on behalf of the Plan, including fees to Thompson, Derrig & Craig, PC as the Plan auditor. Such expenses are not included in the financial statements.

See independent auditor's report.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 9 – Excess Contributions

The accompanying financial statements include \$53,716 of excess contributions that were contributed during the year ended December 31, 2024 and were refunded during 2025.

Note 10 – Plan Amendments

In October 2025, the Plan adopted an amendment to change the contribution period for calculating employer matching contributions. Employer matching contributions are now calculated each Plan year and an annual true-up reconciliation is performed to fully fund participant accounts in accordance with the provisions of the Plan.

Note 11 – Subsequent Events

In July 2026, the Plan adopted an amendment to reflect the statutory changes under the Bipartisan American Miners Act of 2019, the SECURE 1.0 Act, and the SECURE 2.0 Act. The amendment addresses plan provisions as statutorily required, such as part-time employee treatment, Roth catch-up contribution provisions, Roth employer contribution elections, and student debt matching contribution provisions, to the extent elected or applicable under the executed amendment. The Plan Sponsor has evaluated the amendment and determined that it did not have a significant effect on the Plan's net assets available for benefits.

The Plan's management has evaluated subsequent events through August 19, 2026, which is the date the financial statements were available to be issued.
