We have performed audits of the accompanying financial statements of Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Opinion (continued)

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hato Rey Pathology Associates, Inc. 1165(e) Savings Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters –Supplemental Schedule Required by ERISA

The supplemental schedule of assets as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than the information agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HATO REY PATHOLOGY ASSOCIATES, INC.
1165(e) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the Hato Rey Pathology Associates, Inc. (the Company) 1165(e) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, commonly known as an 1165(e) Plan, covering all employees of the Company who have completed one year of service, completed 1,000 hours of service, and are age 21 or older. The entry dates for eligible employees are the 1st, 4th, 7th, or 10th month of the Plan year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrative Committee.

Plan administration

Empower Retirement, Inc. provides recordkeeping to the Plan. Oriental Bank serves as the Plan's trustee (the "Trustee"), responsible for the custody and management of the Plan's assets.

Contributions

Once the participants become eligible, they can make elective deferrals from 0% up to 10% of their compensation. However, elective deferrals for any calendar year made shall not exceed the annual permissible dollar limit in effect for the year, reduced by contributions to a Puerto Rico IRA. Additional "catch-up" elective deferral contributions can be made beginning in the calendar year in which the participant attains at least 50 years of age by the end of such calendar year. Participants direct the investment of their contributions into various investments options offered by the Plan. The Plan currently offers seventeen investment options for participants. The Company's contributions are allocated to each employee based on a 100% matching contribution for each Participant's pre-tax contribution up to 50% of the first three percent (3%) contributed from his salary by the participant with years of service less than eleven years and 75% of the first three percent (3%) contributed from his salary by the participant with years of service equal or greater than 11 years, up to a maximum of three percent (3%) of the Participant's salary. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors and invested in a portfolio of investments as directed by the Company. Contributions are subject to certain limitations.

1. DESCRIPTION OF PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan's earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service, as follows:

<u>Years of service</u>	<u>Vested interest</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Withdrawals and payment of benefits

On termination of service due to death, disability or retirement, a participant will receive a lumpsum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or transfer the vested interest to another qualified plan that agrees to receive the distribution or to an individual retirement account.

Forfeited accounts

Under the provisions of the Plan, unvested Plan Sponsors' contributions are subject to forfeitures at the time the participant has separation of employment. Unallocated forfeitures and related earnings, if any, can reduce future Plan Sponsors' contributions or pay administrative expenses. At December 31, 2025 and 2024, forfeited non-vested accounts held totaled \$8,782 and \$6,411, respectively. During the year ended December 31, 2025, no forfeitures were used to offset Plan Sponsor contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Investments held by a defined contribution plan are required to be reported at fair value.

Administrative expenses

Administrator fees are paid by the Plan and charged directly to each participant's account. The Sponsor directly pays other administrative costs of the Plan.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of the mutual funds' accounts are valued at quoted market prices which represent the net assets value of shares held by the Plan at year-end. Both realized and unrealized appreciation and depreciation are reflected for the year in the statement of changes in net assets available for benefits. Gains or losses on security transactions are recorded as the difference between proceeds received and the carrying value of the investments. Interest income is recognized on the accrual method, and dividend income is recorded on the ex-dividend date. See note 4 for discussion of fair value measurements.

Payment of benefits

Benefits are recorded when paid.

Investment related expenses

Investment-related expenses are included in net appreciation in fair value of investments.

3. INVESTMENTS

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Trustee.

	<u>2025</u>	<u>2024</u>
Investments, at fair value	<u>\$3,520,154</u>	<u>\$2,945,427</u>
Value of funds held in insurance companies	<u>\$ 8,782</u>	<u>\$ 6,411</u>

Gains and losses (realized and unrealized) included in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in the net appreciation (depreciation) in fair value of investments.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2025 AND 2024

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Fair Value Measurements

The fair value of annuities is based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly.

Collective Trust Funds

Collective Trust Funds are valued at the Net Asset Value ("NAV") based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trusts is based on information reported by the investment advisor using the audited financial statements of the collective trusts. The investment income is allocated to participants based on their proportionate share of the net assets of the fund.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at the End of the Reporting Period Using:		
	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Investment measured at NAV practical expedient

1165(e) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2025 AND 2024

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan invests in a fixed annuity contract offered through the Key Guaranteed Portfolio Fund. Under the terms of the contract, participant transactions are generally executed at contract value. However, based on information provided by the trustee and the recordkeeper, the contract may not meet the definition of a fully benefit-responsive investment contract at the Plan level as defined by SOP 94-4-1. As they reported, the fair value of the investment contract, prior to contract termination, equals the contract value at December 31, 2025 and 2024.

The fixed annuity contract is classified within Level 2 of the fair value hierarchy. Fair value was determined by using a discounted cash flow valuation methodology where the interest rate for this portfolio investment contract is reset at least as frequently as annually. The fair value of the investment is based on information provided by the trustee and the contract issuer.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2, and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan utilizes a third-party administrator. Administrator fees are paid by the Plan, and other administrative fees are paid by the Sponsor during the year. The Plan's investments are held by a trust which is the custodian as defined by the Plan; therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for the investment management services amounted to \$50,817 and \$40,814 for the years ended December 31, 2025 and 2024, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2025 AND 2024

7. TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico (PRDT) has determined and informed the Company on a letter dated July 9, 2009, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code (PRIRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRIRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the PRDT. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

8. CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as significant world events, interest rate, market, credit risks, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances, and the amounts reported in the statements of net assets available for benefits.

9. INFORMATION CERTIFIED BY THE TRUSTEE
