INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc. and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc.'s ability to continue as a going concern for one year after the date the 2023 financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2023 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2023 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the 2023 financial statements, but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc.. In accordance with ERISA Section 103(a)(3)(C) pursuant to CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 3, 2025 indicated that: (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN FOR EMPLOYEES OF COMMUNITY CARE CENTERS, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 – Description of the Plan

General

The Plan is single employer, participant-directed, defined contribution 401(k) plan established on October 1, 2000 by Community Care Centers, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including thereto, for a complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is Community Care Centers, Inc. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, and monitors investment performance and fees and reports to the Plan's Trustee. The Plan's Custodian and Trustee is Mutual of America Life Insurance Company. The Custodian holds all of the Plan's assets and execute all of the Plan's transactions. The Plan Administrator has retained Mutual of America Life Insurance Company to provide participant recordkeeping and administration services.

Eligibility

The Plan covers all employees of the Company, plus employees of the affiliated companies of Community Care Centers, Inc. The Plan excludes nonresident aliens with no U.S. source income, union employees and leased employees. All eligible employees must be 21 years of age and may begin participating in the Plan upon completing one year of service in which they have 1,000 or more hours of service. An employee begins participating on the first day of the month coinciding with or immediately following the date they meet all requirements.

Contributions to the Plan

Each year, participants may contribute up to 90% of their pre-tax annual compensation, as defined in the plan document, through payroll withholdings. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the year are eligible to make additional 'catch-up' contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

The Company contributes matching contributions equal to 50% of participant contributions that do not exceed 2% of participants' compensation received during the plan year.

Participants direct the investment of both their individual contributions and their share of employer contributions into various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

401(K) PROFIT SHARING PLAN FOR EMPLOYEES OF COMMUNITY CARE CENTERS, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distribution of Benefits

On termination of service, participants with vested account balances less than \$5,000 are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent. Participants whose vested account balances exceed \$5,000 may elect to receive a lump sum distribution, installment payments, partial withdrawals, or rollover their account balance to another qualified account. Those participants whose account balances exceed \$5,000 may also elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability, and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of age 59 1/2 for all deferral contributions, discretionary employer matching contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document, from vested account balances.

Vesting

Participants are immediately vested in their contributions (deferrals and rollovers) and earnings thereon. Vesting in company contributions is granted based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	60%
4	80%
5	100%

Participants also become 100% vested upon death, disability, or attainment of normal retirement age.

Forfeitures

Forfeitures can be used to offset plan administration expenses and reduce employer contributions. Unallocated forfeiture balances as of December 31, 2023 and 2022 were \$112 and \$111, respectively. There were no forfeitures used to reduce employer contributions or offset plan administrative expenses during the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's accounts and are included in administration expenses. Investment related expenses are included in the net appreciation or depreciation in fair value of investments.

Reclassifications

Certain reclassifications were made to prior year's financial statements to confirm with current year's presentation.

401(K) PROFIT SHARING PLAN FOR EMPLOYEES OF COMMUNITY CARE CENTERS, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including June 16, 2026, which is the date the financial statements were available to be issued.

In 2025, the Plan was amended and restated in its entirety in conjunction with a transfer of plan assets to a new Custodian. Plan assets transferred to the new Custodian were transferred into funds comparable to those offered by the previous Custodian. The conversion initiated a blackout period. During the blackout period, funds could not be applied to the participant-selected funds with the Custodian or withdrawn from the Plan until the Custodian could accurately complete the conversion. In addition, during this period, participant contributions continued to be made through payroll deductions, and the contributions will be deposited and held in an income-bearing fund until the completion of the blackout period. At the end of the blackout period, such funds were transferred to the investment options requested by each participant. In conjunction with the restatement, the Plan's name was changed from the 401(k) Profit Sharing Plan for Employees of Community Care Centers, Inc. to the GC Asset Management LLC 401(k) Plan.

Note 3 – Unaudited Investment Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Mutual of America Life Insurance Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022;
2. All investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023; and
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

401(K) PROFIT SHARING PLAN FOR EMPLOYEES OF COMMUNITY CARE CENTERS, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

General Account

The value of the Interest Accumulation Account included in the General Account is determined by cash deposits and resulting interest earnings less expenses, which approximates fair value. The Interest Accumulation Account is credited with a current rate of interest as determined by Mutual of America Life Insurance Company at least once per month.

Pooled Separate Accounts

The Pooled Separate Accounts, measured at net asset value as a practical expedient, are valued equal to the Plan's proportionate share of the sum of the market value of all of the fund's underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	As of December 31, 2023			
	Total	Level 1	Level 2	Level 3
General account	\$ 362,122	\$ -	\$ 362,122	\$ -
Total assets in the fair value hierarchy	362,122	\$ -	\$ 362,122	\$ -

(a) The Pooled Separate Accounts were measured using NAV as a practical expedient. These investments have not been classified in the fair value hierarchy table. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth the fair value of investments using net asset valuation as a calculation of measurement as of December 31, 2024 and 2023:

Note 5 – Party-in-Interest Transactions

Certain plan investments are managed by Mutual of America Life Insurance Company who acts as the Plan's Investment Custodian. During the year ended December 31, 2023, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 7 – Plan Document and Tax Status

The Plan is utilizing a pre-approved non-standardized 401(k) plan, which has been filed with the IRS and has received a favorable opinion letter dated November 30, 2020, from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2024. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 401(a).

The U.S. Department of Labor (ESBA) is currently examining the Plan for the period January 1, 2019 through December 31, 2024. The Plan Sponsor has engaged ERISA counsel to assist with the review and to address any issues that may arise, including the correction of delinquent participant contributions which may be identified. As of the date these financial statements were available to be issued, the examination was still ongoing.

The incomplete filing of the Plan's Form 5500 for the year ended December 31, 2023, and various previous plan years, along with any findings from the Plan's ongoing ESBA examination may or may not impact the Plan's qualified tax-exempt status.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023. Written amendments to the plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Prohibited Transactions

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions to the Plan from its general assets as soon as practicable.

During the year ended December 31, 2023, participant contributions of \$33,022 were not remitted to the Plan timely. During 2026, in conjunction with the U.S. Department of Labor examination described in Note 7, the Plan Sponsor remitted corrective contributions to compensate the Plan's affected participants for lost investment earnings relating to this prohibited transaction during the year ended December 31, 2023.
