INDEPENDENT AUDITOR'S REPORT

August 31, 2026

To the Benefits Committee of the
Columbus McKinnon Corporation Thrift 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Columbus McKinnon Corporation Thrift 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Columbus McKinnon Corporation Thrift 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Columbus McKinnon Corporation Thrift 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Columbus McKinnon Corporation Thrift 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Columbus McKinnon Corporation Thrift 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Columbus McKinnon Corporation Thrift 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End Of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. COLUMBUS MCKINNON CORPORATION THRIFT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the Columbus McKinnon Corporation Thrift 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. A summary of the Plan's provisions is as follows.

General

The Plan is a defined contribution plan covering all United States domestic non-union and union employees of Columbus McKinnon Corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Certain union employees covered by a collective bargaining agreement with the Company are eligible to participate after 90 days of eligible service, with a plan participation date the first day of each month upon meeting the service requirement. Other union employees not previously defined and non-union employees were eligible to participate after 180 days of eligible service, as defined by the Plan, with immediate participation upon meeting the service requirement. Effective April 1, 2025, the service requirement for these employees was amended from 180 days to 90 days.

Contributions

Generally, newly eligible employees are automatically enrolled and deemed to make salary reduction contributions of 2% of eligible compensation, which will remain in effect from year to year until an affirmative elective is otherwise made. Certain employees covered by a collective bargaining agreement are exempt from the automatic enrollment feature of the Plan.

Participants in the Plan may elect that their base pay be reduced by a specified full percentage of at least 1% and not more than 100%, subject to certain Internal Revenue Code limitations. Effective December 11, 2023, the Plan was amended to allow participants to make after-tax basis Roth contributions. Employee contributions include rollover contributions from a participant's previous plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified pension plans. Participants are immediately vested in their contributions plus actual earnings thereon.

Prior to January 1, 2018, the Plan provided discretionary Company contributions that varied based on whether or not the participant was eligible to accrue benefits under a defined benefit plan sponsored by the Company. Effective January 1, 2018, participants who were employees of the Company on January 1, 2018 were fully vested in these contributions. Employees who were no longer employed by the Company on January 1, 2018 are still subject to the associated vesting schedule. These contributions are not subject to withdrawal restrictions.

The Company also makes a non-elective contribution equal to 2% of eligible Plan compensation, as defined, to all eligible participants. Non-elective contributions made prior to January 1, 2018 are subject to vesting of 20% after one year and 100% after two years of service, as defined in the Plan document. All non-elective contributions subsequent to January 1, 2018 are fully vested.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

The Company has a safe harbor arrangement which generally includes matching contributions of 100% up to, and not exceeding, the first 4% of eligible employee compensation. These contributions are immediately fully vested and are subject to withdrawal restrictions as defined in the Plan document. The Company matching contributions vary by union division in accordance with the associated collective bargaining agreement. In general, they consist of a fixed dollar amount or a percentage of base pay as defined in the Plan document.

Participants may elect to have their employee and employer contributions invested in various investment options offered by the Plan. Participants may change their investment allocation on a daily basis.

During the years ended December 31, 2025 and 2024, the Plan received \$2,101,069 and \$5,000,000, respectively, from the terminated Columbus McKinnon Monthly Retirement Plan, which was a defined benefit plan sponsored by the Company. The assets associated with the termination of the Columbus McKinnon Monthly Retirement Plan are to be held in a suspense account and allocated to eligible participants by way of an offset to the Company's contributions into the Plan. As such, since the balances were deposited into the Plan as unallocated, they have been included within employer contributions on the statements of changes in net assets for the years ended December 31, 2025 and 2024, consistent with form 5500 reporting.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings/(losses) and charged with an allocation of the administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

At December 31, 2025, and 2024, forfeited nonvested accounts totaled \$653 and \$2,434, respectively. These accounts will be used to reduce future employer contributions. During 2025 and 2024, accumulated forfeitures of \$127,303 and \$136,886, respectively, were used to reduce Company contributions.

Notes Receivable from Participants

Participants may borrow from their accounts in accordance with the rules as prescribed in the Plan document. Loans are limited to the lesser of one-half of the value of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. A participant may have only one loan outstanding at a time.

Payment of Benefits

Participants may normally elect to withdraw their funds from the Plan upon termination of service, death, disability, attaining age 59½, or earlier in the event of financial hardship. Benefits are recorded when paid.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

Benefit Payments

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on assets bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Expenses associated with the administration of the Plan are paid by both the Company and the Plan.

3. PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2025 and 2024, Fidelity Management Trust Company was the Trustee of the Plan, therefore any transactions between the Plan and Fidelity Management Trust Company, qualify as party-in-interest.

Notes receivable from participants of \$1,937,023 and \$2,080,010 as of December 31, 2025 and 2024, respectively, also qualify as party-in-interest transactions.

4. FINANCIAL CERTIFICATION

The following financial information relating to the Plan's assets at December 31, 2025 and December 31, 2024 has been derived from information provided by Fidelity Management Trust Company, the Trustee of the Plan, and has been certified by them as complete and accurate. The incorporation of this financial information in the financial statements is based solely on their certification and has not been audited by independent accountants.

5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan have the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

5. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Quoted prices in principal active markets for identical assets as of the valuation date.

Common Collective Trusts: Valued at the net asset value (NAV) of units of the collective trusts, using independent pricing services approved by the Trustee. The net asset value is based on the fair value of the underlying investments held by the funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no unfunded commitments or redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the methodologies used at December 31, 2025 and 2024.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Assets at Fair Value as of December 31, 2025				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Mutual funds	\$ 79,446,616	\$ -	\$ -	\$ 79,446,616
Common collective trusts, at net asset value (a)				<u>179,498,057</u>
Total investments				<u>\$ 258,944,673</u>

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Assets at Fair Value as of December 31, 2024				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Mutual funds	\$ 77,659,972	\$ -	\$ -	\$ 77,659,972
Common collective trust, at net asset value (a)				<u>157,996,291</u>
Total investments				<u>\$ 235,656,263</u>

^(a) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 12, 2024 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, however, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 31, 2026, which is the date the financial statements were available to be issued.

In March 2026, the Plan was amended in connection with the sale of an affiliated participating employer in the Plan. The amendment provided for the transfer of account balances of those related participants to the buyer's qualified retirement plan upon closing of the sale transaction.
