INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
03 USA 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 03 USA 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ABC Company Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from ADP Retirement Trust Services, LLC as of December 31, 2025 and for the period from January 1, 2025 to December 31, 2025, and Reliance Trust Company as of December 31, 2024 and for the period from January 1, 2024 to December 31, 2024 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 03 USA 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 03 USA 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 03 USA 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 03 USA 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE A – DESCRIPTION OF PLAN

03 USA, Inc established the 03 USA 401(k) Plan (the "Plan") effective September 1, 2012. The Plan is sponsored by Innova Softgel, LLC and Ocean Blue, LLC, a group of employers under common control. The following description of the 03 USA 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document and Summary Plan Description (SPD) for a more detailed description of the plan provisions. The Plan is subject to the *Employee Retirement Income Security Act of 1974 (ERISA)*.

General

The Plan is a defined contribution Plan covering all eligible employees of Innova Softgel, LLC, a wholly owned subsidiary of 03 USA, Inc. and Ocean Blue, LLC, a majority owned subsidiary of 03 USA, Inc. (collectively, the "Company") who have completed two months of service. From time to time, the Plan has been amended and restated. The last amendment and restatement of the Plan was effective May 10, 2022. Amendments to the Plan include provisions as necessary to conform to various legislation and guidance under the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The SECURE 2.0 Act was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act, 2023. The Plan elected to implement certain provisions of the Act, which changed the Plan to, among others, to allow higher catch-up limit to apply at age 60, 61, 62, and 63 ("super catch up" provisions) effective January 1, 2025. Plans were permitted to adopt the provisions of the Act according to the applicable effective dates outlined in those Acts, provided the Plan document is retroactively amended on or before December 31, 2026.

Eligibility

To be eligible to make a salary deferral contribution or receive an employer contribution participants must have completed two months of service. Employees may enter the Plan on the first day of each month after meeting eligibility requirements.

Contributions

Through payroll deductions, participants may contribute on a tax-deferred basis or after-tax basis (Roth deferrals) up to 90% of their annual compensation. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. For each pay period that a participant makes contributions to the Plan, the Company makes a discretionary matching contribution. The Company contributes 100% of the first 4% of base compensation that a participant contributes to the Plan, calculated on a per-check basis. Contributions are subject to certain statutory limitations.

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE A – DESCRIPTION OF PLAN (continued)

Participants' Accounts

Each participant's account is credited with (i) the participant's contribution, (ii) the Company's contribution, and (iii) the participant's account earnings. Each participant's account is charged with (i) withdrawals and (ii) an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the participant's vested account balance.

Vesting

Participants are vested immediately in their contributions, rollover contributions, the Company's matching contributions and actual earnings thereon.

Forfeitures

The participant's matching contribution from the Plan Sponsor vest immediately. No forfeitures exist under this Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan refinancing is not allowed. The maximum number of loans outstanding available to any participant is two. The loans are collateralized by the participant's account and bear interest at rates determined by the plan administrator. For the years ended December 31, 2025 and 2024, the interest rate is 1.000% over the Prime Rate published in the Wall Street Journal on the 14th day of each month (or on the first business day preceding the 14th in the event the 14th is not a business day). Loans are generally repayable within five years. Principal and interest payments are made through payroll deductions. Loan fees may be charged against the Account of the Participant to whom the loan is granted, and the Plan Administrator may adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans.

Payment of Benefits

Distributions are payable upon retirement, age 59½, death, disability, or termination of service. A participant may elect to receive a lump-sum distribution equal to his or her vested account balance or partial withdrawals. Vested account balances less than \$7,000 are subject to payment in a lump sum upon termination as soon as administratively feasible. Terminated participants with balances under \$7,000, subject to immediate payment in a lump sum were approximately \$18,000 as of December 31, 2025.

Hardship Withdrawals

Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve of any such hardship withdrawals.

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisers, custodians, and insurance companies. See note E for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Reclassifications

Certain comparative amounts have been reclassified to conform with the current presentation with no effect on previously reported net increase in net assets available for benefits.

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and the net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to information certified as complete and accurate by the Plan's trustees. ADP Retirement Trust Services, LLC, a qualified institution (the trustee of the Plan as of December 31, 2025), certified the information as of and for the year ended December 31, 2025. Reliance Trust Company, a qualified institution (the trustee of the Plan as of December 31, 2024), certified the information as of and for the year ended December 31, 2024.

NOTE D – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain other parties. The Plan invests in common collective/collective trust funds managed by the Plan's trustees. These trustees are fiduciaries of the Plan and, therefore, investments in and transactions involving these funds qualify as party-in-interest transactions. ADP Retirement Trust Services, LLC, a division of Automatic Data Processing Inc., served as trustee as of and for the year ended December 31, 2025, and Reliance Trust Company served as trustee as of and for the year ended December 31, 2024. As of December 31, 2025 and 2024, the Plan's investments managed by the respective trustees totaled \$7,571,878 and \$5,835,697, respectively. Administrative expenses paid by the Plan to Automatic Data Processing Inc. (the recordkeeper) during the years ended December 31, 2025 and 2024, totaled \$11,529 and \$9,970, respectively.

Participants covered under the Plan are considered to be parties in interest. Participant loans in the amount of \$207,109 and \$185,433 at December 31, 2025 and 2024, respectively, are considered to be party-in-interest investments.

Certain employees of the Company perform administrative services for the Plan. These employees receive no compensation from the Plan for these services. The Company pays certain administrative fees of the Plan.

NOTE E – FAIR VALUE OF MARKET INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE E – FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market: Valued at cost plus interest earned, which approximates fair value.

Common Collective Trust Fund: Valued based on the NAV of units of the common/collective trust fund. The NAV, as provided by the trustee, has a readily determinable fair value as published by the issuer. Participant transactions occur on a daily basis.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<u>Assets at Fair Value at December 31, 2025</u>

NOTE E – FAIR VALUE MEASUREMENTS (continued)

** The fair values of the common collective trust funds reflected in the tables above have been determined using the NAV per share (or its equivalent) practical expedient and, as such, have not been categorized within the fair value hierarchy. The fair values presented in the tables are intended to permit reconciliation of the fair value hierarchy table to amounts presented in the Statements of Net Assets Available for Plan Benefits.*

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value at December 31, 2025</u>	<u>Fair Value at December 31, 2024</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Trust Fund	\$ 7,571,878	\$ 5,835,697	n/a	Daily	Withdrawals are generally permitted daily

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the value in investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE H – TAX STATUS

The Plan is a preapproved plan that received a favorable advisory letter from the Internal Revenue Service (IRS), which stated that the Plan, as then designed, complied with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt as of December 31, 2025 and 2024, respectively. The Plan has not individually sought its own determination letter.

03 USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE H – TAX STATUS (continued)

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax position taken by the plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain position taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. For federal purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 as of December 31, 2025 and 2024:

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to net income per the Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statements	\$ 1,794,523

NOTE J – SUBSEQUENT EVENTS

The management of the Plan has evaluated events subsequent to the statement of net assets available for benefits date of December 31, 2025, through August 19, 2026, the date the financial statements were available to be issued. It has concluded that there are no effects that provide additional evidence about conditions that existed at the statement of net assets available for benefits date that require recognition in the financial statements or related note disclosures in accordance with FASB ASC 855, *Subsequent Events*.

SUPPLEMENTARY INFORMATION
