INDEPENDENT AUDITOR'S REPORT

BAYHEALTH MEDICAL CENTER, INC.
SHORT-TERM DISABILITY PLAN
Dover, Delaware

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of Bayhealth Medical Center, Inc. Short-Term Disability Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2024 (modified cash), and the related statement of changes in net assets available for benefits for the year then ended (modified cash), and the related notes in the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bayhealth Medical Center, Inc. Short-Term Disability Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis and modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bayhealth Medical Center, Inc. Short-Term Disability Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

EMPHASIS OF MATTER - BASIS FOR ACCOUNTING

We draw your attention to Note B of the financial statements, which describes the basis of accounting. The governing body of Bayhealth Medical Center, Inc. Short-Term Disability Plan approved a plan of liquidation on December 31, 2025, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the modified cash basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to that matter.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bayhealth Medical Center, Inc. Short-Term Disability Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BAYHEALTH MEDICAL CENTER, INC. SHORT-TERM DISABILITY PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan's document for a more complete description of the Plan's provisions.

General - The Plan is a welfare benefit plan covering substantially all employees of Bayhealth Medical Center, Inc. ("Employer", "Plan Sponsor"). Full-time employees are eligible to participate in the Plan after completion of 90 or more days of active employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Matrix Trust Company (the "Trustee") is the trustee of the Plan during the plan years. Bayhealth controls and manages the Plan.

Benefits - The Plan provides short term disability benefits to employees determined to be eligible for benefits by the administrator of the Plan. Eligibility for benefits is based entirely on the criteria established in the Plan document and review of the medical records provided by the employee to the Plan's third-party administrator. Claims are paid to the eligible employees at the rate of 60% of their weekly earnings, up to an annual compensation rate of $160,000. Claims are paid by the Plan's Trustee.

Contributions - The Plan is funded by after-tax employee ("Participant") contributions, deposited into the trust established for the Plan. The Employer, in its sole and absolute discretion, shall determine the amount of any required Participant contributions under the Plan. The Employer may require different contribution levels for different classes of employees. The Employer may change the amount of required contributions at any time. The contributory rate for the majority of participants was $.70 for every $100 earned. This rate is $.75 for every $100 earned for members of the Bayhealth Emergency Physicians Group, during 2025 and 2024.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Bayhealth Medical Center, Inc. Short-Term Disability Plan (the "Plan").

***Basis Of Accountin*g** - The accompanying financial statements are prepared on the liquidation basis of accounting in 2025 and the modified cash basis in 2024.

Investment Valuation And Income Recognition **-** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Plan investments are recorded at fair value which is determined by the Trustee. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use Of Estimates **-** The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

BAYHEALTH MEDICAL CENTER, INC. SHORT-TERM DISABILITY PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Administrative Expenses **-** Administrative expenses of the Plan are paid by either the Plan or the Plan sponsor, as provided in the Plan document.

Claims Payable And Claims Incurred But Not Reported - The Plan's liability for claims is determined by the claims administrator and the Plan administrator.

Subsequent Events - The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through August 28, 2026, the date the financial statements were available to be issued.

NOTE C - INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

All information on investments in the Plan's financial statements and supplemental schedule was obtained or derived from information prepared by Matrix Trust Company as of and for the years ended December 31, 2025 and 2024.

NOTE D - BENEFIT OBLIGATIONS

Under the modified cash basis of accounting, benefits are not recorded as Plan deductions until paid. The estimated amounts of claims currently payable are as follows:

	DECEMBER 31, 2025	2024
Claims Currently Payable - December 31	$ 339,857	$ 161,432
Claims Currently Payable:		
Balance At Beginning Of Year	$ 161,432	$ 187,857
Claims Reported And Approved For Payment	1,262,337	957,775
Claims Paid	(1,083,912)	(984,200)
BALANCE AT END OF YEAR	$ 339,857	$ 161,432

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

NOTE E - FAIR VALUE MEASUREMENTS - CONTINUED

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 - Quoted prices in markets that are not active, or inputs which are observable, either directly or indirectly, for substantially the full term of the asset or liability;
- Level 3 - Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e., supported by little or no market activity).

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present the financial instruments carried at fair value as of December 31, 2025 and 2024, by caption on the Statements of Net Assets Available for Benefits within the valuation hierarchy. The Plan holds no level 2 or 3 investments in either year end.

DECEMBER 31, 2025	QUOTED MARKET PRICE IN ACTIVE MARKETS (LEVEL 1)	TOTAL CARRYING VALUE IN THE STATEMENTS OF NET ASSETS AVAILABLE FOR BENEFITS
Registered Investment Companies	$ 1,816,366	$ 1,816,366

DECEMBER 31, 2024	QUOTED MARKET PRICE IN ACTIVE MARKETS (LEVEL 1)	TOTAL CARRYING VALUE IN THE STATEMENTS OF NET ASSETS AVAILABLE FOR BENEFITS
Registered Investment Companies	$ 1,391,395	$ 1,391,395

NOTE F - ADMINISTRATIVE EXPENSES

Fees paid by the Plan to the Trustee for investment management services were nominal in 2025 and 2024. Benefit claims were calculated by Matrix Absence Management during 2025 and 2024. Fees paid by the Plan for benefit claims processing in 2025 and 2024 were approximately $109,000 and $105,000 in 2025 and 2024, respectively.

NOTE G - PLAN TERMINATION

During 2025, the Plan management approved the termination of the Bayhealth Medical Center, Inc. Short-Term Disability Plan (the "Plan"), in connection with Delaware Paid Family and Medical Leave becoming available to eligible employees beginning January 1, 2026. The Plan will cease providing short-term disability coverage for claims incurred after December 31, 2025.

NOTE H - TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant of Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE I - RISKS AND UNCERTANTIES

The Plan invests in investment securities. These securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying financial statements.
