INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
good2grow 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the good2grow 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules

that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

good2grow 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

1. Description of Plan

The following description of the good2grow 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more detailed description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of good2grow, LLC and certain adopting participating employers (the Company), except for non-resident aliens, residents of Puerto Rico, part-time and seasonal employees, interns, and employees covered under a collective bargaining agreement. Employees become eligible to participate in the Plan after attaining the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make pre-tax and/or Roth contributions of up to 100% of eligible compensation as defined by the Plan document, not to exceed a maximum of \$23,500 in 2025, plus up to an additional \$7,500 for participants who have reached at least 50 years of age by the end of the Plan year. Beginning in 2025, participants who turned age 60, but not older than age 63 by December 31, 2025 are eligible for catch-up contributions of \$11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

All eligible employees are automatically enrolled in the Plan at a rate of 4% of eligible compensation, unless the participant elects otherwise. Effective January 1, 2025 and for participants who enter the Plan on or after this date, the Plan was amended to allow for an automatic escalation feature under which participants' deferral rates increase each year by 1% of their eligible compensation up to 10% of eligible compensation, unless the participant elects otherwise.

The Company makes a safe-harbor matching contribution of 100% of participant deferrals up to a maximum of 4% of eligible compensation. Participants become eligible to receive the safe-harbor matching contribution upon satisfaction of eligibility in the Plan.

During 2025, the Company contributed approximately \$38,000 in immediately vested qualified non-elective contributions to affected participants as corrective contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, any Company safe harbor matching contributions, and earnings or losses on the investments in their account and is charged with certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change

good2grow 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company safe-harbor matching contributions, plus actual earnings and losses thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have two notes outstanding at any time. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest. At December 31, 2025, notes had fixed rates ranging from 4.25% to 9.50% for the term of the note, not to exceed 5 years unless used for the purchase of the participant's primary residence. Principal and interest are paid through payroll deductions. Participant loans are due in full upon termination of employment.

Effective April 2026, subsequent to year-end, the Plan was amended to limit each participant to one outstanding note at any time.

Payment of Benefits

At the time of death, disability, termination of service, or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum amount, installment payments, partial distributions, or a combination of these payment options, equal to the value of the participant's vested interest in their account. In-service withdrawals of all or part of the participant's vested account are also permitted for participants who have attained age 59½. The participant's vested account may also be withdrawn for certain hardship situations. If a participant terminates employment and has an account balance less than \$7,000, the participant will automatically receive a lump-sum payment equal to the value of their account.

Forfeited Accounts

Forfeited non-vested account balances totaled \$11,336 and \$10,902 as of December 31, 2025 and 2024, respectively. These accounts may be used to pay Plan administrative expenses or reduce future Company safe-harbor matching contributions. During 2025, no forfeitures were used to pay for administrative expenses of the Plan or to reduce safe-harbor matching contributions.

Administrative Expenses

Administrative expenses for advisory services, recordkeeping, and certain participant transaction fees are paid by participants. These expenses are paid to a service provider of the Plan and therefore qualify as party-in-interest transactions. Certain expenses incidental to the administration of the

good2grow 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

Plan are paid by the Company. The Company does not expect reimbursement from the Plan for any expenses paid on behalf of the Plan.

The Plan has an ERISA account where the qualified institution deposits revenue sharing payments that can be used to pay administrative expenses or allocated to participant accounts. In 2025, the qualified institution deposited \$46,403 of revenue sharing credits and earned interest into the account, and administrative expenses totaling \$46,145 were paid from the account. Deposits to this account are included in net change in fair value of investments in the accompanying statement of changes in net assets available for benefits. At December 31, 2025 and 2024, the balance in this account was \$6,739 and \$6,481, respectively, which is included in the stable value fund on the statements of net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Company safe-harbor matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received by the Plan. If a participant ceases to make note receivable repayments,

good2grow 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

and the plan administrator deems the participant note to be in default, the participant's note receivable balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through August 24, 2026, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule of assets (held at year end), including investments held and notes receivable from participants at December 31, 2025 and 2024, and the net change in fair value of investments and interest income for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC (Empower), the Plan's qualified institution.

4. Investments

Any fees incurred by the Plan for investment management services are included in net change in fair value of investments, as they reduce net investment returns credited to participant accounts.

The Plan's investments are susceptible to various market risks. Market risks include U.S. and global events that could impact the value of Plan investments. Such events may include public health emergencies such as a pandemic, as well as international conflicts, cybersecurity attacks, supply chain disruptions, global monetary policy decisions, inflation, significant economic influences, and other adverse credit and market events and conditions. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

good2grow 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

The Plan is invested in the Putnam Stable Value Fund (the Fund), which invests in fully benefit-responsive guaranteed investment contracts, security-backed investment contracts, money market instruments, cash, cash equivalents, and stable value funds. The Fund trades at net asset value (NAV), and participants transact at NAV daily in an inactive market (Level 2). Withdrawals from the Fund are generally permitted daily at contract value for all plan-permitted, participant-directed transactions. Certain underlying investment contracts contain market value adjustment provisions that may apply upon contract termination or other plan-level events; however, such provisions generally do not impact participant-directed transactions processed at contract value.

The following table summarizes the Plan's investments at fair value based on the inputs used to determine their values as of December 31, 2025 and 2024:

Total investments, at fair value	\$ 14,145,144	\$ 460,185	\$ -	\$ 14,605,329

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

6. Income Tax Status

The Plan uses a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA plan sponsored by Empower Retirement, LLC (Empower Retirement), an affiliate of Empower. The Internal Revenue Service has opined and informed Empower Retirement by letter dated November 14, 2022, that the pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has not received an individual determination letter and has been amended since Empower Retirement received the opinion letter. However, the Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.
