INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
The National Football Museum, Inc. 401(k) Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The National Football Museum, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE NATIONAL FOOTBALL MUSEUM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The National Football Museum, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan became effective February 1, 2002 and was amended and restated effective January 1, 2023.

General

The Plan is a participant-directed defined contribution plan covering eligible employees of The National Football Museum, Inc. ("Plan Sponsor" or "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All full time employees, along with part time employees who have completed one year of service in any year of employment, are eligible to participate upon attaining age 21 and completing 30 days of service. An individual may enter the Plan on the first day of the month following satisfaction of the eligibility requirements.

Contributions

Participants may, subject to limitations established by Internal Revenue Code ("IRC"), elect to contribute between 1% and 75% of eligible compensation to the Plan. Participant contributions may be made as pre-tax as Roth 401(k) contributions. Participants age 50 or greater may elect to make "catch up" contributions subject to IRC limitations. The Plan also accepts eligible rollover contributions from other qualified retirement plans.

The Company makes a safe harbor matching contribution equal to 100% of participant salary deferrals up to 3% of compensation and 50% of participant salary deferrals between 3% and 5% of compensation for a maximum effective match of 4% of compensation.

Participant Accounts

The allocation of a participant's contributions to the investment funds is selected by the participant and may be changed daily. Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferrals, rollover contributions and safe harbor matching contributions, plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their account balances subject to limitations established by the Plan and the IRC. Loans are available at a minimum amount of \$1,000 and may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. The Plan permits only one outstanding loan at a time.

THE NATIONAL FOOTBALL MUSEUM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

The notes bear interest at a rate equal to 2% over the prime rate and generally must be repaid within five years. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment due to death, disability, retirement, or other separation from service, participants may receive distributions of their vested account balances in accordance with Plan provisions.

Participants may also withdraw rollover contributions at any time and may be eligible for certain in-service and hardship distributions as defined by the Plan. Participants with vested balances not exceeding \$5,000 may be subject to mandatory distribution provisions.

Forfeitures

Forfeitures of \$1,411 and \$1,360 were deposited in the uninvested cash balances of the Plan during the years ended December 31, 2025 and 2024, respectively, which may be used to pay Plan expenses or reduce future employer contributions. The Plan elected to apply these forfeitures to reduce matching contributions for both years.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to amend or terminate the Plan at any time. Upon termination, Plan assets will be distributed in accordance with the provisions of the Plan and ERISA.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represents participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

THE NATIONAL FOOTBALL MUSEUM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan invests in a stable value investment option designed to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The investment is reported at contract value, which represents contributions made under the investment contract, plus interest credited, less participant withdrawals and administrative expenses. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the contract at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of realized gains and losses and unrealized appreciation (depreciation) on those investments.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect these estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

The Plan pays expenses incurred in the administration of the Plan, unless otherwise paid by the Plan Sponsor.

Subsequent Events

The Plan has evaluated subsequent events through August 25, 2026, the date the financial statements were available to be issued.

THE NATIONAL FOOTBALL MUSEUM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was prepared and certified by Nationwide Trust Company, FSB ("Trustee") and furnished to the Plan Sponsor. The Plan Sponsor obtained a certification from the Trustee as of December 31, 2025 and 2024 and for the year ended December 31, 2025 that such information is complete and accurate.

	2025	2024
Investments, at fair value	\$ 7,066,673	\$ 5,466,243
Investments, at contract value	\$ 176,726	\$ 288,000
Interest and dividends	\$ 1,975	N/A
Net appreciation in fair value of investments	\$ 949,201	N/A

NOTE 4 - INVESTMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the input used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual Funds: Valued using quoted market prices, which represent the net asset values of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE NATIONAL FOOTBALL MUSEUM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,066,673	\$ -	\$ -	\$ 7,066,673
Total investments at fair value	\$ 7,066,673	\$ -	\$ -	\$ 7,066,673

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,466,243	\$ -	\$ -	\$ 5,466,243
Total investments at fair value	\$ 5,466,243	\$ -	\$ -	\$ 5,466,243

The Plan also invests in a fully benefit-responsive investment contract through the Nationwide Fixed Select Option. In accordance with accounting principles generally accepted in the United States of America, fully benefit-responsive investment contracts are reported at contract value rather than fair value and therefore are not included in the fair value hierarchy. Contract value represents contributions made under the contract, plus credited earnings, less participant withdrawals and administrative expenses.

NOTE 5 - TAX STATUS

The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (the "IRC"), and the related trust is intended to be exempt from federal income taxation under Section 501(a) of the IRC. The Plan is maintained pursuant to a pre-approved plan document that received a favorable Internal Revenue Service Opinion Letter dated June 30, 2020. The Plan has been amended since the issuance of the Opinion Letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files Form 5500 annually with the U.S. Department of Labor and is subject to routine examinations by taxing authorities.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are investment contract accounts managed by the Trustee and, therefore, these transactions are party-in-interest transactions.
