INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
Triumph Atlantic, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of **Triumph Atlantic, LLC 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of **December 31, 2025**, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits Triumph Atlantic, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, stating that the certified investment information, as described in *Note 5* to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of Triumph Atlantic, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Triumph Atlantic 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Triumph Atlantic, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Triumph Atlantic, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedule Required by ERISA

The supplemental schedule titled *Schedule H, Line 4i: Schedule of Assets (Held at End of Year)* for the Plan year ended December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

TRIUMPH ATLANTIC, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of the Triumph Atlantic, LLC 401(k) Plan (the 'Plan') provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution 401(k) profit sharing plan sponsored by Triumph Atlantic, LLC (the 'Plan Sponsor'). Effective April 15, 2025, with change of the plan sponsor from Byers Industrial Services, LLC to Triumph Atlantic, LLC, the Plan name was also changed from Byers Industrial Services, LLC 401(k) Plan to Triumph Atlantic, LLC 401(k) Plan. These changes did not otherwise affect the provisions of the Plan. As such, Byers Industrial Services, LLC, Red Door Marketing Co., and Stable Works, LLC began participating in the Plan as adopting employers (collectively, the 'Adopting Employers') under a single-plan arrangement.

The Plan covers eligible employees of the Plan Sponsor and the Adopting Employers who have completed at least three months of service and have attained age twenty-one. A newly eligible participant's entry date into the Plan is the date on which both the age and service requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments

Effective February 17, 2022, the Plan was amended and restated in connection with the Internal Revenue Service's applicable remedial amendment cycle for pre-approved retirement plans. Effective April 15, 2025, the Plan was amended to modify certain Plan provisions and to add Byers Industrial Services, LLC, Red Door Marketing Co., and Stable Works, LLC as adopting employers participating in the Plan under a single-plan arrangement.

Contributions

Each year, active and eligible participants may elect to contribute a portion of eligible compensation to the Plan as pre-tax elective deferral contributions or Roth elective deferral contributions. Participants may contribute up to 100% of eligible compensation, subject to limitations established by the Internal Revenue Code (IRC). Participants who satisfy applicable age requirements may also make catch-up contributions, subject to limitations established by the IRC. Participants may also make qualifying rollover contributions to the Plan.

The Plan Sponsor and Adopting Employers make safe-harbor matching contributions equal to 100% of each participant's elective deferral contributions up to 4% of eligible compensation. Safe-harbor matching contributions are calculated based on eligible compensation and elective deferrals for each payroll period.

The Plan Sponsor and Adopting Employers may also make discretionary contributions to the Plan in amounts determined annually. Discretionary contributions are allocated among eligible participants based on the ratio of each eligible participant's annual compensation to the total annual compensation of all participants eligible to receive an allocation.

Total contributions to participant accounts are subject to limitations established by the IRC.

Participants direct the investment of their account balances among the various investment options offered by the Plan. Participants are responsible for investment decisions relating to both participant and employer contributions allocated to their accounts.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer matching contribution and, (b) the Plan earnings and losses (*until participants who have elected to withdraw have been paid*), and charged with an allocation of administrative expenses by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

TRIUMPH ATLANTIC, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their vested Plan accounts, subject to the provisions of the Plan. Generally, the maximum loan amount is the lesser of 50% of the participant's vested account balance or \$50,000, adjusted for certain outstanding loan balances as defined by the Plan. The minimum loan amount is \$1,000. Participants may be granted only one loan during any one-year period and may have only one loan outstanding at a time.

Participant loans are secured by the participant's vested account balance and bear interest at rates commensurate with rates available for similar loans from commercial lending institutions, as determined by the Plan administrator. Principal and interest payments are required at least quarterly, and the repayment period generally may not exceed five years, except for loans used to acquire a participant's principal residence.

Forfeited Accounts

Forfeitures of nonvested participant accounts may be used to pay Plan expenses, offset employer contributions, or be reallocated to participant accounts in accordance with the provisions of the Plan. Forfeitures remaining after the payment of Plan expenses or reduction of employer contributions may be included with and allocated in the same manner as discretionary employer contributions. At December 31, 2025 and 2024, unallocated forfeited accounts totaled \$0 for both years presented.

Vesting

Participants are immediately 100% vested in their elective deferral contributions and employer safe-harbor matching contributions, including earnings or losses thereon. Employer discretionary contributions, including earnings or losses thereon, vest based upon years of vesting service as follows:

Years of Service	Percent Vested
Less than Two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

For purposes of determining vesting service, a participant is credited with one year of vesting service for each applicable service period in which the participant completes at least 1,000 hours of service. Participants also become fully vested upon the occurrence of certain events specified by the Plan.

Payment of Benefits

Upon termination of employment, a participant may elect to receive all or any portion of the participant's vested account balance, subject to the provisions of the Plan. Participants may also be eligible to receive in-service withdrawals upon attaining age 59½ and may receive hardship withdrawals from certain portions of their accounts upon satisfying the requirements of the Plan.

Upon retirement, death, disability or other distributable event, benefits are payable in accordance with the forms and provisions specified by the Plan. Participant account balances of \$7,000 or less are subject to the Plan's mandatory distribution provisions. Vested account balances greater than \$7,000 may generally remain in the Plan until distribution is elected or otherwise required under applicable law.

At December 31, 2025 and 2024, there were twenty-nine (29) terminated and/or retired participants with vested account balances totaling \$2,005,876 that have not been paid and fifty-seven (57) terminated and/or retired participants with vested account balances totaling \$2,497,076 that have not been paid respectively.

TRIUMPH ATLANTIC, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation & Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 9* for additional information regarding the Plan's fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation in investments held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions in accordance with the provisions of the Plan and applicable law. Notes receivable from participants totaled \$137,100 and \$114,908 at December 31, 2025 and 2024, respectively.

Payment of Benefits

Benefits are recorded when paid to participants.

Administrative Expenses

Certain administrative expenses of the Plan are charged directly to participant accounts. The Plan also assesses certain fees against individual participant accounts when participants initiate specific transactions or utilize certain Plan services, including, but not limited to, distribution and loan-related fees. Certain other administrative expenses may be paid by the Plan Sponsor or Adopting Employers and are excluded from the Plan's financial statements.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions or terminate the Plan subject to the provisions of ERISA and the IRC. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4: TAX STATUS

The Plan utilizes a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the document is acceptable under Section 401 of the IRC. Although the Plan has been amended since the applicable opinion letter was issued, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

TRIUMPH ATLANTIC, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 4: TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator believes there are no uncertain tax positions requiring recognition in the accompanying financial statements.

NOTE 5: CERTIFIED INVESTMENTS

Certain information related to investments and participant loans disclosed in the accompanying financial statements, including investments held at year end, notes receivable from participants (including related interest), net appreciation/(depreciation) in value of investments, and interest and dividends for the year ended December 31, 2025, was obtained or derived from information furnished to the Plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (custodian) for all mutual funds and money market funds.

At December 31, 2025 and 2024, the following investments had concentrations greater than or equal to 5% of total investments in either Plan year presented.

Fund Name	2025	%	Unaudited	
			2024	%

Vanguard Target Retirement 2050 Fund	\$ 668,757	9%	\$ 955,673	14%

NOTE 6: RISKS & UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 8: RELATED PARTIES & PARTIES IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by entities that provide investment management services to the Plan. In addition, the Plan has investments and administrative arrangements with Principal Life Insurance Company and its affiliates. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

Notes receivable from participants also represent party-in-interest transactions. At December 31, 2025 and 2024, notes receivable from participants totaled \$137,100 and \$114,908, respectively.

The Plan Sponsor and Adopting Employers are parties in interest to the Plan. Contributions received from the Plan Sponsor and Adopting Employers are made in accordance with the provisions of the Plan.

NOTE 9: FAIR VALUE MEASUREMENTS

The Plan measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels:

Level 1 Inputs: Prices in markets for identical assets and liabilities that can be accessed at the measurement date.

Level 2 Inputs: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Inputs: Significant unobservable inputs for the assets or liabilities that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024.

See below for valuation techniques used for each class of investment.

Mutual Funds: Valued at the daily closing net asset value reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission and are deemed to be actively traded.

Money Market Funds: Valued at the daily closing net asset value reported by the fund.

NOTE 9: FAIR VALUE MEASUREMENTS (CONTINUED)

Money Market Funds	257,871	-	-	257,871
Investments at Fair Value	\$ 6,611,523	\$ -	\$ -	\$ 6,611,523

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2025 and 2024, there were no transfers between levels.

NOTE 10: DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Effective April 1, 2026, DataOne Construction, LLC adopted the Plan as an adopting employer under the Plan's single-plan arrangement.

The Plan has evaluated subsequent events through September 4, 2026, the date which the financial statements were available to be issued.
